1986 Outlook

BEST SQUAD SINCE '82?

Takeshi Omono

The 1986 University of San Diego Men's Tennis Team looks good—on paper the Toreros appear to be fielding their strongest team since their '82 team which earned several ITCA top 20 rankings.

Five of last year's top six will return. Only #4 Maris Lutens graduated, along with Team Captain Doug Bradley, who was a regular at #3 doubles.

Leading the returnees is Jim McNamee, a junior from Seattle, Washington, who held down the #1 position in '85, senior Alejandro Ramos (Tijuana, B.C., Mexico) who played #2, sophomore Scott Patridge (La Jolla, California), an '85 redshirt, and Chris Smith (Victoria, B.C., Canada) #3 and last year's MVP.

Also returning from the '85 squad and competing for spots in the top 6 are sophomores Curtis Dadian (Torrance, Calif.) who played #5-7 in '85, Rick Matheson (Caldwell, Idaho) who also played #5-7 in '85, Rick Schultsmeier (Meridian, Idaho), Rob MacKay (Los Angeles, Calif.) and Brent Carlson (Portland, Oregon).

'86 newcomers and recruits include freshman David Stewart (Saratoga, Calif.) #2-ranked in NorCal juniors, freshman Takeshi Omono (Franklin Lakes, New Jersey), who was ranked #3 in the East, junior Matt McMahon (San Diego), a transfer from USC, and Peter Charlton (La Jolla, Calif.), #1 at La Jolla High.

How the team will line up in singles is a big question at the time of this writing. It seems that with freshmen Stewart and Omono, and the return of Patridge, this group will provide some intense intrasquad competition and the result will be better play and added depth, both in singles and doubles.

The doubles lineup has yet to be named, but most likely last year's team of McNamee and Ramos will return at the #1 position. "Smith and Dadian enjoyed success at #2," added Collins. "We'll spend the fall season determining our best combinations."

The '86 Toreros will have better depth, and they'll need it to undertake another challenging schedule. In addition to NCAA Runner-up UCLA, Stanford, USC and Pepperdine, the USD netters will match up with tough teams from Cal Berkeley, Cal Irvine, Long Beach State, Yale, BYU, ASU and Oklahoma.

1985 Review

USD POSTS 25-19 RECORD; 2ND AT WCAC

The 1985 Torero tennis season was remarkable in that the team set a record for most losses (19), while it came close to breaking its record for most wins (25, 27 in '80).

"We played a rigorous schedule," said Coach Ed Collins, "that included 15 teams who had received votes for the nation's top-20."

In the fall San Diego All-College Tournament, sophomore Jim McNamee lost in the singles final, then teamed with Maris Lutens to defeat teammates Curtis Dadian and Scott Patridge.

At the Volvo All-American Championships, held at the new UCLA Tennis Center, Patridge, Lutens and Chris Smith made it through pre-qualifying only to lose in later qualifying rounds.

At the ITCA Rolex Regionals, held at UC Irvine, the doubles team of Patridge and Alejandro Ramos lost in the semifinals. (Unfortunately, sophomore Scott Patridge broke his foot during intercession and missed the entire spring season.)

The netters opened the season by winning their first six dual matches. In defeating UC Santa Barbara 6-3, 8 of the 9 matches went 3 sets.

During the spring the Toreros played well but lost close matches to good teams in BYU, ASU, Oklahoma, Wichita St., Long Beach St., New Mexico and Princeton.

The team pulled together to defeat cross-town rival San Diego State, twice, by scores of 7-2 and 6-3.

In tournaments USD fared rather poorly; they finished 11th at the SD Intercollegiate, 23rd at Corpus Christi and 11th at the Irvine-Marriott Team Chps. Freshman Chris Smith led the team in WL% and set a record for singles wins with 29 wins (6 losses). He started the season at #5 but played mostly at #3, defeating players from USC, ASU, Florida, Irvine, Cal, Utah and Princeton.

The WCAC Championships were won by Pepperdine with USD finishing second. Distinguishing themselves were Curtis Dadian, who defeated Pepperdine's Ed Nagel, before losing in the quarters, and the doubles teams of Dadian-Smith and Doug Bradley-Patrick Sundh, who both lost in the semis.

Sophomore Jim McNamee held down the #1 position throughout the year, winning 21 and losing 14; he also had the best doubles record. Other special award winners at the year-end banquet were Chris Smith, for Best Overall Record, Best Singles Record, Most Improved and Sportsmanship, and Doug Bradley for Most Inspirational and Team Captain.

UNIVERSITY PROFILE

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcalá Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego—conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 3300, graduate students bring the overall campus enrollment to 5300.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

Recreation and Athletic activities are expanding rapidly and include: sailing, crew, yoga, karate, surfing, modern dance, backpacking, and ballet. USD's intercollegiate sports for men include baseball, football, basketball, cross-country, golf, soccer, crew and tennis.

In women's intercollegiate sports, USD fields programs in basketball, cross-country, crew, softball, swimming, tennis, and volleyball.

TENNIS AT USD

USD is proud of its men's tennis program. Twice the team won NCAA Division II titles. In 1979 the team finished second and in 1980 the program moved up to Division I.

This winning tradition was started by Andrew Rae, a native of Melbourne, Australia, who won NCAA Division II singles and doubles titles in '74 and '75. In 1978 USD's Rick Goldberg and Par Svensson won the NCAA II Doubles Championship.

From 1980 through 1982 the netters were regularly ranked in the nation's top 20. In '80 and '81 the Toreros won Ojai team titles. During that time the team was led by Scott Lipton (San Jose, CA), Terry Ward (St. Louis, MO) and Peter Herrmann (San Diego).

Lipton was an NCAA I All American in 1980, Ward was the 1981 WCAC Champ and Ojai Champ, and Herrmann holds USD's record for most wins, and was Ojai Champ in '82.

The Toreros compete at the nation's highest level of intercollegiate play. In 1985 the netters will play dual matches with approximately 10 of last year's top-20 teams. In addition, many of the country's better teams travel to San Diego to play during the Spring break.

USD annually participates in a number of the best intercollegiate tournaments. In '85 the Toreros played in the Corpus Christi College Team Chps., the UC Irvine/Marriott Tournament, the San Diego Intercollegiate, and the West Coast Athletic Conference Chps. (WCAC), of which USD is a member.

The Fall semester tennis schedule is just as busy as the Spring. USD annually hosts the San Diego All-College Tournament. They participate in several local open events, as well as the Volvo All-American Chps at UCLA and the Rolex/ITCA Regional Qualifying at UC Irvine. Two Fall intrasquad tournaments are played.

The Toreros practice and play at USD's West Courts, an 8-court facility located in a park-like setting on the west end of campus. The setting, courts and the cool ocean breeze create a perfect tennis environment.
