Formal transfer of the Department will be effective in the Fall of 1965.

DIRECTOR OF SCHOOL RELATIONS

A very successful counseling program was held at University High School on December 1. The College for Men's Division Chairmen assisted Fr. Eagen in organizing the program. Special appreciation must be expressed to the following faculty members who participated: Fr. William Shipley, Dr. Robert Miller, Mr. William Saleses, Dr. Donald Peterson, Dr. Curt Spanis, Fr. Charles Patron, Dr. Paul Theil, Fr. John Myhan, and Dr. Lee Gerlach.

U. S. D. NEWS SERVICE

This office is now in operation under the direction of Fr. Eagen with students Dan Wilson and John Kennedy assisting. The Vista staff is also working through this office located on the first floor. Faculty members are asked to give Fr. Eagen any information they desire to have released to the press.

GUIDANCE CENTER

Mrs. Corder, the receptionist-secretary of the Guidance Center, dislocated her right knee cap and will have the entire leg in a cast for three weeks. Her efficient control of the Center's process is very much in evidence during her absence.

* * * * *

Father Merikle has found that it is rather difficult to present any specific material for publication insofar as everything going on with the students, personal or not, develops in strict confidence. However, it can be noted that he feels the work at the center has been progressing at a deeper level this semester. It appears that the Guidance Center is truly established this year. The old misnomer of the center as "a head shrinker's office" seems no longer held by the student body. There appears to be more contact with the faculty than ever before. So it is hoped that everyone at the college continues use of the center to an ever increasing degree of freedom and growth for all involved.

FROM THE OFFICE OF DIRECTOR OF MUSIC

The Glee Club presents its first concert Monday, December 13th, at 8:00 p.m. in the Lark. Their Christmas carols will be augmented by the Twelve (?) Guitars singing "The Twelve Days of Christmas" and by soloists singing the famous melodies of "The Sound of Music". The faculty, their families and friends are cordially invited. The Glee Club also sings for the Alcala Guild at Valley Ho Thursday, December 9th, at 1:30, and for the U. S. D. Auxiliary Tuesday, December 14th, at 1:30, in the Mission Valley Inn. Fr. Sullivan is also preparing the choir and the congregation of St. Vincent de Paul's Church for the singing of the Solemn Midnight Mass of Christmas.

DEPARTMENTAL NOTES:

Business Administration Beginning in December, Dr. Robert Miller, Chairman of the Division, will write a series of articles for the San Diego Union. Dr. Miller has been invited to contribute the articles on a monthly basis. The subject matter will be along the general theme of economic analysis.

Three new courses will be offered in the revised curricula of the newly entitled Division of Economics and Business as of the next academic year: the Department of Economics will offer Mathematical Economics and Econometrics; the Department of Business Administration will offer Systems Analysis and Electronic Data Processing; the Department of Accounting will offer Analysis of Financial Statements.

Political Science Dr. A. Paul Theil will address a group of approximately 400 officers and men of the Army's Reserve Cavalry Squadron at the Armory on Sunday, December 12 at 3:30 p.m. The title of the address is the "Political Dilemma in Viet Nam". The subject matter examines the peripheral reasons for our commitment in the larger sense of international politics and the theory of "prestige response". The address is part of the Army Orientation Program. Along the same topical material, Dr. Theil addressed some 350 officers and men at the North Island Naval Base in October.
