GOLF FACILITIES

The University of San Diego golf team is very fortunate to have several fine golf courses available for play and practice.

Stardust Country Club

The beautiful 27-hole layout is just blocks from the USD campus and is our home course. All 18-hole combinations offer about 6,600 yards with a rating of about 71.6.

Fairbanks Ranch Country Club

This difficult 7,200 yard course located in Rancho Santa Fe is truly an exceptional test of golf. It has a rating of 75.0 from the blue tees. Many lakes border fairways and the greens are very fast.

Eastlake Country Club

Located in the rolling hills of Otay Mesa, EastLake is a fine 6,600 yard course in the new EastLake community. The rating from the gold tees is 70.7.

Steele Canyon Golf Club

This Gary Player Signature 27-hole course lies in the hills of Jamul. A shotmaker's course, Steele Canyon requires accurate shots from the tees. The course has many changes in elevation. The various combinations of 18 holes have ratings of 72.2 to 74.0.

Singing Hills Country Club

Located in El Cajon, Singing Hills offers 36-holes of outstanding golf. The Willow Glen course is 6,600 yards while the Oak Glen course is 6,200. Recently reworked by architect Ted Robinson, the courses have ratings of 71.5 and 69.0, respectively.

Redhawk

Located in the Temecula hills, Redhawk was designed by Fred Bliss and Mark O'Meara. Tournament tees offer a course rating of 75.3 with 7,070 yards. A very long and difficult course, Redhawk has many waste bunkers and changes in elevation.

Bear Creek Golf Club

This Jack Nicklaus course in Murietta against the rolling countryside of Temecula Valley is long and requires exacting shots. From tournament tees the course plays 7,024 yards and features multilevel greens, deep pot bunkers and several lakes and streams. It has a rating of 75.4.

In addition to these fine courses, an on-campus area is available for medium and short iron practice.
