COASTAL RESILIENCE

Convened **9** coastal jurisdictions representing **100%** of the region's coastline via the Sea Level Rise Working Group

ENERGY EFFICIENCY

Connected **60+** professionals with energy efficiency and electric vehicle resources through Quarterly Meetings

ANNUAL REPORT 2018

29
**MEMBER
ORGANIZATIONS**

REPRESENTING >80% OF SAN DIEGO

CLIMATE-SMART WATER

Convened **70+** water practitioners and climate scientists at the *Climate & Water Summit*

KEY ACHIEVEMENTS

- Lead author of regional section for the Fourth California Climate Change Assessment
- Leveraged \$400,000 to support regional collaboration in preparing for climate change
- Launched new partnership with SANDAG, The San Diego Foundation and the Tijuana River Estuarine Research Reserve to conduct a Resilience Needs Assessment to identify regional priorities

PARTNERSHIPS FUELING THE REGION

*Our region is stronger when we work together.
Here's how our members are preparing San Diego for the future.*

SDG&E and **CalFire** are working closely to monitor and fight wildfires.

The Climate Collaborative found a new home at **USD's Nonprofit Institute**.

The Port of San Diego and the **Navy Region Southwest**, the two largest land managers around San Diego Bay, signed a Memorandum of Agreement to coordinate on sea level rise planning. This represents the first-of-its kind agreement between the U.S. Navy and a West Coast port.

The San Diego County Regional Airport Authority's new Parking Plaza has involved **150 small businesses** and will include innovative water recycling systems.

The City of San Diego is working with community groups like **San Diego County Bike Coalition** and **Circulate San Diego** to encourage alternative transportation.
