SENIOR CITIZENS TO BENEFIT FROM USD PROGRAM

Senior citizens living in San Diego will be the focus of a special program started four years ago by the Associated Student Body at the University of San Diego in conjunction with the City's Senior Citizen Program, directed by Ethyl Herman.

Called the Senior Citizens Outreach Program, the project, according to Scott Brown, director of community services for the Associated Students, represents the efforts of USD students to assist persons over 65 with some of the more taxing domestic chores.

On Saturday and Sunday, March 20 and 21, from 11 a.m. to 5 p.m., USD students will be cleaning lawns and houses, washing windows, painting fences, and carrying out other jobs at the homes of participating seniors. "We want to show San Diego's older people that USD students care about them," says Brown.

Senior citizens wishing to receive visits from USD students may call 293-4802 and leave their name, address, telephone number, day and time work is desired, type of work, and directions to their home.
