1988 OUTLOOK

BEST SQUAD SINCE '82?

David Stewart

The 1988 University of San Diego Men's Tennis Team should look a lot like the 1987 USD team — with two notable exceptions.

Jim McNamee, who played #1 for 4 years, graduated last spring, and Curtis Dadian, MVP on the '86 team, will return after sitting out last season with mononucleosis.

Everyone else is back from last year's nationally ranked (#24) team. "And the group has improved measurably over the summer," said 10th-year coach Ed Collins.

Most improved since last season has been Scott Patridge, a senior from La Jolla, Calif., who last year

had the team's best singles record, playing mostly at #3. Scott finished the season with an ITCA/Head ranking of #78, then continued winning on the USTA Satellite Circuit, notching victories over Joe DeFore, Woody Hunt, Phillip Johnson, Greg Failla, Joey Blake and Steve De Vries.

Challenging Scott for the vacant #1 position is junior Dave Stewart. The Saratoga, Calif. native played the tough NorCal men's circuit last summer, winning four tournaments. Also back are senior Chris Smith (Victoria, B.C.) 26-11 at #4 in '87; Dan Mattered (Lomita, Calif.) 28-12 at #5-6 in '87; and J.R. Edwards (Denver, Colo.) 27-11 at #5-6 in '87.

Competition for the top six will be tougher than ever. "We have great depth this year," said Collins. "We'll always put 6 very good players on the court."

Looking especially good at the time of this writing are Mark Farren, a junior from Saratoga, Calif., who redshirted in '87; Rick Matheson (Caldwell, Idaho), #7 in '86, redshirt in '87 and Tim Bubnack (Rancho Santa Fe, Calif.), a sophomore transfer from the U. of Oklahoma, where he played #5 singles and #1 doubles.

Collins' main reason for optimism is that his top 2 doubles teams are back. Stewart/Patridge were 27-9 at #1, ranked #51 nationally and Smith/Mattered were 24-8 at #3.

The challenge of '88 Torero tennis will be to duplicate or improve on 1987, when USD defeated Stanford and Pepperdine and earned its first national ranking since 1982. The opportunities will be there as the USD squad will take on UCLA, USC, Cal Berkeley, Pepperdine and Stanford, in addition to playing in the San Diego Intercollegiate, the Corpus Christi Intercollegiate and the West Coast Athletic Conference Championships.

'87 WCAC CHAMPIONSHIPS

In the final tournament of his college career, senior Jim McNamee led the Toreros to a second-place finish at the 1987 West Coast Athletic Conference Championships, held at Santa Clara University April 24-26.

McNamee made it to the finals before losing to Pepperdine's Andrew Sznajdjer, the No. 1 seed. Along the way he defeated Portland's Bruce Sylva, USF's David Lam, Pepperdine's Grant Saacks and Robbie Weiss.

Also playing well to reach the finals was the doubles team of Scott Patridge and Dave Stewart. Together they bested the No. 2 teams from Santa Clara as well as the No. 2 team from Pepperdine, before losing to Pepperdine's Sznajdjer and Weiss.

Another highlight of the 3-day tournament was the performance of freshman J.R. Edwards who won 3 matches before losing in the semis to Sznajdjer. Portland's Greg Acuna, and Pepperdine's David Wells Roth and David Klembith fell to Edwards.

Final Team Standings were Pepperdine 93, USD 75, St. Mary's 35, Santa Clara 32, Portland 27, Loyola Marymount 22, USF 17 and Gonzaga 3.

UNIVERSITY PROFILE

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcalá Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego — conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 3400, graduate students bring the overall campus enrollment to 5400.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

In January of 1987, USD opened the doors to its new University Center, a 74,500 square foot building for students, faculty and staff. The two-level Center is the largest building on campus. It is the seventh major project completed at USD during the past eight years. It's a place for people to meet for leisure and fun, a place for extracurricular activities.

Recreation, intramural and athletic activities are expanding rapidly. Among the many recreation and intramural programs offered, some of the favorites include: Mission Bay Aquatic Center activities (water skiing, surfing, sailing, crew), modern dance, aerobics, bowling, karate, backpacking, softball, floor hockey, volleyball and tennis.

USD intercollegiate sports for men include football, soccer, cross country, basketball, baseball, crew, golf and tennis. In women's intercollegiate sports, USD fields programs in volleyball, cross country, swimming, basketball, softball, crew and tennis.

1987 REVIEW

USD POSTS 24-9 RECORD; 2nd AT WCAC

The 1986-87 Torero netters enjoyed their best year since '82. The team posted a 24-9 record, earned a national ranking (#24) and there were many highlights.

In the Fall San Diego All-College Tournament, senior Jim McNamee defeated teammate David Stewart to win the singles title. With partner Scott Patridge, Stewart evened the score by winning the doubles, besting McNamee and J.R. Edwards.

At the ITCA/Volvo Collegiate Chps., Patridge won 6 rounds before losing to Pepperdine's Craig Johnson. The spring dual-match season started slowly for the Toreros. A couple shaky performances had coach Collins wondering what was in store for his young team that had a sophomore and 2 freshmen in the top 6.

A 6-3 upset win over '86 NCAA Champ Stanford was just the inspiration the team needed.

At the UCI/Marriott Tournament USD defeated Washington, Wichita State and Indiana before losing to Fresno State 5-4, finishing 3rd of 16 teams.

At home the Toreros won the 1st Annual USD Team Invitational, beating Dartmouth, Iowa and Nebraska. For going undefeated, Patridge was selected Tournament MVP.

USD won 3 of 6 Divisions and finished a best-ever second at the 16-Team San Diego Intercollegiates. Patridge defeated Long Beach's Vince Horcasitas to win the #3-4 Division and Dan Mattera won the #5-6 Division by beating Drew Denny, also of Long Beach St. The #3 team of Mattera and Chris Smith won the #3 doubles, beating LBSU's Failla and Moravec.

The Toreros pulled off its 2nd big win of '87 by edging Pepperdine 5-4. Singles winners were Patridge over Sznajdjer, McNamee over Weiss, and Mattera over Klemmbith. The key doubles win came when Stewart/Patridge defeated Sznajdjer/Laurendeau.

USD defended its unofficial title as San Diego College Champ by beating UCSD, USIU and SDSU twice (the second was Coach Collins' 200th USD victory).

At the WCAC Championships, which were won by Pepperdine, senior Jim McNamee capped a successful college career by reaching the finals, where he lost to Andrew Sznajdjer, Pepperdine's #1 player. Also losing in the final was the team of Patridge and Stewart.

Junior Scott Patridge led the team in overall W/L %; he was 30-9 in singles, 27-9 in doubles, finished #78 in the ITCA/Head Nat'l. Rankings. Other special award winners at the year-end banquet were: Patridge and Stewart, for Best Doubles Team (27-9 at #1, #51 ITCA); Jim McNamee, for #1 player (his 4th year) and team captain; Dave Stewart, for Most Inspirational (voted by his teammates); Dan Mattera, for Most Improved; and Chris Smith, for Sportsmanship (his 3rd consecutive year).

A WINNING TRADITION

TENNIS AT USD

USD is proud of its men's tennis program. Twice the team won NCAA Division II titles. In 1979 the team finished second and in 1980 the program moved up to Division I.

This winning tradition was started by Andrew Rae, a native of Melbourne, Australia, who won NCAA Division II singles and doubles titles in '74 and '75. In 1978 USD's Rick Goldberg and Par Svensson won the NCAA II Doubles Championship.

From 1980 through 1982 the netters were regularly ranked among the nation's top 20 Division I teams. In '80 and '81 the Toreros won Ojai team titles. During that time the team was led by Scott Lipton (San Jose, CA, '80 NCAA Div. I All-American), Terry Ward (St. Louis, MO, '81 WCAC Singles Champ and '81 Ojai Champ) and Peter Herrmann (San Diego, holder of USD's record for most wins, '82 Ojai Champ).

The Toreros were back in the national rankings last year, on the strength of their solid 23-9 record and dual match wins over Stanford and Pepperdine.

USD annually competes at the nation's highest level of intercollegiate play. The '87 Torero schedule includes a number of the top-ranked teams and several very challenging tournaments. The Corpus Christi College Team Chps. is second only to the NCAA's. The Toreros also will play in the San Diego Intercollegiates and the West Coast Athletic Conference Chps. (WCAC); of which USD is a member.

The Fall semester tennis schedule is just as busy as the Spring. USD annually hosts the San Diego All-College Tournament. They participate in several local open events, as well as the Volvo Tennis Collegiate Chps. at UCLA and the Rolex/ITCA Southern Cal Chps. at UC Irvine.

The Toreros practice and play at USD's West Courts, an 8-court facility located in a park-like setting on the west end of campus. The setting, courts and the cool ocean breeze create a perfect tennis environment.
