A Message From President Hughes

The men's basketball program is integral to the University's athletic endeavors, just as the athletic program is integral to our view of education — which is that education should develop the whole person.

This program moved from NCAA Division II to Division I just three years ago, and each year has seen increasing strength and competitive capabilities in the USD team. The University is proud of the team's accomplishments, and pleased to support the program in every way possible, including scholarship aid to our athletes, recognition of the values of the program, and promotion of intercollegiate athletics. I believe our USD team will be receiving some national attention this year, and I look forward to watching the season's events unfold.

University of San Diego Archives
The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcala Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego — conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 2900, graduate students bring the overall campus enrollment to 4500.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

Recreation and Athletic activities are expanding rapidly and include: sailing, crew, yoga, karate, surfing, modern dance, backpacking, and ballet. USD's intercollegiate sports for men include baseball, football, basketball, cross-country, golf, soccer, crew, and tennis.

In women's intercollegiate sports, USD fields programs in basketball, cross-country, crew, softball, swimming, tennis, and volleyball.
PEOPLE TO KNOW AT USD

Rev. Patrick Cahill, C.S.V., Athletic Director
Father Patrick Cahill, a member of the Victorian Fathers and Brothers, came to the University in 1979 with the responsibility of administering the expanding men and women's athletic programs. Since Father has taken over, USD has added men's cross country and soccer as well as women's softball and cross country to its intercollegiate program. Men's baseball, basketball, golf, soccer, cross country and tennis moved in 1979 to NCAA Division I ranks and the West Coast Athletic Conference. This year saw all but one of the women's teams join the NCAA Division I ranks with softball playing at the Division III level. Men's football remains an NCAA Division III participant and USD boasts an intercollegiate crew program for both men and women.

Father has brought to the University his integrity, leadership, and devotion to the job; he has given to the staff and student athletes at USD an added meaning to the word "friend.

Father Cahill has a B.A. from St. Ambrose College in Davenport, Iowa, and a M.S. in Education with a Physical Education major from Eastern Illinois University. Prior to USD, he served St. Viator High School in Arlington Heights, Illinois, for sixteen years, fourteen as Athletic Director and two as its President/Principal.

Carolyn Ryback: Head Athletic Trainer
Carolyn Ryback, A.T.C., in her fifth year at USD, has the distinction of being one of the few female Head Trainers at the NCAA Division I level. Recognized as a superb trainer, Carolyn is often asked to speak to professional groups and has published articles in professional journals. She is currently working at the Scripps Sports Medicine Facility, teaching sports medicine at San Diego State University, and teaching gymnastics at UC San Diego. Carolyn has passed on her knowledge and experience to a number of student interns who have had the fortune of working under her tutelage.

Carolyn is also a media celebrity. The subject of many newspaper articles, she has also appeared on T.V.'s P.M. Magazine and the Independent Television children's show Way To Go.

Having received a B.A. in Physical Education from San Diego State University in 1975, Ms. Ryback completed her Master's Degree in Sports Medicine at the same institution in 1978.

Ted Gosen: Sports Information Director
Eileen Ward: Assistant Sports Information Director
Ted Gosen enters his first year as the University of San Diego's Director of Sports Information, handling the publicity for the ever expanding USD athletic department.

In 1981 Ted received his Master of Science in Human Resources/Sports Administration from Biscayne College in Miami, Florida. As the Assistant S.I.D. for the University of San Diego last year, Ted gained athletic department experience in promotion and sales, sports information and game day operations.

A 1979 graduate of San Jose State University with a B.S. degree in Business Administration/Management, Ted is single and resides in the Ocean Beach area of San Diego.

Eileen Ward, the Assistant Sports Information Director, is here on an internship from Biscayne College in Miami, Florida. She is in the process of completing her undergraduate degree in Sports Administration. Eileen will be in charge of publicity for the women's program and men's cross country and soccer while assisting Ted in men's football, basketball, baseball and tennis.
HEAD COACH JIM BROVELLI

Jim Brovelli is entering his ninth season as the head coach of the University of San Diego basketball program: a program that he has brought from a NCAA Division II power to its present rank as one of the fastest growing Division I programs on the West Coast. Coach Brovelli has incorporated a sound consistent philosophy, as well as realistic and progressive goals for himself and all those involved in the program. This philosophy has already shown signs of bearing fruit with USD improving their overall and West Coast Athletic Conference record in each of the past three years. San Diego has become a club that opponents fear because of their well-drilled, well-coached, and extremely competitive style, a Brovelli trademark.

Growth can be seen in other areas of the program besides the improvement of the team’s record. Coach Brovelli and the USD program have become synonymous with success. This is evident in the type of athlete the USD staff has recruited into the program, including six WCAC All-Academic team members last year. Brovelli is also becoming a popular member on the coaching clinic tour. Jim was a speaker on the Medalist Coaching Staff and this past summer went to England to speak at the English Schools Basketball Association Player Improvement Clinic.

Coach Brovelli is the winningest coach in USD history, and with him at the reins, USD can look to the future with confidence and excitement in the Toreros’ quest for national or conference prominence.

Brovelli is a 1964 graduate of the University of San Francisco where he has been inducted into the Don’s Hall of Fame. Jim was instrumental in the resurgence of USF as a national power, helping lead them to WCAC crowns in 1963 and 1964. Following graduation he was named to a United States All-Star team which toured the country playing exhibition games with the Russian National Team. In 1966 he was selected as West Coast AAU "Athlete of the Year," while playing for the San Francisco Athletic Club. This honor subsequently earned him a position on the AAU All-Star team which toured South America.

Jim began his coaching career in 1967 and has a combined high school and college record of 230-152. Jim and his wife Nada, have two children, Mike 10 and Michele, 8.

COACH BROVELLI’S CAREER RECORD AT THE UNIVERSITY OF SAN DIEGO 130-106

BROVELLI’S SEASON OUTLOOK:

Our team this year will be very difficult to assess until we begin the season and play some games. We have six new recruits in our program and how soon it will take them to develop and coordinate into a cohesive unit is unpredictable. I do feel, however, that we should have more depth, more quickness, and better perimeter shooting than we have had in the past. Once again, our pre-season schedule and the West Coast Athletic Conference will be as tough as it has ever been. Our goals for our program have been consistently realistic through the years and if we can remain competitive in each game, there is no doubt that we will be able to continue our growth and improvement again this season. We are all looking forward to a most exciting and rewarding year.
JOHN COSENTINO, ASSOCIATE BASKETBALL COACH

This will be John Cosentino's fifth year on Jim Brovelli's staff as the full time assistant coach.

Along with his coaching duties, John is also the Director of Recruiting for the Torero Basketball program. Since his appointment in 1979, Cosentino has been instrumental in the growth of the basketball program when at the same time, they moved up to the NCAA Division I level and the West Coast Athletic Conference.

Prior to Cosentino's appointment to the Torero staff he was a successful varsity basketball, football and baseball coach at University High School in San Diego. John was also the freshman coach at United States International University.

Cosentino, a native of San Diego, earned all-county honors in football and basketball. In his senior year he captained University to a California Interscholastic Federation basketball championship and was named Player of the Year.

After lettering in football and basketball at Mesa College in San Diego, Cosentino went on to a scholarship at Adams State, Colorado, and San Diego State University. He graduated with a Bachelor of Science degree in Health Science and a minor in English from San Diego State in 1970. He has recently completed a Masters Degree in Education from Azusa-Pacific College.

John has acted on the California Interscholastic Federation Basketball Advisory Board and has had extensive summer camp coaching and counseling for John Wooden and Sportsworld, and is the coordinator of the successful USD Jim Brovelli Basketball Camp. He resides in the Pacific Beach area of San Diego.

COACH DAVID BABCOCK

David Babcock is entering his first year as an assistant coach at the University of San Diego under head basketball coach Jim Brovelli. Dave will replace assistant Dick Satterlee (who has accepted the head coaching position at Eastern Oregon State).

Coach Babcock brings with him a great deal of coaching experience in his young career, assisting at his alma-mater Grand Canyon College (1981-82) and also at Moon Valley High School where he helped direct the team to an Arizona AAA crown and a Skyline Conference Championship (1980-81). Besides coaching, Babcock played basketball at Scottsdale Junior College and Grand Canyon College.

Dave and his wife Dori reside in San Diego. His older brother Pete is an assistant coach with the San Diego Clippers of the NBA.

GUS MAGEE, ASSISTANT BASKETBALL COACH

Gus Magee began his USD coaching career as a graduate assistant to Bernie Bickerstaff, while pursuing his Masters Degree in Social Science. He then joined present Head Coach Jim Brovelli in 1973.

Magee also completed his undergraduate degree at USD and was a top basketball player here after completing his tour of duty with the U.S. Air Force. Gus played under legendary Coach Phil Woolpert and holds most of the Toreros rebounding records including 948 career rebounds, most rebounds in a single game (24), most rebounds in a season (344), and the single season rebound average (14.4 rpg).

Coach Magee takes great pride in being involved with USD basketball since 1966 and watching it grow from a small college program to its current status as a member of the NCAA Division I ranks and the West Coast Athletic Conference.

Currently working with the San Diego Youth Employment Program on a full time basis as a vocational counselor, Gus is also married to Faye and has a son, Mark.
Head Basketball Coach Jim Brovelli feels that the Toreros are right on target with his five year plan for success. The University of San Diego hoopsters have seen steady improvement in each of the three years that the Toreros have been at the NCAA Division I level and the West Coast Athletic Conference. In 1979-80 USD finished last in the WCAC with a 6-19 record and have improved to 11-15 and a sixth place finish in 1981-82.

This year will be the true test for the Toreros, who lose four starters and seven seniors. Gone are guard Rusty Whitmarsh, forwards Jim Bateman and Gerald Jones, center Dave Heppell, and reserves Steve Rocha (center), Paul Appleby (forward), and Mike Ramsey (guard).

The strength in the returnees has to be at the point guard where 6'0" senior Rich Davis (6.3 ppg-2.2 apg) and 6'0" junior John Prunty (4.0 ppg-1.8 apg) return after sharing duties last year. They will be hard pressed by a 6'2" sophomore Jon Freeman, who saw limited action last season. Guard/forward Don Capener (6'6", Jr., 6.4 ppg) returns along with redshirt Randy Brickley (6'6", Jr.) hoping to fill the void at the big guard position. USD returns two forwards, 6'7" senior Robby Roberts (4.7 ppg-5.4 rpg), and sophomore Anthony Reuss (6'7").

Jim Brovelli is quite pleased with this year's recruits, and feels that this may be the best recruiting year since the Toreros entered the NCAA Division I ranks three years ago. USD brought in two top notch freshmen and four junior college transfers. The freshmen, 6'8½" center/forward Mario Coronado (21.2 ppg, 8.8 rpg, 68% FG%) and 6'9" forward Mike Davis (22.9 ppg, 14.5 rpg, 4 Blk/game) have strong credentials and may see a great deal of playing time. All four J.C. transfers are expected to give strong competition for starting spots at their respective positions. Bill Penfold, a 6'5" big guard from Glendale College, averaged 12.2 ppg and 7.2 rpg for the Vaqueros. Besides Coronado and Davis USD recruited three forwards including 6'8" Dave McIver (Cypress College, 3.8 ppg, 2.3 rpg), 6'7" Brian Setencich (Fresno City College, 13.4 ppg, 7.5 rpg) and 6'5" Mike Whitmarsh (Grossmont College, 18.5 ppg, 7.4 rpg, 62% FG%).

Not only do the Toreros have to fill four voids in the starting line-up, but they have to compete with the toughest schedule in USD basketball history. The schedule opens up with an exhibition game against the University of Alberta on November 22, then the Toreros play a Thanksgiving weekend series with the U.S. Air Force Academy on November 27th and Northern Arizona University on the 29th. December opens with a road trip to NIT participant UC Irvine on the 2nd. USD is home for two contests with St. Thomas College and Doane College on December 5th and 6th. On December 9th USD will take on cross-town rival San Diego State (NIT) in the San Diego Sports Arena.

The Toreros take a week off for finals and then travel to Cal State Long Beach for a game on the 18th of December. USD comes home for a December 21st contest against Texas Tech, then travels to San Jose State on December 22 to play the Spartans, and then close out December at the Big Blue Classic (Utah State [host], T.C.U., Idaho State and USD) on the 28th and 29th.

The non-conference schedule ends with Oklahoma Christian (USD, Jan. 4), University of Nevada, Reno (Reno, Jan. 6), and the University of Denver (USD, Jan. 13).

West Coast Athletic Conference action will be more fierce than ever with Pepperdine the clear favorite and everyone else right behind. Pepperdine returns four starters from last year's WAC Champion and NCAA Regional participant team and look like the best bet for this year's crown. Gonzaga, Loyola/Marymount, Portland, St. Mary's, USD and Santa Clara have all greatly improved their teams with increased experience and fine recruiting.

PERSONAL AWARD:

November 5th, 1982 marked the day that University of San Diego Head Basketball Coach Jim Brovelli joined such greats as Bill Russell and K.C. Jones as he was inducted into the University of San Francisco Hall of Fame. The ceremony took place at the Father Flynn Hall of Fame Banquet in San Francisco. Brovelli played guard for the Dons from 1960-64 where he was instrumental in leading USF to two West Coast Conference Titles in 1963 and 1964.

TOREROS DRAFTED IN NBA:

In Brovelli's eight years of coaching at the University of San Diego, he has coached players that were drafted into the NBA such as Ken Smith (Golden State Warriors), Stan Washington (Washington Bullets), Buzz Harnett (Golden State Warriors), Bob Bartholomew (San Antonio Spurs) and Ron Cole who opted to play with the Harlem Globe Trotters.

CONSISTENT IMPROVEMENT:

In their three years as a member of the West Coast Athletic Conference, the Toreros have improved their overall and WCAC record in each of the years. The 1981-82 season saw the Toreros lead all WCAC teams in team defense giving up just 61.6 points per game in 26 games and 64.8 points per game in 14 conference games. Besides improving their team records, growth in the program has been evident in the athletes that USD has recruited to the school, including six WCAC All-Academic team members last year.

FUTURE SCHEDULE:

This year the Toreros will play in the prestigious Big Blue Classic with opponents Utah State, Texas Christian and Idaho State. Future tournaments include the Wolfpack Classic in 1983-84, the SMU Tourney and Casaba Classic in 1984-85, and the Hardin-Simmons Tourney in 1985.
WCAC Honorable Mention 1981-82

**WCAC HISTORY**

A rich tradition has been established by the West Coast Athletic Conference since its inception in 1952. Throughout the years the WCAC has been recognized nationally as one of the top basketball conferences, sending several teams to post season tournaments each year, and having the national champion two years in USF (1955, 56). The Conference also has contributed many top players into the PRO ranks such as Bill Russell (USF), Ken Sears (SCU), K.C. Jones (USF), Tim Meschery (SMC), Ollie Johnson (USF), Joe Ellis (USF), Dennis Awtrey (SCU), John Gianelli (UOP), Phil Smith (USF), Kevin Restani (USF), Dennis Johnson (PU), Marlon Redmond (USF), Bill Cartwright (USF) and Quintin Dailey (USF).

Although the Conference is most noted for its basketball programs, the WCAC also crowns champions in cross country, golf, soccer, and tennis. In baseball the WCAC merged with the PCAA in 1977, creating the Southern California and Northern California Baseball Associations.

Today the West Coast Athletic Conference has expanded from its original five members (San Francisco, Santa Clara, St. Mary's, San Jose State and Pacific) to the present eight including San Francisco, Santa Clara, St. Mary's, Gonzaga, Loyola Marymount, Pepperdine, Portland and the University of San Diego.
