A Message From President Hughes

The men's basketball program is integral to the University's athletic endeavors, just as the athletic program is integral to our view of education — which is that education should develop the whole person.

This program moved from NCAA Division II to Division I just two years ago, and each year has seen increasing strength and competitive capabilities in the USD team. The University is proud of the team's accomplishments, and pleased to support the program in every way possible, including scholarship aid to our athletes, recognition of the values of the program, and promotion of intercollegiate athletics. I believe our USD team will be receiving some national attention this year, and I look forward to watching the season's events unfold.

UNIVERSITY PROFILE

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcala Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego — conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 2,526, graduate students bring the overall campus enrollment to 4300.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

Recreation and Athletic activities are expanding rapidly and include: sailing, crew, yoga, karate, surfing, modern dance, back-packing, and ballet. USD's intercollegiate sports for men include baseball, football, basketball, cross-country, golf, soccer, crew, and tennis.

In women's intercollegiate sports, USD fields programs in basketball, cross-country, crew, softball, swimming, tennis, and volleyball.
Rev. Patrick Cahill, C.S.V., Athletic Director
Father Patrick Cahill, a member of the Viatorian Fathers and Brothers, came to the University of San Diego in 1979 with the responsibility of administering the expanding men and women's athletic programs.

Since Father has taken over, USD has added men's cross country and soccer as well as women's softball and cross country to its intercollegiate program. Men's baseball, basketball, golf, soccer, cross country, and tennis moved in 1979 into the NCAA Division I ranks and the West Coast Athletic Conference, while women's basketball, volleyball, and tennis now participate at the AIAW Division I level, and softball, swimming and cross country are members of the AIAW Division II. Men's football remains a NCAA Division III participant and USD also boasts an intercollegiate crew program for both men and women.

Father Pat has brought to the University his integrity, leadership and devotion to his job; he has given to the staff and student athletes at USD an added meaning to the word "friend."

Father Cahill has a B.A. from St. Ambrose College in Davenport, Iowa, and a M.S. in Education with a Physical Education major from Eastern Illinois University. Prior to USD, he served St. Viator High School in Arlington Heights, Illinois, for sixteen years, fourteen as Athletic Director and two as its President/Principal.

Kent Scherzinger: Sports Information Director
Kent is in the midst of this third year at the University of San Diego as the Sports Information Director, handling the publicity for the ever expanding USD Athletic Department.

In 1979 Kent received his Master's Degree in Health & Physical Education/Athletic Administration from Bowling Green State University. Working in various capacities as a grad assistant at Bowling Green, he gained athletic department experience in promotion and sales, sports information, and game day operations, while at the same time teaching recreation courses for the Physical Education Department.

He also picked up valuable experience in athletics as an undergrad at Biscayne College, Miami, where he graduated in 1978 with a B.A. in Athletic Administration. Attending classes at Biscayne, he also worked at Florida International University as an Assistant S.I.D.

Carolyn Ryback: Head Athletic Trainer
Carolyn Ryback, A.T.C., in her fourth year at USD, has the distinction of being the only female Head Trainer at the NCAA Division I level. Recognized as a superb trainer, Carolyn often is asked to speak to professional groups, has published several articles in professional journals and is an instructor in Sports Medicine at both San Diego State and USD.

Carolyn is also a media celebrity. The subject of many newspaper articles, she has also appeared on T.V.'s P.M. Magazine and Independent Television's children's show Way To Go.

Having received a B.A. in Physical Education from San Diego in 1975, Ms. Ryback completed work on her Master's degree in Sports Medicine at the same institution in 1978.

HEAD COACH JIM BROVELLI

During the past eight years, Coach Jim Brovelli has developed the University of San Diego basketball program into one of the fastest growing programs on the West Coast. Since entering the tough West Coast Athletic Conference two years ago, Jim Brovelli’s teams have steadily improved with each season. Coach Brovelli has incorporated a sound consistent philosophy and has set realistic and progressive goals for himself and all those involved in his program. He is currently the winningest coach in U.S.D. history and in 1977-78 won “Coach of the Year” honors. In the 1980-81 season, Coach Brovelli doubled his wins from 1979-80 including a 79-70 OT win at Stanford of the Pac 10. Through the years his teams have gained the respect of all opponents for being well-drilled, well-coached, and extremely competitive. Credibility, quality, progressive are certainly synonymous to Coach Brovelli and his growing program. With another year of experience under the Toreros belt, Jim looks for continued improvement and success in the upcoming year.

Brovelli graduated from the University of San Francisco in 1964 where the Dons took two WCAC titles in 1963 and 1964. Following graduation he was named to a United States All-Star team which toured the country playing exhibition games against the Russian National Team. In 1966 he was selected as West Coast AAU “Athlete of the Year” while playing for the San Francisco Athletic Club. This honor subsequently earned him a position on an AAU All-Star Team which toured South America.

Jim began his coaching career in 1967. His combined high school and college record is 219-137.

Jim and his wife, Nada, have two children, Mike 9, and Michele, 7.

COACH BROVELLI’S CAREER RECORD AT THE UNIVERSITY OF SAN DIEGO 119-91

BROVELLI’S SEASON OUTLOOK:

This year we probably have the toughest schedule in the school’s history. We must be extremely well-prepared for each game and we must have a total team effort if we are to expect any degree of success. We have experience with three returning senior starters and we certainly have added depth with eight new recruits. I think we can once again expect another exciting and competitive season.
JOHN COSENTINO, ASSISTANT BASKETBALL COACH

This will be John Cosentino's fourth year on Jim Brovelli's staff as the full time assistant coach.
Along with his coaching duties, John is also the Director of Recruiting for the Torero Basketball program. Since his appointment in 1979, Cosentino has been instrumental in the growth of the basketball program when at the same time, they moved up to the NCAA Division I level and the West Coast Athletic Conference.
Prior to Cosentino's appointment to the Torero staff he was a successful varsity basketball, football and baseball coach at University High School in San Diego. John was also the freshman coach at United States International University.
Cosentino, a native of San Diego, earned all-county honors in football and basketball. In his senior year he captained University to a California Interscholastic Federation basketball championship and was named Player of the Year.
After lettering in football and basketball at Mesa College in San Diego, Cosentino went on to scholarship at Adams State, Colorado and San Diego State University. He graduated with a Bachelor of Science degree in Health Science and a minor in English from San Diego State in 1970. He has recently completed a Masters Degree in Education from Azusa-Pacific College.
John has acted on the California Interscholastic Federation Basketball Advisory Board and has had extensive summer camp coaching and counseling for John Wooden and Sportsworld, and is the coordinator of the successful USD Jim Brovelli Basketball Camp. He resides in the Pacific Beach area of San Diego.

GUS MAGEE, ASSISTANT BASKETBALL COACH

Attended University of San Diego as an undergraduate (class of 1970) and played under Phil Woolpert after completing a tour of duty in the U.S. Air Force.
Began coaching career in 1970 as a graduate assistant to Bernie Bickerstaff while pursuing his Masters Degree in Social Science.
Has been Assistant Coach to Jim Brovelli since he began coaching at USD in 1973.
Holds most of USD's rebounding records including: career rebounds; most rebounds in a single game (24); and highest rebound average in a single season (14.4).
Takes great pride in being involved with the USD basketball program since 1966 and watching it grow from small college status to its current Division I status in the West Coast Athletic Conference.
Currently works full time with the San Diego Youth Employment Program as a vocational counselor.
Married to Faye Magee and have a son, Mark.

DICK SATTERLEE, ASSISTANT BASKETBALL COACH

Dick Satterlee returns as an assistant to head coach Jim Brovelli. Dick's duties with the team include scouting, defensive coordinating, and assisting Coach Cosentino in recruiting.
Coach Satterlee comes to the Torero staff from the University of California at San Diego where he was head coach in the 1976-77 season. He was also an assistant there for the 1974-75 and 75-76 seasons.
Dick also has extensive high school coaching experience, having coached at Coronado High School for eight years in addition to three other high schools in California and Nevada prior to that.
The University of San Diego basketball team will look for continued improvement in the 1981-82 season as they prepare for their most difficult schedule to date. “In just our third year at the NCAA Division I level and the West Coast Athletic Conference we will be looking at the toughest schedule in USD’s history,” stated Head Coach Jim Brovelli.

This year the Toreros will be counting on returning starters David Heppell (6'8'', senior, center), Gerald Jones (6'6'', senior, forward), and Rusty Whitmarsh (6'3'', senior, guard) to exert the leadership and experience essential to success in the WCAC. Seniors Steve Rocha (6'8'', center) and Jim Bateman (6'5'', forward/center) will add experienced depth to the frontline, while guards John Prunty (6'0'', sophomore) and Mike Ramsey (6'4'', senior) give strength to the backcourt.

Don Capener (6'6'' guard/forward) will return after spending two years in Japan on a mission with the Mormon Church, and Paul Appleby (6'5'' forward) hopes to return after sitting out the last two seasons with a knee injury.

Of the new recruits 6'0'' guard Rich Davis (Central Arizona J.C.,0 and 6'7'' forward Robby Roberts (L.A. Valley J.C.) are expected to give strong competition for starting positions right away. Three forwards were also recruited by USD in 6'7'' Bob Kulovitz (Mesa Arizona J.C.), 6'6'' freshman Anthony Ruess, and 6'6'' Randy Brickley (Glendale Arizona J.C.) Coach Brovelli also added two freshman guards to the roster via the recruiting route in 6'2'' Jon Freeman (Bonita Vista H.S., San Diego) and 6'4'' Byron Roberts (Manual Arts H.S., Los Angeles).

“With our new recruits we have added some top talent with Robby Roberts leading all California Junior College players in rebounding (13.1 ave.); Rich Davis is a great point guard who averaged 13.2 assists per game; Randy Brickley is on of the purest shooters in the nation; Anthony Ruess (Christian H.S., El Cajon) and Jon Freeman were both San Diego All-CIF selections and the top players in San Diego county last year; Bob Kulovitz is an excellent jumper at 6'7'' and has a soft touch around the basket; and Byron Roberts is just a fine all-around athlete, receiving Los Angeles All-CIF honors and will have to make the transition from high school forward to guard this year,” said Coach Brovelli. “We have no doubt improved our quickness, which will allow us to be more aggressive and versatile both offensively and defensively.”

USD opens the season at home against PCAA rival University of the Pacific on Saturday, November 28th. The following weekend the Toreros take on Boise State (Friday, December 4th) and another PCAA foe in UC Irvine, who sports 6'8'' All-American center Kevin McGee (Saturday, December 5th). On Thursday, December 10th USD will be playing cross-town rival San Diego State. The Toreros come back home for two games against Bethel College (INDIANA) and Illinois Wesleyan. The hoopsters close out the month of December with a road game against UC Santa Barbara and then come home for a home game against Michael Pitts (Sweetwater) and Cal Berkeley on Monday the 28th.

The Toreros open up January on the road against Northern Arizona. Then USD closes out the non-conference season with home games against Southeastern Louisiana, Fresno-Pacific, and Nebraska Wesleyan.

West Coast Athletic Conference action will be the strongest in several year’s with USF and Pepperdine returning all five starters and probable top twenty rankings. Portland, Santa Clara, St. Mary’s, Loyola/Marymount, Gonzaga and USD all return a good nucleus with new players expected to make the difference.

In the West... It's the WCAC

WCAC HISTORY

A rich tradition has been established by the West Coast Athletic Conference since its inception in 1952. Throughout the years the WCAC has been recognized nationally as one of the top basketball conferences, sending several teams to post season tournaments each year, and having the national champion two years in USF (1955, 56). The Conference also has contributed many top players into the PRO ranks such as Bill Russell (USF), Ken Sears (SCU), K.C. Jones (USF), Tom Meschery (SMC), Ollie Johnson (USF), Joe Ellis (USF), Dennis Awtrey (SCU), John Gianelli (UOP), Phil Smith (USF), Kevin Restani (USF), Dennis Johnson (PU), Ricky Sobers (UNLV), Marlon Redmond (USF), and Bill Cartwright (USF).

Although the Conference is most noted for its basketball programs the WCAC also crowns champions in cross country, golf, soccer, and tennis. In baseball the WCAC merged with the PCAA in 1977, creating the Southern California and Northern California Baseball Associations.

Today the West Coast Athletic Conference has expanded from its original five members (San Francisco, Santa Clara, St. Mary's, San Jose State, and Pacific) to the present eight including San Francisco, Santa Clara, St. Mary's, Gonzaga, Loyola Marymount, Pepperdine, Portland, and the University of San Diego.
