This year Head Coach Kathy Marpe enters her eighteenth season at the helm of the USD women's basketball program. As she has done the previous 17 years, Marpe is stressing to this year's squad the importance of goals and learning from past experiences. Marpe wants her players to improve upon last year's misfortunes and have more desire this season to get back to the top of the West Coast Conference standings.

"Our goal is to build on the effort we put in last year and learn from the experiences to strive to make improvements and reach another level of success this season," says Marpe. "We want to continue to play a tenacious defense and keep our quick tempo offense. The key elements to winning games this year will be in how successful we are in forcing other teams to alter their style of basketball."

The Toreros will have a young lineup in '97-98 with a total of eight underclassmen and only three seniors. Last year's leading scorer senior Nailah Thompson and sophomore Susie Erpelding are the two main components of this year's team and are a prime example of blending youth with experience. Thompson, who is the most experienced returner, is a two-time All WCC Honorable Mention selection. Though Thompson will be out until January with a foot injury, she should be ready for conference play that begins January 9 at San Francisco. Erpelding, in her freshman season last year, was the only player to start in every game in '96-97. She was also the team's second leading scorer and WCC's leading freshman scorer (10.3 ppg).

The two other seniors on this year's squad are guard Pat Sencion and center Justine Tuhakaraina. Sencion was a pleasant surprise for the Toreros last year, entering the starting lineup for the final 12 games of the year and averaging 4.7 points per game. Sencion battled knee injuries through her first three seasons at USD. Tuhakaraina ranked second on the team in blocks and played in 23 games.

Bouncing back to rejoin the starting lineup this year will be junior Kari Ambrose, who was injured with stress fractures in both legs last year. Ambrose led the team at the point guard position two seasons ago and averaged 9.3 points and 3.2 assists per game. Another junior, forward Maggie Dixon has only missed one game over the past two years and averaged 3.4 points and 2.7 rebounds per game last season.

Three sophomores who saw plenty of action last year are Amanda Bishop, LaKia Alexander, and Jessica Gray. Gray was the only other player to play in all 27 games and was the team's third leading rebounder (4.9 rpg). Alexander missed just two games in her freshman season and scored in all but three games. Bishop entered the starting lineup last year after the injury to Ambrose and was one of the team's floor leaders. She ranked second on the team in free throw percentage (73%) and assists (43).

The Toreros lost six from last year's squad, but Coach Marpe feels she has two gems to step in immediately. Freshmen Jamie Lucia and Jennifer Tuiolosega should see plenty of action in their first years at USD. Tuiolosega was the Los Angeles Times-Orange County Player of the Year last season playing for Ocean View High and also selected to the Orange County Register's All County Team. Tuiolosega averaged 20.2 points (ranking her fifth in the county) and 4.5 assists per game while guiding Ocean View to a league title for the fourth straight year. Lucia led Roseburg High in scoring (12.0 ppg), rebounding (10.0 rpg) and blocks (2.0 bpg) during her junior year. She was an All Southern Oregon Conference selection for two years as well, but is bouncing back from a stress fracture in her ankle suffered during her senior campaign.

Marpe will look for her 200th win at the school and 300th win overall this season as the Toreros embark on another tough schedule. USD has 12 non-conference games including road games against Long Beach State, UCLA, and Denver. The Toreros home schedule includes their home opener versus Toledo (Nov. 21) as well as hosting Fairfield, San Jose State, Cal State Fullerton, Cal Poly San Luis Obispo, and Lehigh. The Toreros open (Jan. 9) and close (Feb. 21) conference play with San Francisco and face three teams back-to-back (Portland - Jan. 17 & 22, LMU - Jan. 31 & Feb. 6, St. Mary's - Feb. 11 & Feb. 14). The West Coast Conference Tournament returns to Santa Clara this season and runs February 26 - March 1.

*Susie Erpelding led all WCC freshman scorers last season and ranked 13th overall in the WCC.*

*Nailah Thompson was the Toreros leading scorer and WCC Honorable Mention selection in 96-97.*

### Head Coach:

Kathy Marpe (Minnesota '71; 18th season)

### Assistant Coaches:

Cheryl Getz (Cincinnati '82; 6th season), Lakeysha Wright (San Diego St. '96; 2nd season)

Front Row (l-r) — Nailah Thompson, Susie Erpelding, Kari Ambrose, Pat Sencion, Amanda Bishop, LaKia Alexander, Jennifer Tuiolosega.  
Back Row (l-r) — Asst. Coach Lakeysha Wright, Asst. Coach Cheryl Getz, Maggie Dixon, Justine Tuhakaraina, Jamie Lucia, Katie Trungale, Andrea Burns, Jessica Gray, Head Coach Kathy Marpe.

Kathy Marpe realizes basketball is a game of adjustments. As she embarks on her 18th season at USD and 25th season overall, Marpe continues to redefine her approach to the game. "As a coach, you have to let the players play because they are so much more talented than in the past. It used to be whenever our teams were on the break we would look to setup for the jump shot or power layup inside. Now the key is to be less controlling, to let the players create shots for themselves."

A veteran of the coaching profession for over two decades, Marpe has made changes to the Toreros program to utilize the team's speed and athleticism. The past few seasons USD has found success by playing a full-court game which has strengthened their defensive effort. This season, Marpe will implement a more balanced attack that combines the team's shooting ability from the outside with their strength from the inside.

## The WCC's "Dean"

As the "dean" of West Coast Conference coaches, Marpe knows the league better than anyone. Marpe is the active leader in victories with 198 at USD and ranks third amongst conference coaches in WCC wins. In 1993, Marpe was voted WCC Co-Coach of the Year by her peers after leading the Toreros to the WCC Postseason Tournament title and their only NCAA Tournament appearance. In 11 WCC seasons, Marpe has produced 12 All-WCC performers, 12 WCC All-Academic selections and has placed four players on the WCC All-Freshman teams.

## Prior To San Diego

Prior to arriving at USD, Marpe directed the University of New Mexico to seven seasons of success on and off the court. The Lobos were 51-30 in Marpe's last three seasons, having posted wins over two nationally-ranked teams in the same season. Playing in "The Pit", the UNM women drew over 1,000 a game with crowds reaching the 2,000-3,000 mark on occasion — attendance figures unheard of in the mid-70s. By the time she left the Albuquerque campus, Marpe had led the Lobos to consecutive finishes in the AP Top 20 and six AIAW Regional appearances in seven years.

## In the Beginning

Marpe broke into the coaching ranks at Spring Lake (MN) High School in 1971 after earning a Bachelor's degree in Physical Education at the University of Minnesota that same year. Along with heading women's basketball, Marpe was also the head coach for women's volleyball, softball and track. In three basketball seasons, her teams compiled a 53-1 record.

## Involvement

The Minnesota native strongly emphasizes community involvement and has stressed it to every team she has ever coached. Marpe feels that "It is very important to remember who you are and where you come from, and also to give back to the people around you or to those who aren't as fortunate."

Marpe also has served as a voting member of the AP Top 20 Poll, the Kodak All-American selection board and the Western Regional seeding committee. In 1990, she was a member of the gold medal-winning East coaching staff at the U.S. Olympic Festival.

Kathy's family is also involved in the program. Her father, Roland, serves as the team's administrative assistant while her mother, Genevieve, assists in the basketball office.

## **Cheryl Getz**

**Assistant Coach****Cincinnati, 1982****(6th season)**

Cheryl Getz enters her sixth season as chief assistant to USD Head Coach Kathy Marpe. Getz previously served as head coach at Eastern Michigan University for five seasons (1987-91) prior to her arrival at Alcalá Park.

Getz's numerous coaching assignments have taken her to all parts of the country. After two seasons as a graduate assistant at Central Michigan, she became the assistant at the University of Dayton (1984-86) before moving on to George Washington University (1986-87).

A native of Cleveland, Getz earned Cum Laude honors at the University of Cincinnati, where she received a Bachelor's degree in Physical Education in 1982. Getz was team captain for two seasons with the Lady Bearcats basketball team. She currently is working on her doctorate in Educational Leadership at USD.

## **Lakeysha Wright**

**Assistant Coach****San Diego State, 1996****(2nd season)**

Lakeysha Wright enters her second season as a member of the USD coaching staff. Wright joined the program after a five-year run with San Diego State; four years as a player and one as a student assistant coach.

Wright played with the Aztecs from 1991-95 and made a substantial impact. During her four year career, she helped lead SDSU to three NCAA Tournament appearances and back-to-back WAC titles. The Aztecs had a 87-31 record during her career. Wright ranks fourth all-time in San Diego State history in assists (358) and ninth in steals (153). She was named to the Western Athletic Conference All Defensive Team in 1995 and was an All-WAC Honorable Mention selection that same year. Also during her senior year she dished out 165 assists, a total that ranks seventh on the Aztecs' all-time single season assist chart.

Wright is a native of Patterson, New Jersey and has a bachelor's degree in physical education received from San Diego State in 1996.

## **Roland (Rollie) Marpe**

**Administrative Assistant****(11th season)**

Roland Marpe is in his eleventh season with the USD program. For four seasons (1987-91) "Rollie" served as a volunteer assistant coach to his daughter Kathy. Marpe joined the Toreros' staff upon retirement from his automotive sales business, which he operated for 35 years in his native Minnesota.

Prior to opening his Ford dealership, Rollie was a two-sport athlete at Louisiana Tech as part of the Navy's V-12 program. He served as a reserve center on the 1944-45 Bulldog basketball team that competed in the NAIA Tournament in Kansas City, MO and also played end on the Tech football team. He has been married to his wife, Genevieve, for 51 years.

### A History of Achievement

Since its inception in 1985-86, WCC Women's Basketball has done nothing but prosper. In the last six years, the league has sent ten teams to the NAAs and two to the NIT.

The West Coast Conference started in 1952 as the California Basketball Association and was formed by five Bay Area schools (San Francisco, Saint Mary's, Santa Clara, San Jose State, and Pacific). It remained as such for two seasons until expanding down to Southern California to include Loyola Marymount and Pepperdine and changed its name to the West Coast Athletic Conference in 1956. The league shortened its name in 1989 to become known as the West Coast Conference.

The current alliance includes eight private institutions that spans the western coast of the United States from Canada to Mexico (San Diego, Loyola Marymount, Pepperdine, San Francisco, Saint Mary's, Santa Clara, Gonzaga, and Portland). The institutions range from the pine forests of eastern Washington to the beaches of southern California. All have a common mission of combined excellence in academics and athletics that sets the conference apart on the national scene. The current alignment has remained unchanged since 1979, making the West Coast Conference the third most stable conference in the nation. Only the Pacific-10 Conference and the Ivy League have remained the same for a longer period.

The conference sponsors thirteen championships for women (basketball, crew, cross country, golf, soccer, tennis, and volleyball) and men (baseball, basketball, cross country, golf, soccer and tennis). Current WCC members have won 14 NCAA team championships. The University of San Francisco has won the most titles (7), followed by Pepperdine (5) and Santa Clara and Gonzaga have one apiece. San Diego owns a pair of Division II men's team tennis crowns ('74 & '75). The league owns six NCAA automatic playoff bids (women's and men's basketball, baseball, women's and men's soccer and volleyball).

## WCC Tournament History

The West Coast Conference Postseason Women's Basketball Tournament will be held for the seventh year, taking place in conjunction with the men's tournament, back on the campus of Santa Clara University. Every one of the eight member institutions will qualify for the tournament which runs February 26 through March 2, 1998.

Four different teams have won WCC Tournament titles including the University of San Diego in 1993. That season, USD was making its first tournament appearance and upset host Santa Clara, 64-57 in the Championship Game. The Toreros knocked off Pepperdine to reach the finals. San Francisco has won the last three tournament titles ('95-97) while Portland (1994) and Santa Clara (1992) also have claimed titles.

"eye of the beholder." Reverend Mother Rosalie Hill, one of the institutions founders, believed in the enhancement of learning through beauty and harmony. Hence for the University, beauty is a transcendental quality imparted to students as part of their education to truth and goodness: a simple but profound educational philosophy.

Since 1984, USD has completed nine major construction and expansion projects. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

### Academics

USD enrolls more than 6,600 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

### Student Life

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building

in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

### DID YOU KNOW

- The University of San Diego was selected by the John Templeton Foundation for its 1997-98 Honor Roll of Character-Building Colleges. The honor roll recognizes 135 four year accredited undergraduate institutions that emphasize character building an integral part of the college experience. Foundation officials made special mention of USD's "Ethics Across the Curriculum," a campus-wide initiative funded with a two-year, \$138,000 grant from the E.L. Wiegand Foundation. USD is one of eight California colleges and universities named to the honor roll.

### Setting

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcalá, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

### The Campus

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style. The physical beauty of the campus reaches beyond the

### Athletics

The football team just completed its fifth season in the Pioneer Football League. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won four conference championships; made 15 post-season appearances; had 12 Conference Coaches of the Year; 10 Conference Players of the Year, 10 Conference Freshman of the Year, three WCC Scholar Athletes of the Year and 17 NCAA All-Americans. This past year, Heidi Ambrose, a member of the women's basketball team, was selected the school's Valadictorian after achieving a perfect 4.0 g.p.a. in BioChemistry throughout her four years. She currently is attending medical school in Washington.

## *A Message From President Hayes...*

"As the president of the University of San Diego, this is my third Torero season. I am proud of the USD basketball team and pleased that the university supports the program in every way possible, including emphasis on scholarship assistance, academic excellence, and promotion of intercollegiate athletics.

Our student-athletes are winners on and off the court. They demonstrate the values that characterize a USD education - commitment, integrity, teamwork, discipline and respect for the dignity of all human beings. These are qualities that will help them throughout their lives.

I am looking forward to the coming season and hope that you will join me in supporting our team. It's an exciting schedule and promises to be a great year."

## JENNY CRAIG PAVILION

Sid and Jenny Craig are giving \$10 million to the University of San Diego, with \$7 million directed toward construction of the Jenny Craig Pavilion, a multi-use sports and activities facility that will be the home of USD's Toreros sports teams.

The pavilion, which will be located at the eastern end of campus between the football and baseball fields, will include a 5,100-seat gymnasium, administrative and coaching offices, classrooms, weight training and athletic training facilities, showers and locker rooms, concession stands, a VIP reception room and an entry plaza that will take advantage of the view across campus to the ocean. The USD Athletic Hall of Fame will also be housed in the facility.

"The Jenny Craig Pavilion is vital to the quality of life on campus," says Tom Iannacone, Director of Athletics. "It will have a positive and historical impact on many generations of students. It will also allow us to pursue championship venues for men's and women's basketball and women's volleyball."

Other benefits the administration and coaches anticipate are the opportunity to attract television coverage of games, and to host West Coast Conference tournaments, USD tournaments, and special games such as the Torero Tip Off, held the last few years at the San Diego Sports Arena.

*Artist's rendering of the Jenny Craig Pavilion*

Tom Iannacone is in his tenth year as Director of Athletics at the University of San Diego. He was named Director of Athletics on September 1, 1988 after holding the same position the previous four years at St. Francis College of Pennsylvania.

At USD, Iannacone directs an Athletic Department that includes 16 NCAA Division I intercollegiate varsity teams, eight men's and eight women's, plus intramurals and recreation.

In the last nine years behind his direction and leadership, Torero Athletics has enjoyed successes both on and off the playing field. His accomplishments at USD include an internal reorganization of the athletic department, plus improvements in the major areas of personnel, scholarship assistance, facilities, promotions and marketing, fund raising, drug education, academic support, and a university approved plan for scholarship support and sports sponsorship. In addition, he was instrumental in USD gaining membership to the Pioneer Football League, which began play in 1993. He is a member of the I-AA Athletic Directors Association Executive Committee; and is past Chairman of the West Coast Conference Athletics Directors Committee.

During Iannacone's tenure, facilities at the USD Sports Center, along with all athletic fields, have seen vast improvements. Improvements at the Sports Center include complete renovations of both the north and south wings that added offices for administrators and coaches; additional locker rooms for women's basketball, volleyball and women's soccer; an athletic department conference room; and an academic support room. Torero Stadium, where football and men's and women's soccer compete, was widened to accommodate soccer, and added a state-of-the-art lighting system and scoreboard. The Softball Complex has benefitted with a scoreboard, new dugouts and batting cages. Additionally, The Canyon Field received lighting for intercollegiate practices and intramural use. This fall the university will kickoff its Capital Campaign for the Jenny Craig Pavilion, a new 5,000 seat multi-purpose facility that will be home for USD basketball and volleyball, and benefit the entire university community.

On the playing fields, USD has sent nineteen teams to NCAA Tournaments since Iannacone's arrival in the Fall of 1988. Additionally, the school has captured five conference championships; nineteen NCAA All-Americans; fifteen CoSIDA/GTE Academic All-Americans; eleven conference Coaches of the Year; ten conference Players of the Year; and three West Coast Conference Scholar-Athletes of the Year. Since '88 the university has been the host site for NCAA Tournament events for women's volleyball, men's soccer and women's tennis.

Prior to USD, Iannacone built an impressive list of credentials at St. Francis College as Director of Athletics between 1984-87. His major contributions included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several committees, most notably the Eastern Collegiate Athletic Conference (ECAC) Infractions committee and the Northeast Conference committee on conference development.

He served as assistant Director of Athletics at Fordham University between 1977-84. Along with his administrative duties, he was assistant football coach for the Rams. Between 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The '77 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game. In 1983 he was presented the prestigious Jack Coffey Award by the Alumni Association for his outstanding contributions to Fordham athletics. He also served on various Metro Atlantic Athletic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and field, and football in Connecticut Public School Districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974. A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973.

Tom and his wife, Cynthia, have three children: Tom Jr., Jennifer and Eric. All three are graduates of the University of San Diego.

compliance coordinator for the entire USD athletic program. In addition, he is the department liaison to the University's Financial Aid Office.

Yourg received his Bachelor's (Sociology, 1980) and Master's (Social Work, 1986) degrees from the University of Wisconsin, where he was a nose guard on the Badgers' football team.

His primary responsibilities are with fund raising, and marketing and promotions for the athletic department.

# San Diego - A Perfect Place To Live

San Diego has been labeled as "America's Finest City" and backs up that statement with a perfect climate, famous arts and attractions, beautiful sites and competitive sports teams. San Diego's location makes it an ideal destination. It is bordered on the south by Mexico, on the west by the Pacific Ocean, and on the east by the mountains and the Anza-Borrego Desert State Park - one of the largest state parks in the United States. The city ranks seventh in the country, in terms of population, and rests just ninety miles south of the Los Angeles metro area. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy, and development.

It is hard to argue with the perfect climate San Diego offers. Temperatures range from 48 to 65 degrees in the winter to 64 to 76 degrees in the summer months. Because of the mild climate, the seventy miles of Pacific Ocean beach, the two sparkling bays, the several uplifting mountain ranges, and the breathtaking desert can be enjoyed year round.

There is also several things to do in San Diego. One can visit the world famous San Diego Zoo, Sea World, and the San Diego Wild Animal Park. One can also explore Old Town, where California began, or browse through museums in Balboa Park that feature exhibits ranging from fine art and natural history, to aircraft and sports

According to Sports Illustrated, "For sheer number of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel and wind surf on miles of public beach or golf at any of the over 80 golf courses throughout the county. There are also miles of scenic jogging, hiking and biking trails. Sports spectators can take in professional, collegiate and amateur sports events. NFL Football, Major League Baseball, minor league ice hockey, championship golf, including the Buick Invitational at Torrey Pines, and thoroughbred horse racing are among the many events to be enjoyed in San Diego. The ARCO Olympic Training Center in San Diego's South Bay area is the nation's first year-round multisport training facility for Olympic athletes. This year, on January 25th, 1998, the NFL Super Bowl will be played at San Diego's Qualcomm Stadium.

memorabilia. While in town, one can also venture to several venues that offer the arts such as the La Jolla Playhouse, the Civic Theatre and Humphrey's by the Bay.

Downtown San Diego is an exciting, constantly changing show-place of department stores, specialty shops, hotels, restaurants, galleries and theatres. One whole section has been restored to turn-of-the-century elegance, while several more blocks are filled with a multi-level center featuring more than one hundred fifty stores. Along the harbor, the waterfront theme village, Seaport Village, keeps growing. San Diego also offers bay cruises, water taxis, and popular ferry rides to Coronado where one can visit the famous Hotel del Coronado.
