1987-88 Basketball Media Guide
A Message From President Hughes

The men's basketball program is integral to the University's athletic endeavors, just as the athletic program is integral to our view of education — which is that education should develop the whole person.

This program moved from NCAA Division II to Division I eight years ago, and each year has seen increasing strength and competitive capabilities in the USD team. The University is proud of the team's accomplishments, and pleased to support the program in every way possible, including scholarship aid to our athletes, recognition of the values of the program, and promotion of intercollegiate athletics. I believe our USD team will be receiving some national attention this year, and I look forward to watching the season's events unfold.

ATHLETIC STAFF

Rev. Patrick Cahill, C.S.V., Athletic Director

Father Patrick Cahill, a member of the Viatorian Fathers and Brothers, came to the University in 1979 with the responsibility of administering the expanding men and women's athletic programs.

Since Father Cahill took over, USD has added men's cross country and soccer, plus women's cross country and softball to its intercollegiate program. In 1979, men's baseball, basketball, golf, soccer, cross country and tennis moved to the NCAA Division I ranks and joined the West Coast Athletic Conference. By 1985, all the women's teams had become Division I programs and also joined the West Coast Athletic Conference. Men's football at USD remains an NCAA Division III participant. The school also supports an intercollegiate crew program for men and women.

Father Cahill has brought to the University his integrity, leadership, and devotion to the job; he has given to the staff and student athletes at USD an added meaning to the word "friend."

Father Cahill has a B.A. from St. Ambrose College in Davenport, Iowa, and a M.S. in Education with a Physical Education major from Eastern Illinois University. Prior to USD, he served St. Viator High School in Arlington Heights, Illinois, for sixteen years, fourteen as Athletic Director and two as its President/Principal.

Carolyn Greer, Head Athletic Trainer

Carolyn Greer, M.A., A.T.C., in her tenth year at USD, has the distinction of being one of the few female Head Trainers at the NCAA Division I level. Recognized as a superb trainer, Carolyn is often asked to speak to professional groups and has published articles in professional journals. She is currently teaching sports medicine at USD. Carolyn has passed on her knowledge and experience to a number of student interns who have had the fortune of working under her tutelage.

In 1985, Carolyn served as an Athletic Trainer for the L.A.O.O.C. at the Summer Games and was responsible for men's and women's gymnastic competition. The subject of many newspaper articles, she has also appeared on TV's P.M. Magazine and the Independent Television children's show Way To Go.

Carolyn has received both her M.A. and B.A. degrees from San Diego State University. Carolyn and her husband Jeff have one son, David.

Ted Gosen, Sports Information Director

Dic Doumanian; Assistant Sports Information Director

Ted Gosen enters his sixth year as the University of San Diego's Director of Sports Information, handling the publicity for the USD Athletic Department.

In 1981 Ted received his Master's of Science degree in Human Resources/Sports Administration from Biscayne College in Miami, Florida. In his five years at USD, Ted has gained athletic department experience in advertising, ticket sales, promotions, sports information and game day operations.

A 1979 graduate of San Jose State University, Ted received his Bachelor of Science degree in Business Administration. Ted and his wife Terri have one daughter, Katie.

Dic Doumanian begins his third year as Assistant S.I.D.

A 1962 graduate of Michigan State University with a Bachelor of Arts degree in Journalism, Dic worked as the sports editor of The Milford Times, a weekly newspaper in Milford, Michigan for two years before moving to San Diego in January of 1985.

Among Dic's duties in the Sports Information office will be working with the women's athletic programs, as well as men's soccer, cross country and golf, and assisting the SID with football and men's basketball.
Head Coach Hank Egan begins his 17th season as a Division I head coach this year and his 4th year at the helm of the University of San Diego program. Last year Coach Egan guided the Toreros to the first round of the NCAA Tournament. With a tough 62-61 loss to Auburn University in post-season play, the USD men’s basketball team completed its most successful season ever. Along the way, USD won 14 consecutive games and won the regular-season West Coast Athletic Conference Championship with a 13-1 record. His peers from the WCAC voted him the 1986-87 Coach of the Year. In 1985-86 he guided the Toreros to a fine record of 19-9 and was named Co-Coach of the Year in the WCAC, sharing the honor with Pepperdine’s Jim Harrick. Hank has an impressive 3-year record of 59-26 with the Toreros and a 38-5 mark in the USD Sports Center.

A recognized expert in the technical aspects of the game, Hank has an impeccable reputation for integrity, and is a coach who “gets the most” out of his players. Acknowledged as one of the finest defensive coaches in the nation, good defense is a trademark with Egan-coached teams. Last year’s team finished #1 in the nation in field goal percentage defense (40.1%) and in the top-ten in scoring defense (60.3). His 1985-86 team finished 8th in the nation in field goal percentage defense, limiting opponents to 42.4% shooting.

Prior to USD, Hank coached at the United States Air Force Academy in Colorado Springs for eighteen years, thirteen as the head coach. Highlights of his coaching career include last season’s NCAA participant, his 1986-87 19-9 season, his 16-11 team in 1985 and a 16-9 season in 1976. After 16 seasons as a Division I head coach, Hank carries an overall record of 207-211 into the 1987-88 campaign.

As evidence of the high regard in which he is held by his colleagues and basketball people in general, Hank was the alternate coach to George Raveling (USC) for the United States Olympic Basketball team; he was a coach in the Olympic tryouts in Bloomington, Indiana, and also scouted South American Olympic teams in San Paulo, Brazil; he is a member of the Legislative Commission of the National Basketball Coaches Association of America; and, was one of only ten coaches chosen in 1984 by the NCAA to participate and represent the country’s coaches in a special meeting of Presidents, Athletic Directors, and Faculty Representatives called to study the strengthening of academic requirements for intercollegiate athletics.

Before becoming the second head coach in Air Force Basketball history, Egan was the freshman mentor for two seasons and was chief scout and recruiter during the 1970-71 season. From 1966 to 1968, he was an assistant junior varsity coach.

A three-time basketball letterman at Navy, he also played several seasons on Air Force service teams and has coached on both the military and AAU levels. Hank graduated from the Naval Academy in 1960 with a Bachelor of Science degree in Engineering.

His hobbies include golf, jogging, reading and crossword puzzles. Hank and his wife Judy have two children, John and Kelly.

Hank Egan
1986-87 W.C.A.C.
Coach of the Year
ASSISTANT COACH MIKE LEGARZA

Mike Legarza starts his fourth year as an assistant coach at the University of San Diego. In addition to his coaching duties with the big men, Mike is Recruiting Coordinator for the Torero basketball team.

In 1984 Mike gained valuable coaching experience under Boyd Grant of Fresno State as the Bulldogs went 25-10. During the 1982-83 season Mike was a graduate assistant at the University of Nevada-Reno under Sonny Allen.

As a 1983 graduate of Nevada-Reno, Mike received his Bachelor of Arts degree in Physical Education. Besides coaching, Mike played basketball at Nevada-Reno during the 1980-82 seasons.

An All-State guard at Menlo Junior College (Menlo, CA) his sophomore year, Mike led the state in free throw shooting (.93%) and was the team's MVP. Mike prepped at Reno HS where he was All-State in both football and basketball.

In the spring of 1987, Mike received his Master of Science degree in Educational Counseling. Recently married, Mike and his wife Kim reside in San Diego.

ASSISTANT COACH CHARLIE KATSIAFICAS

Charlie Katsiaficas begins his first year at USD as an assistant coach to Hank Egan. In addition to his coaching duties, he will assist Coach Egan with scouting.

Prior to USD, Charlie was the head basketball coach at Pomona-Pitzer College during the 1986-87 season. Coach "Kat," 27, comes to USD after compiling a 15-10 record last year at Pomona-Pitzer College. He served as an assistant varsity coach in 1985-86 when Pomona-Pitzer won the SCIAC championship, and as J.V. coach in 1984-85.

A 1983 graduate of Tufts University in Massachusetts, where he played three years on the varsity and was captain as a senior, Charlie also played and helped coach a professional basketball team in Sweden for one year before going to Pomona-Pitzer in 1984. Charlie is single and resides in San Diego.

ASSISTANT COACH GUS MAGEE

Gus Magee began his USD coaching career as a graduate assistant to Bernie Bickerstaff, while pursuing his Master’s Degree in Social Science. He then joined the USD basketball staff full-time in 1973.

Magee also completed his undergraduate degree at USD and was a top basketball player here after completing his tour of duty with the U.S. Air Force. Gus played under legendary Coach Phil Woolpert and holds most of the Toreros rebounding records including 948 career rebounds, most rebounds in a single game (24), most rebounds in a season (344), and the single season rebound average (14.4 rpg).

Gus was the first USD alumnus to be inducted into the University of San Diego Basketball Hall of Fame. Coach Magee takes great pride in being involved with USD basketball since 1966 and in helping it to grow from a small college program to its current status as a member of the NCAA Division I ranks and the West Coast Athletic Conference.

He is currently an Administrative Analyst with the San Diego Public Library System. Gus and his wife Faye have one son, Mark.
Expectations were running high at Alcala Park last fall when the 1986-87 basketball season got underway. People were predicting, and expecting, big things out of last year's men's basketball team — and the Toreros did not disappoint.

With a tough 62-61 loss to Auburn University in the first round of the NCAA Tournament, the USD men's basketball team completed its most successful season ever.

The Toreros finished the season with a 24-6 record, the best mark in school history. Along the way, USD won 14 consecutive games, won the regular-season West Coast Athletic Conference Championship and earned a trip to the NCAA Tournament for the second time in four years.

"All teams in the future will now be compared with this team because of how hard they worked and because of what they accomplished," stated Coach Hank Egan on his team's success. "It was an absolute pleasure to coach these people because they came closer to reaching their potential than any group I've ever had. They understood their strengths and weaknesses and they understood they had to work hard, that it wouldn't come easy," explained Egan. "They also understood that they had to work together. When it came to games, they were absolutely unselfish. The team's performance was the most important thing to them."

And perform well they did. Senior center Scott Thompson led USD in scoring and rebounding and was named the WCAC's Player of the Year. All four senior starters averaged in double figures in scoring for the season. Thompson finished at 15.9 points per game. Forwards Nils Madden and Mark Manor were next, averaging 11.1 ppg and 10.5 ppg respectively. Guard Paul Leonard scored 10.2 ppg and led the team in assists, handing out an average of 4.5 per game. Sophomore Danny Means, who paced USD against Auburn with 18 points, was the fifth member of the starting unit which began all 30 games last season.

But the five starters were by no means the only contributors to USD's success. Senior Steve Krallman was the team's sixth man, coming in to spell one of the front line players. Steve averaged 5.5 ppg and 3.4 rpg while shooting 80.4% from the free throw line. Fellow senior Eric Musselman, a four-year guard, played in 28 contests, as did junior Marty Munn.

As a team, USD led the nation in field goal percentage defense, limiting opponents to 40.1% shooting. Individually, Madden joined Thompson on the All-WCAC team, while Leonard and Manor earned honorable mention. Thompson, a three-time All-WCAC selection, finished his career third among the all-time leading scorers at USD with 1,379 career points. Three-year starter Nils Madden finished with a career shooting percentage of 57.0% (282X494).

The players were not the only ones receiving individual honors as Egan was named Coach of the Year in the WCAC for the second consecutive year. In his three seasons at USD, Egan has compiled a 59-26 record.

Additional highlights for the Toreros: Were 14-0 at home last season, running their win-streak to 17-straight at the USD Sports Center; Steve Krallman was named the WCAC Male Scholar Athlete of the Year (award covered all WCAC sports); Scott Thompson twice was named PSA-WCAC Player of the Week, and was named WCAC Player of the Month for February; Paul Leonard and Mark Manor each received the WCAC Player of the Week award once; Nils Madden and Scott Thompson were named to the Albertson's Classic All-Tournament team; Scott Thompson was named to the WCAC Post-Season All-Tournament team.
1987–1988
UNIVERSITY OF SAN DIEGO
BASKETBALL OUTLOOK

With all the success of his 1986-87 basketball team, what does the future hold for Head Coach Hank Egan and his 1987-88 squad?

"I'm looking forward to this season. There are going to be a lot of new challenges and a lot of new, different things to teach. We're not going to use this year to build for the next one. We're going to be getting after it at all times," stated head coach Hank Egan.

From Coach Egan's 1986-87 team that finished with a 24-6 record and a 13-1 WCAC mark, USD lost six seniors that contributed approximately two-thirds of the team's scoring. Gone are four of USD's starters: center Scott Thompson (15.9 ppg), forward Nils Madden (11.1 ppg), guard Paul Leonard (10.5 ppg) and forward Mark Manor (10.2 ppg). Also lost to graduation are seniors Steve Kralik (5.5 ppg) and Eric Musselman (1.2 ppg).

The lone returning starter for this season is junior guard Danny Means (8.0 ppg), who paced USD with 18 points in their heartbreaking 62-61 loss to Auburn in the first round of the NCAA's. Five other returning players who will be called upon by Coach Egan for increased playing time, either as starters or reserves, include senior forward Marty Munn (3.4 ppg), senior center Jim Pelton (2.8 ppg), junior guard Mike Haupt (0.9 ppg), sophomore guard Craig Cottrell (3.2 ppg) and sophomore forward Brian Anderson (1.5 ppg). Three redshirts from last season that will be starting their freshman eligibility include Dondi Bell, a 6-9 center; Bob Coady, a 6-4 guard; and Omar Parker, a 6-0 guard from Mercer Island, Washington.

Head Coach Hank Egan, who was named the West Coast Athletic Conference Coach of the Year this past season, will have five new recruits that he hopes will be able to make immediate contributions. Heading the list is JC transfer Efrem Leonard, a 6-1 guard from Mt. San Antonio Junior College in Pomona, California. Efrem, the younger brother of last season's point guard Paul Leonard, averaged 13.1 ppg at Mt. San Antonio. Four incoming freshmen with strong credentials include: John Sayers, a 6-7 forward who averaged 19.2 ppg at Bellarmine Prep in San Jose, California; Keith Colvin, a 6-6 forward from Chico High School, in Chico, California who averaged 17.0 ppg; Randy Thompson, a 6-6 swingman from Don Lugo High School in Chino, California who averaged 16.9 ppg; and Kelvin Means, a 6-9 guard from St. John Bosco High School in Bellflower, California who averaged 21.0 ppg. He is the younger brother of junior guard Danny Means.

Although the '87-88 team has eight new players on the roster, you can guarantee Coach Egan's squad will stay competitive with its defensive play. Good defense is a trademark with Egan-coached teams. His 1986-87 team finished first in the nation in field goal percentage defense, limiting opponents to 40.1% shooting.

The Toreros will open their '87-88 season with an exhibition with San Diego based Athletes-in-Action on November 6th. They'll open their nonconference schedule at Rice University on November 27th and their WCAC schedule on January 15th at Loyola Marymount University.

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

As home of the largest naval air station on the west coast, the Federal government ranks first in economic importance to the city with the aerospace equipment industry second. Tourism closely follows as third. Business and pleasure coexist in harmony in San Diego. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports and fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 50 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams — the Chargers in football, the Padres in baseball and the Sockers in soccer. Whatever sporting activity there is, it's here in San Diego — the sports capital of the U.S.A.

The University of San Diego is an independent, Catholic university located on a 170-acre mesa overlooking Mission Bay, San Diego Harbor, and the Pacific Ocean. The campus is named Alcala Park after the Spanish university town where St. Didacus (i.e., Diego) spent much of his time.

Complementing its splendid natural setting is the University's location just 10 minutes from downtown San Diego—conveniently close to the major business, cultural, residential, and recreational areas, as well as the rail, bus and air terminals.

Founded in 1949, USD is presently experiencing record attendance. Undergraduate enrollment stands at 3400, graduate students bring the overall campus enrollment to 5400.

The University includes a College of Arts and Sciences, and Schools of Business Administration, Education, Nursing, and Law. Each is characterized by high academic standards, small classes, and excellent student-faculty relations.

Though the majority of students come from the West Coast, every region of the United States is well-represented on campus. Students also attend USD from 24 foreign countries.

In January of 1987, USD opened the doors to its new University Center, a 74,500 square foot building for students, faculty and staff. The two-level Center is the largest building on campus. It is the seventh major project completed at USD during the past eight years. It's a place for people to meet for leisure and fun, a place for extracurricular activities. Recreation, intramural and athletic activities are expanding rapidly. Among the many recreation and intramural programs offered, some of the favorites include: Mission Bay Aquatic Center activities (water skiing, surfing, sailing, crew), modern dance, aerobics, bowling, karate, backpacking, softball, tennis, floor hockey and volleyball.

USD intercollegiate sports for men include football, soccer, cross country, basketball, baseball, crew, tennis and golf. In women's intercollegiate sports, USD fields programs in volleyball, cross country, swimming, basketball, softball, crew and tennis.

THE WEST COAST ATHLETIC CONFERENCE

The scent of tradition mingles with wafts of hot buttered popcorn in the basketball arenas of the West Coast Athletic Conference. Though the playing courts possess surnames of “Center” and “Pavilion,” they are really “gymnasiums.” While basketball’s game remains unchanged for seven years, the longest stint in league history.

THE SUCCESS OF MEMBERSHIP

In all, 15 different schools have held membership in the WCAC with eight of them winning the league champion at least once. Five current members have put in over 30 years in the conference, accounting for all but five titles. Charter members Santa Clara and St. Mary’s have won four conference titles with Pepperdine adding one title in both men’s and women’s basketball. The conference also sponsors championships in cross country, soccer, tennis, and golf for men.

THE TRADITION MAKERS

The conference, made up of eight private institutions spanning the West from Canada to Mexico, celebrates its 36th year of tradition in 1986-87. The current alignment—Santa Clara University, Loyola Marymount University, Pepperdine University, the University of Portland, St. Mary’s College, the University of San Diego, the University of San Francisco, and Santa Clara University—has remained unchanged for seven years, the longest stint in league history.

THE SISTERS OF STEPHENSON

This season is the third for WCAC women’s athletics, but the first with conference membership duplicating the men’s league. Gonzaga, Portland, and St. Mary’s all have upgraded their programs from NAIA to NCAA Division I level this season and will fight for league championships in volleyball, basketball, cross country, and tennis.

HOOPS AND MORE

Of course, basketball isn’t the only WCAC sport. Baseball is fast becoming another tradition maker, with Loyola Marymount advancing to the 1986 College World Series and Pepperdine reaching the national top five. Countless players have gone on to professional careers. The conference also sponsors championships in cross country, soccer, tennis, and golf for men.

TWIN SISTER

This season is the third for WCAC women’s athletics, but the first with conference membership duplicating the men’s league. Gonzaga, Portland, and St. Mary’s all have upgraded their programs from NAIA to NCAA Division I level this season and will fight for league championships in volleyball, basketball, cross country, and tennis.

NATIONAL CROWNS

Current WCAC members have won 11 NCAA teams championships. San Francisco has eight titles (5 in soccer, 2 in basketball, 1 in tennis), followed by Pepperdine with three (all in volleyball), and Gonzaga with one (boxing).

Gonzaga has three individual national champs (all in boxing), Pepperdine two (tennis), San Francisco two (fencing and tennis), and Loyola Marymount one (track). In addition, San Diego picked up a pair of Division II teams tennis crowns and four individual tennis titles in college tennis. The conference also sponsors championships in outdoor track while at that level, Portland captured their first national title in 1986, running away with the women’s NAIA cross country trophy. St. Mary’s brought home the 1986 women’s soccer championship.

THE CHAMPIONS OF 1986-87

Last season was a banner year for WCAC teams. The conference placed three teams in the women’s NCAA volleyball tournament (Loyola Marymount, Pepperdine, and US International), two in the men’s basketball field (Santa Clara and San Diego), and one in baseball (Pepperdine). The conference champions of 1986-87: Basketball—Pepperdine; Basketball—Santa Clara (men), San Francisco (women); Cross Country—Portland (men), UWU (women); Golf—Pepperdine; Soccer—San Francisco; Softball—USU; Tennis—Pepperdine (men), USU (women); Volleyball—Loyola Marymount.
