UNIVERSITY PROFILE

The University of San Diego, a Roman Catholic University, is located on a mesa overlooking Mission Bay, San Diego Bay, and the Pacific Ocean. The campus is named Alcala Park after the Spanish University city of Alcala where St. Didacus, from whom San Diego received its name, spent much of his time. The University is superbly located in an urban area, close to business, cultural, residential, and recreational areas, and close to both the rail and air terminals.

Founded in 1949, USD currently is experiencing record attendance for the 1979-80 school year. Undergraduate enrollment numbers 2,526 and graduate and law students bring the campus enrollment to 4,000.

The University emphasizes a high academic standard for its students. The University includes a College of Arts and Sciences, School of Education, and Allied Health Sciences. Each is characterized by small classes and excellent student-faculty rapport.

The Admissions department is proud of the fact that USD draws students from nearly every region of the United States, with most students coming from high schools and colleges in California and Arizona. The school also has foreign students from several Latin American countries, Mexico, Canada, Europe, Asia, and Africa.

Recreation and Athletics is rapidly expanding to include: Yoga, Karate, Surfing, Modern Dance, Backpacking, Ballet, Sailing, Crew, as well as intercollegiate sports for men and women. Intercollegiately, USD has teams in men's baseball, basketball, cross country, crew, football, golf, tennis, and in women's basketball, cross country, crew, softball, swimming, tennis, and volleyball.
The Torero's home schedule will divide time this season between the San Diego Sports Arena and the USD Sports Center. All non-conference home games will be held in the 2,500 seat USD Sports Center; and all conference home games will be held in the 13,000 seat San Diego Sports Arena.
Since coming to the University of San Diego in 1973, Jim Brovelli has developed the Torero basketball program into one of the finest on the West Coast. As an NCAA Division II Independent, the Toreros made the Western Regionals three times while winning the Championship in 1978-79. Brovelli’s record the last three years has been 20-7, 22-7, 19-7 and has just surpassed the 100 victory mark which makes him the winningest coach in USD history. He also received “Coach of the Year” honors for District VIII in 1977-78. Brovelli’s Toreros will be a new entry into the West Coast Athletic Conference in 1979-80 and are looking forward to the monumental challenge of competing against some of the finest basketball schools in the country.

Brovelli graduated from the University of San Francisco in 1964 where the Dons took two WCAC titles in 1963 and 1964. Following graduation he was named to a United States All Star Team which toured the country playing exhibition games against the Russian National Team. In 1966 he was selected as West Coast AAU “Athlete of the Year” while playing for the San Francisco Athletic Club. This honor subsequently earned him a position on an AAU All-Star team which toured South America.

Jim began his coaching career in 1967. His combined high school and college record is 202-102. Jim and his wife Nada, have two children, Mike 7, and Michele 5.

BROVELLI’S SEASON OUTLOOK:

The West Coast Athletic Conference is one of the finest basketball conferences in the country. There is no doubt that this will be the greatest challenge in the history of the University of San Diego basketball program. Any success we might experience this season will be a direct result of a total team effort. We are on the ground floor and it will be an exciting experience to establish rivals in our conference and develop a winning tradition. USF, Santa Clara, Pepperdine, Portland, and Seattle have to be classified as favorites for a NCAA playoff berth. Experience is essential in the WCAC, so I am very pleased and fortunate to have everyone returning from a 19-7 season.
JOHN COSENTINO, ASSISTANT BASKETBALL COACH

John Cosentino joins the University of San Diego basketball staff as a full time assistant coach.

John will coordinate the Toreros' recruiting and scouting program under head coach Jim Brovelli. He will also advise and counsel the academic structure of the team.

He graduated with a Bachelor of Science degree in Health Science and a minor in English from San Diego State in 1970. He has recently completed a Masters Degree in Education from Azusa-Pacific College.

John has acted on the California Interscholastic Federation Basketball Advisory Board and has had extensive summer camp coaching and counseling for John Wooden and Sportsworld. He is single and resides in the Pacific Beach area of San Diego.

Takes great pride in being involved with the USD basketball program since 1966 and watching it grow from small college status to its current Division I status in the West Coast Athletic Conference.

Currently works full time with the San Diego Youth Employment Program as a vocational counselor.

Married to Faye Magee and have a son, Mark.

DICK SATTERLEE, ASSISTANT BASKETBALL COACH

Dick Satterlee returns for his second season as an assistant to head coach Jim Brovelli. Dick's duties with the team include scouting, defensive coordinating, and assisting Coach Cosentino in recruiting.

Coach Satterlee comes to the Torero staff from the University of California at San Diego where he was head coach in the 1976-77 season. He was also an assistant there for the 1974-75 and 75-76 seasons.

Dick also has extensive high school coaching experience, having coached at Coronado High School for eight years in addition to three other high schools in California and Nevada prior to that.
1979-80 BASKETBALL PROSPECTUS

The University of San Diego's 1979-80 basketball season promises to be one of the most challenging in the school's twenty-four year basketball history. Head Coach Jim Brovelli will lead a young team into the tough West Coast Athletic Conference for the first time this year.

The University makes the jump to Division I, and the W.C.A.C., after having made two consecutive appearances in post season Division II play. In those two years the Toreros compiled a 41-14 record, including a 25-2 mark at home. The 1977-78 team finished in the "Final Four," while 1978-79 team made it to the Western Regionals.

This year's team will be characterized by youth and a team effort. "Any success we achieve this year will be due to total team effort, we've got to rely on each other," says Coach Brovelli. "We have quite a few freshmen and sophomores returning from a successful winning season at the college level. Our new recruits are Division I players, and should add the necessary depth we need to make the move successfully."

The 1978-79 team returns eleven players, including the entire starting line, having lost only two seniors this past year.

Returning starters in the front line include senior Russell Jackson (6'3" 190), junior Bob Bartholomew (6'6" 200), and Joe Evans (6'8" 220).

Bartholomew led the team in scoring (14.8 pts.) rebounding (9.0) and shooting percentage (.577) the past season, and currently ranks 16th on the all-time school scoring list (636). "Bob has been the most consistent player here the last two years, and we look for the same improvement the next two years," says Brovelli.

Joe Evans, an All-Tourney pick in the Division II Western Regional Tournament last season, comes into his sophomore season after having finished second to Bartholomew in scoring (13.0) and rebounding (7.3).

In the backcourt, Mike Stockalper (6'0" 160) and Earl Pierce (6'3" 180), an All-Tourney team selection in the Western Regionals, return for their second year of play together. "Stockalper is our quarterback on the floor, and will continue to play that role for us," states Brovelli. With Stockalper at the controls the backcourt of he and Pierce averages just 3.6 turnovers per game.

Adding depth to the front line will be sophomore Keith Cunningham (6'8" 180) and senior Marty Mates (6'6" 210), who'll team with three new faces at the Alcala Park Campus, J.C. transfers Paul Appleby (6'5" 210), Brad Levesque (6'6" 220) and freshman Jimmy Robinson (6'7" 200).

The strength in the back court will be supplied by Senior Dave Cook (6'3" 185), sophomore Ken Cooney (6'4" 198), and sophomore Rusty Whitmarsh (6'3" 185). The new addition to the guard position will be Darryl Barbour (5'11" 165), a transfer from Canada Junior College.

Coach Brovelli feels "the team will have a built-in motivator this season with the step up in play. We want to prove to ourselves, as well as to the rest of the Conference, that we belong at this level."

The University of San Diego home schedule for the 1979-80 season will bring such top ranked teams as the Air Force Academy, North Texas State, and Western Illinois, as well as eight conference games. On the road the Toreros will travel to Northern Arizona University, the University of Pacific, and to cross town rival San Diego State.

In playing an eighty-five percent Division I schedule, this season promises to be both exciting and challenging for the University of San Diego.

In the West... It's the WCAC

G.B. "Jerry" Wyness Commissioner

Wyness, 48, is currently a professor of Physical Education at San Francisco State University where he is beginning his tenth year of teaching. Before coming to San Francisco State, Wyness was an associate professor of Physical Education at Cal St. Northridge where he was also an assistant football coach.

A native of Los Angeles, Wyness attended the University of Nevada, Reno where he received his Bachelor of Arts. He then went on to San Jose State for a Masters in Physical Education. He received his Ed.D. (Doctorate of Education) from the University of Oregon. At Nevada, Reno, Wyness lettered in football, basketball and track.

Sunderland, who has served the WCAC as commissioner since 1974 resigned because of his increasing duties as Editorial Director at KGO-TV in San Francisco, an ABC affiliate.

Wyness resides in Walnut Creek with his wife Diane and their two children Jerry 9, and Wendy 6½.

Since Wyness has taken over the Commissioner's duties, he has made every effort to strengthen the Conference for what looks to be another outstanding basketball season for all the WCAC member schools.
