GOLF FACILITIES

The University of San Diego golf team is very fortunate to have several fine golf courses available for play and practice.

DEL MAR COUNTRY CLUB

The lush, Joe Lee-designed Del Mar Country Club, located in Rancho Santa Fe, is one of Southern California's finest. The 6,950 yard course winds through the natural terrain of its canyon and valley locale. A stream winds its way through the course and its fairways are bent grass. Rating/Slope: 74.4/133

EastLake Country Club

Located in the rolling hills of Otay Mesa, EastLake Country Club is a fine 6,600 yard course in the new EastLake community. The Ted Robinson designed course has rolling fairways, excellent greens, several lakes and rock formations. Rating/slope: 70.0/116

Carmel Mountain Ranch Country Club

Carmel Mountain Ranch Country Club is a well manicured course with panoramic mountain and valley views, dramatic barrancas, running streams and natural boulder formations. There are elevated tees and no parallel fairways. Rated among the top 20 public golf courses in California. Rating/Slope: 72.9/136

Steele Canyon Golf Club

A Gary Player signature 27 hole layout in a quiet country setting. Each of the three nine's are different. The Canyon 9 offers dramatic elevation changes, while the Ranch 9 borders a working cattle ranch, and the Meadow 9 follows riparian streams and woodlands as it surrounds luxury estate home sites. Yardage 6622 to 6942. Rating: 72.2 to 74.0.

Shadowridge Country Club

The David Rainville designed 6854 yard course is located in the gentle hills of Vista. San Diego Magazine has called Shadowridge one of the best courses in San Diego County. Rating/Slope: 73.1/124.

Four Seasons Resort - Aviara

The challenging 7,007-yard layout winds through rolling valleys and overlooks the Batiquitos Lagoon wildlife preserve. Both Golf Digest and Golf Magazine have named the Arnold Palmer designed Aviara as one of the best new resort courses in the country. Rating/Slope: 74.9/141

The USD Golf Team also has playing privileges at the following fine JC Resorts courses:

Rancho Bernardo Inn, West Course

Designed by William Bell, with meandering streams that come into play on ten holes. Rating/Slope: 70.6/122

Mt. Woodson Country Club

A true "one of a kind" golf course. A target-style design that captures the rugged natural setting of the Ramona Valley. Rating/slope: 68.8/130

Twin Oaks Golf Course

A Ted Robinson design that is demanding but fair. Three signature water holes surrounding a protected wildlife habitat. Rating/Slope: 71.2/124.

Temecula Creek Inn

Nestled in the heart of the Southern California wine country, north of San Diego. A challenging 27 holes of championship golf. Rating/Slope: From 71.8/123 to 72.6/130.

Oaks North Golf Club

A 27-hole Ted Robinson executive layout. Excellent to develop a short game. Rating/Slope: 55.8/86 to 56.8/88.

In addition to these fine courses, an on-campus area is available for medium and short iron practice.

TOREROS IN THE COMMUNITY

USD head coach Frank Cates and his entire 1996-97 golf team reached out to the San Diego community this past October when they teamed up with the MetroGolf Harborside staff to help introduce the game of golf to students from the Riley Middle School.

USD student-athletes from the golf team donated their time to help introduce Riley Middle School students to the game of golf, encouraging them to reach out beyond their current limitations, experiencing a new activity and helping them to develop an enhanced sense of accomplishment and self-esteem.

Riley School, which is a district program serving students from all areas of the city, was established in 1991 with a

therapeutically-oriented environment for students from kindergarten to 9th grade

levels that have severe emotional and social disabilities. The goal of the program is to establish an intensive focus and specialized support that will allow the students to develop social skills and academic success.

MetroGolf Harborside, the premier golf practice facility in San Diego, donated the use of their facilities, clubs and all the balls the students could hit. The students, some who had never handled a golf club

before, had the time of their life that October afternoon, with the USD players dishing out plenty of encouragement and support.

TORERO DOUBLE EAGLE GOLF TOURNAMENT

"The Torero double Eagle golf tournament has provided the opportunity for USD alumni, faculty, trustees, as well as the San Diego Community at large to gather for a great day of fun, and at the same time raise money for a great cause - the USD golf program. The proceeds from the tournament has afforded the golf team the opportunity to travel the U.S. mainland, as well as Hawaii, competing in major Collegiate golf tournaments."
