FOR IMMEDIATE RELEASE

Anita Figueredo, La Jolla physician and cancer specialist, will speak about the efforts of Mother Teresa of Calcutta on November 18 at 7:00pm in Founders Hall at the University of San Diego. This presentation is part of Oxfam America's nationwide fast. The money which would ordinarily be spent for a day's meals will be sent to Oxfam America's relief programs.

Mother Teresa is internationally known for her work among the "Poorest of the Poor." According to Mother Teresa's philosophy, there is no cure for being unwanted except for loving hands. Her religious Order goes through the streets of Calcutta caring for the dying, abandoned, orphaned and elderly of the deprived. Dr. Figueredo is a personal friend of Mother Teresa.

Sister Evelyn Joseph, Director for Adult Mission Education for the Diocese of San Diego, will speak on Monday, November 22 at 11:15am. Sister Evelyn Joseph's presentation is entitled, "Who Is My Neighbor? -- World Missions" Does Christian commitment to "neighbor" reach beyond the person next door?

USD has participated in the fast for three years. This year an entire week of activities will be conducted by USD's Campus Ministry beginning Monday, November 15 through Monday, November 22. Oxfam requests that fast participants limit their food intake to coffee, tea, juice or broth. The University Food Service is participating by setting up a broth line for students who wish to refrain from eating their usual meals on the 18th.
