This year marks the fifth season that Head Coach Lin Adams has been at the helm of the USD women's softball program. This year could also be one of the most challenging seasons for Coach Adams in her career. After losing six players from last year's team and five starters, Adams has brought in eight newcomers to fill some of the gaps and also add depth to this year's team.

"We have a talented group coming in," said Coach Adams. Despite our youthfulness, we aren't looking at this year as one of rebuilding because of the talent level of the incomers. I see us being very strong and I expect some of these freshmen to move into the starting lineup."

The Toreros '98 roster consists of only two seniors, but they are the heart and soul of the squad. Senior pitcher **Colleen Norman** (Sonoma, Ca.) won 13 games for the Toreros last year and led the pitching staff with a 2.68 ERA. Norman started 30 games with 21 complete games in '98 and also recorded four shutouts. Outfielder **Jeanne Beauchamp** (Sun Valley, Ca.) is the team's other senior and brings 153 career starts into the USD lineup. Beauchamp has started in every game she has played and has only missed seven games in her three-year career. Beauchamp batted .264 during her junior campaign along with recording 38 hits with 16 RBIs.

Two other full-time starters and two part-time starters from last year's team return to the '98 starting lineup. Sophomores **Shaunna Collo** (Encinitas, Ca.) and **Kylee Hobb** (Spring Valley, Ca.) saw significant action last season; Collo was the starting catcher for 57 games and Hobb started at first and in the outfield. Collo is the leading returning hitter for the Toreros, batting .381 last season with 31 RBIs. Collo also led the team in stolen bases (13 swipes in 15 attempts) and runs scored with 42. Hobb played in 57 games with 53 starts and ranked third on the team in batting with a .305 average. Hobb also knocked in 23 runs and had six doubles to rank second on the team.

Two players starting in half of USD's games last year were sophomore shortstop **Vanessa Leyvas** (El Centro, Ca.) and sophomore third basemen **Lindsay Little** (Oceanside, Ca.). Leyvas started in 34 games at shortstop while Little started in 36 games. Both players hit their first career home runs last season. Other returners include juniors **Kit Barmann** (Indianapolis, In.) and **Claire Patin** (Santa Ynez, Ca.), and sophomore **Michelle Morin** (San Carlos, Ca.). Injuries limited playing time for Barmann last year as she was used mostly as a defensive substitution and Morin was the backup catcher. Patin took 1997 off, but played 30 games in her freshman season.

The eight newcomers are all freshman except one in sophomore **Katy Carnes** (Colorado Springs, Co.). Carnes played for Regis University (NCAA Div. II) last year and batted .350. The incoming freshmen consists of three local products from the San Diego area, three other California products and a Washington native. **Trisha Tucker** (La Mesa, Ca.) was a Second Team All CIF member during her senior year and will play third this season for the Toreros. **Jade Quentin** (Chula Vista, Ca.) was an All CIF selection and also named to the Union Tribune's All Academic Team. Quentin will be the #2 pitcher in the Toreros rotation. **Erin Fleming** (Encinitas, Ca.) was an Academic Athlete honoree at La Costa Canyon High during her senior year and will spend time at second and in the outfield. Catcher **Donna Maggetti** (Laguna Hills, Ca.), outfielder **Brandi Sails** (Vallejo, Ca.), and pitcher **Wendi Whitmore** (Tacoma, Wa.) were All League selections during their senior years. Rounding out the newcomers is outfielder **Delayne Allison** (San Jose, Ca.) who was the Best Offensive Player at Presentation High last year.

The Toreros 1998 schedule consists of four tournaments and 22 other double-headers. USD will host the First Annual Torero Classic the weekend of March 6 and 7 with Point Loma, Western New Mexico and Loyola Marymount coming to town. The Toreros will also compete in the Redlands Tournament (Mar. 20-21), the UCSD Tournament (April 9-11) and the conference tournament, the Western Intercollegiate Softball League Championships (May 1-3) at St. Mary's College.

Colleen Norman led the team in wins and ERA in '97.

Shaunna Collo is the team's returning leading batter

LIN ADAMS, Head Coach**Fifth Season**

Lin Adams is in her fifth season at the helm of the USD softball program after taking over head coaching duties on Aug. 25, 1993. Adams guided last year's team to a 27-31 record and a third place finish in the Western Intercollegiate Softball League tournament. In her four year tenure, Adams has led the Toreros to two 25-win seasons and last year's 27 wins was the highest total in Adams' career at USD.

Adams' coaching career spans all three NCAA Divisions (I, II, III). She owns a career record of 190-201-1 with previous stints at Chico State and UC San Diego. Adams earned 1990 Coach of the Year honors in the Northern California Athletic Conference for Chico State. She inherited an 8-48 Wildcats team and generated 19 victories the following season. Adams' also was co-head coach at UC San Diego for two years leading the Tritons to a 67-19-1 record, two consecutive NCAA tournament appearances and a No. 2 ranking in Division III.

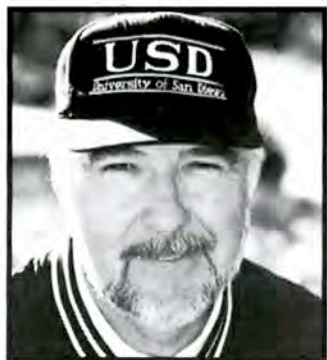

The San Antonio, Texas native obtained her bachelor's (1980) and master's degrees from Chico State. She also holds a doctorate in Educational Administration from the University of Texas.

JENNIFER MILO, Assistant Coach**First Season**

Jennifer Milo enters her fifth year with the USD Softball program, but first year as a coach. Milo graduated last year from USD as the best player ever to play at the university. Milo played in every inning and started in every game throughout her four year career and was honored by the softball team at the end of last season by having her #44 retired. Milo had a career batting average of .354 and led the team in batting in three out of her four years. Milo batted .402 during her senior season and also led the team in hits with 70, RBIs with 40, doubles with seven and total bases with 81. She was named to the WISL All Tourney team during her senior and sophomore years.

**BILL CORBETT**
Assistant Coach 2nd Season

Bill Corbett is in his second season with the Torero softball program as the pitching coach. Corbett spent 13 years coaching local travel teams and working with individuals in San Diego County. Eleven of his students have been named CIF Player of the Year and 23 have been recipients of student-athlete softball

scholarships to colleges and universities throughout the United States. Corbett also played fastpitch softball for 17 years.

Corbett graduated from Amherst College in 1960. He served as a Intelligence Specialist in the U.S. Army for four years in South Korea. Currently, Corbett is the Chief Litigation Investigator for the City of San Diego and has held that position for 24 years.

**STEVE COLLO**
Assistant Coach 1st Season

Steve Collo is in his first season with the Torero softball program. Collo was an Assistant Coach at La Costa Canyon High for two years as well as serving a two-year stint at San Dieguito High. He has also coached Under 18 and Under 16 club softball teams in the area. Collo is a former fastpitch softball

player, playing on various club teams in the Los Angeles and Orange County areas for twenty years. He also played at Cerritos College where he received a degree.

Collo has been the owner of two Postal Annex stores for the past five years. He is the father of three, including current Torero sophomore catcher, Shaunna.

"Student-athletes face unique challenges and time demands. Our academic support center has been designed to be proactive in helping them achieve their goals and maintain a high standard of academic achievement. Whether it be advising, tutoring, or just a quiet place to study, I encourage them to take advantage of all the resources that are available. I promote an interactive approach to learning and the establishment of a strong foundation early in their academic career. I believe that developing positive attitudes, habits, and behaviors during college will contribute to lifelong success both on and off the field."

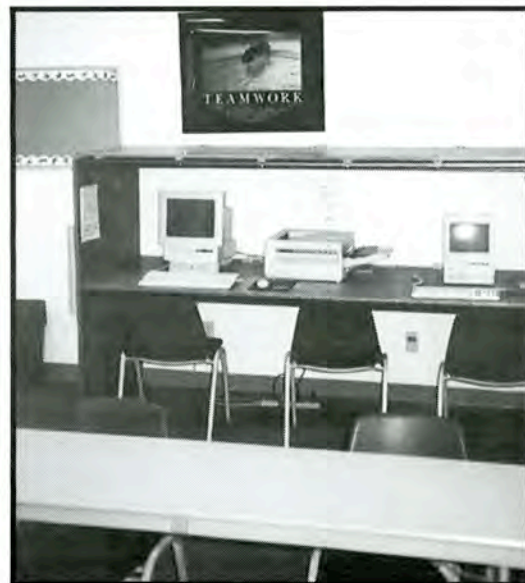

Sara Hickmann

Sara Hickmann is in her first year as Coordinator of Athletic Academic Support at the University of San Diego.

The USD Athletic Academic Support Program is designed to assist and motivate student-athletes in their journey and progress towards their academic goals, and ultimately graduation. The primary objective is to improve the student-athletes' study skills, support them in their academic work, and encourage scholastic achievement. It is essential that student-athletes receive the necessary academic assistance to continue normal progress toward a degree while participating in athletics.

USD student-athletes receive assistance through advising, progress reports, academic tutors, campus learning centers, such as the Logic, Math, and Writing Centers, and the Accelerated Study Program. The Accelerated Study Program provides a monitored, quiet area open only to the student-athletes to ensure quality study time. These services are available to all USD student-athletes.

ACADEMIC SUPPORT

STRENGTH & CONDITIONING

The USD strength and conditioning program is under the direction of Steve Brown who is in his third year. It has been designed to develop functional strength, speed, power and endurance. The development of these physical attributes is useless to the athletes unless it can be carried onto the playing field. Therefore, adhering to a properly designed program of strength training, conditioning and nutrition can enable our men and women to become the best possible athletes they can be, while simultaneously reducing the incidence of injury.

USD student-athletes receive intensive instruction on proper weight training technique; speed, power and agility development; and sport-specific conditioning. Their strength and conditioning programs are specific to the nature of their sport or position. Each athlete is individually monitored throughout their program to ensure the greatest chance of athletic progress.

Both coaches and student-athletes had very positive reviews from the first two seasons.

Steve was recently named as the 1998 National Strength and Conditioning Association Professional of the Year for the West Coast Conference.

"I look forward to training all USD student-athletes and hope to establish a new sense of pride and commitment to the strength and conditioning program. The area of strength and conditioning has become increasingly more scientific in recent years. I plan to utilize the latest research in this field to fully cultivate the athletic potential of our athletes."

beyond the "eye of the beholder." Reverend Mother Rosalie Hill, one of the institutions founders, believed in the enhancement of learning through beauty and harmony. Hence for the University, beauty is a transcendental quality imparted to students as part of their education to truth and goodness: a simple but profound educational philosophy.

Since 1984, USD has completed nine major construction and expansion projects. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

Academics

USD enrolls more than 6,600 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

Student Life

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

DID YOU KNOW

- The University of San Diego was selected by the John Templeton Foundation for its 1997-98 Honor Roll of Character-Building Colleges. The honor roll recognizes 135 four year accredited undergraduate institutions that emphasize character building an integral part of the college experience. Foundation officials made special mention of USD's "Ethics Across the Curriculum," a campus-wide initiative funded with a two-year, \$138,000 grant from the E.L. Wiegand Foundation. USD is one of eight California colleges and universities named to the honor roll.

Setting

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcala, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

The Campus

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style. The physical beauty of the campus reaches

Athletics

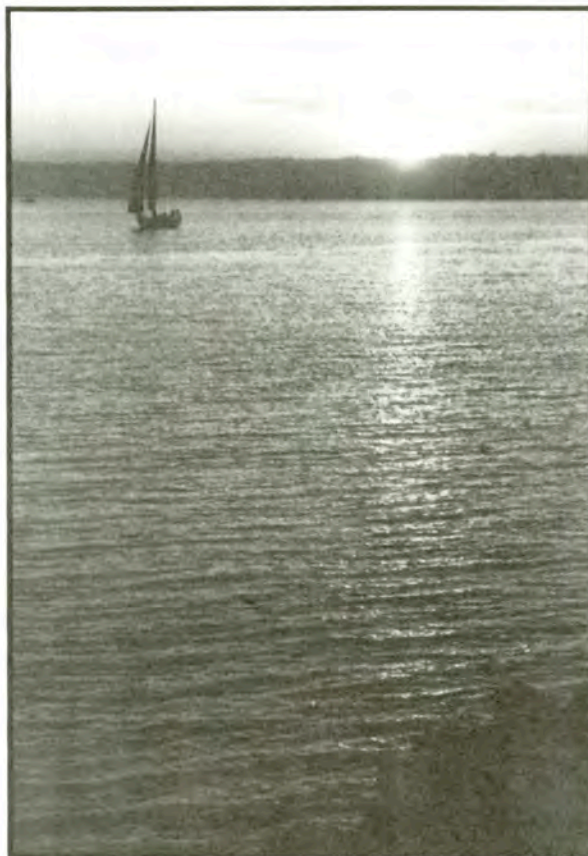

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team just completed its fifth season in the Pioneer Football League. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won five conference championships; made 16 post-season appearances; had 15 Conference Coaches of the Year; 11 Conference Players of the Year, 10 Conference Freshman of the Year, three WCC Scholar Athletes of the Year and 17 NCAA All-Americans. This past year, Heidi Ambrose, a member of the women's basketball team, was selected the school's Valadictorian after achieving a perfect 4.0 g.p.a. in BioChemistry throughout her four years. She currently is attending medical school in Washington.

San Diego - A Perfect Place To Live

San Diego has been labeled as "America's Finest City" and backs up that statement with a perfect climate, famous arts and attractions, beautiful sites and competitive sports teams. San Diego's location makes it an ideal destination. It is bordered on the south by Mexico, on the west by the Pacific Ocean, and on the east by the mountains and the Anza-Borrego Desert State Park - one of the largest state parks in the United States. The city ranks seventh in the country, in terms of population, and rests just ninety miles south of the Los Angeles metro area. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy, and development.

It is hard to argue with the perfect climate San Diego offers. Temperatures range from 48 to 65 degrees in the winter to 64 to 76 degrees in the summer months. Because of the mild climate, the seventy miles of Pacific Ocean beach, the two sparkling bays, the several uplifting mountain ranges, and the breathtaking desert can be enjoyed year round.

There is also several things to do in San Diego. One can visit the world famous San Diego Zoo, Sea World, and the San Diego Wild Animal Park. One can also explore Old Town, where California began, or browse through museums in Balboa Park that feature exhibits ranging from fine art and natural history, to aircraft and sports

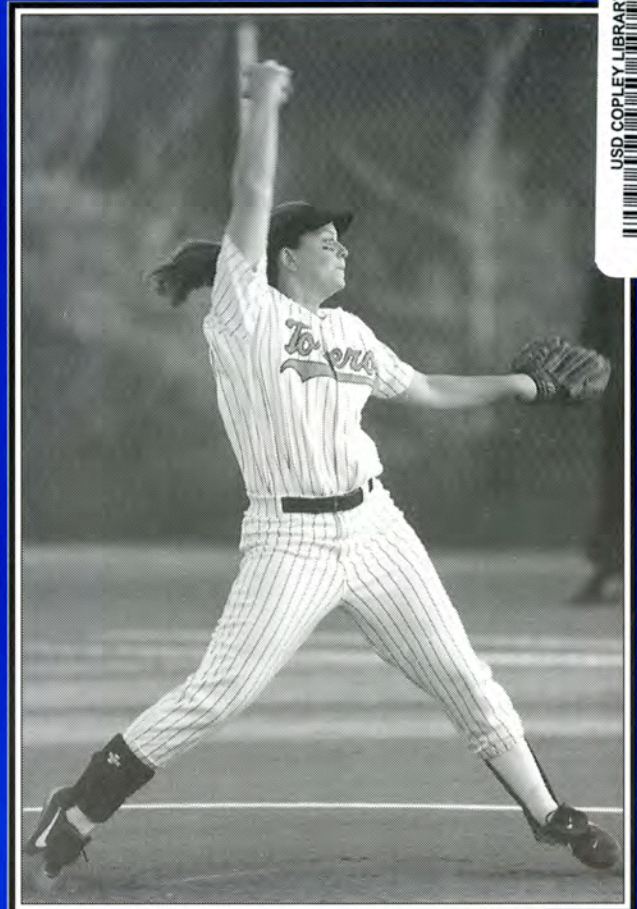

memorabilia. While in town, one can also venture to several venues that offer the arts such as the La Jolla Playhouse, the Civic Theatre and Humphrey's by the Bay.

Downtown San Diego is an exciting, constantly changing show-place of department stores, specialty shops, hotels, restaurants, galleries and theatres. One whole section has been restored to turn-of-the century elegance, while several more blocks are filled with a multi-level center featuring more than one hundred fifty stores. Along the harbor, the waterfront theme village, Seaport Village, keeps growing. San Diego also offers bay cruises, water taxis, and popular ferry rides to Coronado where one can visit the famous Hotel del Coronado.

According to Sports Illustrated, "For sheer number of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel and wind surf on miles of public beach or golf at any of the over 80 golf courses throughout the county. There are also miles of scenic jogging, hiking and biking trails. Sports spectators can take in professional, collegiate and amateur sports events. NFL Football, Major League Baseball, minor league ice hockey, championship golf, including the Buick Invitational at Torrey Pines, and thoroughbred horse racing are among the many events to be enjoyed in San Diego. The ARCO Olympic Training Center in San Diego's South Bay area is the nation's first year-round multisport training facility for Olympic athletes. This year, on January 25th, 1998, the NFL Super Bowl will be played at San Diego's Qualcomm Stadium.
