DEL MAR COUNTRY CLUB

"Home of the Toreros"

The lush, Joe Lee-designed Del Mar Country Club, located in Rancho Santa Fe, is one of Southern California's finest. It is the USD Toreros home course throughout the season. The 6,950 yard course winds through the natural terrain of its canyon and valley locale. A stream winds its way through the course and its fairways are bent grass. Rating/Slope: 74.4/133.

-- A view of 9th hole --

The University of San Diego golf team is very fortunate to have several fine golf courses available for play and practice throughout the school year.

Riverwalk Golf Club

Located in Mission Valley about six blocks from the USD campus, the completely redesigned Riverwalk, site of the former Stardust Country Club, has undulating fairways, well placed lakes, waterfalls and well protected bentgrass greens. Designer Ted Robinson provided a challenging 27 holes of golf in the heart of the city. Yardage: 6,383 to 6,627. Rating/Slope: 70.5 to 71.6/120 to 123.

Shadowridge Country Club

The David Rainville designed 6,854 yard course is located in the gentle hills of Vista. San Diego Magazine has called Shadowridge one of the best courses in San Diego County. Rating/Slope: 73.1/124.

Carmel Mountain Ranch Country Club

Carmel Mountain Ranch Country Club is a well manicured course with panoramic mountain and valley views, dramatic barrancas, running streams and natural boulder formations. There are elevated tees and no parallel fairways. Rated among the top 20 public golf courses in California. Rating/Slope: 72.9/136.

Steele Canyon Golf Club

A Gary Player signature 27 hole layout in a quiet country setting. Each of the three nine's are different. The Canyon 9 offers dramatic elevation changes, while the Ranch 9 borders a working cattle ranch, and the Meadow 9 follows riparian streams and woodlands as it surrounds luxury estate home sites. Yardage 6,622 yards to 6,942 yards. Rating: 72.2 to 74.0.

Four Seasons Resort - Aviara

The challenging 7,007-yard layout winds through rolling valleys and overlooks the Batiquitos Lagoon wildlife preserve. Both Golf Digest and Golf Magazine have named the Arnold Palmer designed Aviara as one of the best new resort courses in the country. Rating/Slope: 74.9/141.

EastLake Country Club

Located in the rolling hills of Otay Mesa, EastLake Country Club is a fine 6,600 yard course in the new EastLake community. The Ted Robinson designed course has rolling fairways, excellent greens, several lakes and rock formations. Rating/slope: 70.0/116.

The USD Golf Team also has playing privileges at the following fine JC Resorts courses:

Rancho Bernardo Inn, West Course

Designed by William Bell, with meandering streams that come into play on ten holes. Rating/Slope: 70.6/122.

Encinitas Ranch Golf Course

A few miles inland from the Pacific Ocean, but with ocean views from nearly every hole. Rating/Slope: 72.2/127.

Twin Oaks Golf Course

A Ted Robinson design that is demanding but fair. Three signature water holes surrounding a protected wildlife habitat. Rating/Slope: 71.2/124.

Temecula Creek Inn

Nestled in the heart of the Southern California wine country, north of San Diego. A challenging 27 holes of championship golf. Rating/Slope: From 71.8/123 to 72.6/130.

Oaks North Golf Club

A 27-hole Ted Robinson executive layout. Excellent to develop a short game. Rating/Slope: 55.8/86 to 56.8/88.

Frank Cates
Head Coach - 14th Year

The 1999-2000 University of San Diego Golf Team, under the direction of 14th year coach **Frank Cates**, returns seven players from last year's squad that won its own USD Invitational in March, placed second at two other tournaments (Point Loma Invitational & Grand Canyon Thunderbird Invitational), and finished ranked sixteenth in the West Region. This year's squad will be shooting for a spot in the 2000 NCAA Division I Regional Tournament to be held May 18-20 in Fresno, California at the Riverbend Golf Course.

Heading the list of returners is senior captain **Patrick Hawkins** (Dallas, TX), a two-time West Coast Conference First Team selection, and two-time WCC All-Academic Team pick. Last season he finished with a 74.47 stroke average for 31 rounds, and his season was highlighted by his first place finish at the 1999 USD Invitational. He also earned top-ten finishes with his 3rd place showing at the Falcon Invitational in September, and his 10th place finish at the Point Loma Invitational. Additionally, Patrick was chosen out of 375 USD student-athletes as the university's 1999 NCAA Outstanding Sportsman of the Year nominee. Two seasons ago he won medalist honors at the 1998 West Coast Conference Championship.

Returners expected to play key roles in spring tournaments include senior **Jeppe Nielsen** (Oslo, Norway), juniors **Ryan Hanratty** (Plano, Texas) and **Jason Gross** (San Clemente, California), and sophomore **Cullen Brasfield** (Reno, Nevada). Nielsen joins Hawkins as the only two seniors on this year's squad;

the Norwegian has worked hard on his game and is ready to make a move into more consistent rounds. Hanratty provides the team with outstanding consistency and is expected to be in every tournament line-up. This past fall he placed fourth at the Santa Clara Invitational, and last March tied for second at the USD Invitational. Gross returns for his second season after transferring into USD mid-year in 1999; he averaged 75.27 over his 11 rounds. He posted a top-ten finish at the Grand Canyon/Thunderbird Invitational where he placed 9th. Brasfield was USD's most consistent newcomer in 1999, and has played solid golf this season. This past fall he tied for 2nd at the Real Del Mar Classic in October; finished 6th at the Santa Clara Invitational; and tied for 2nd place in the Nevada State Amateur Championship in July.

Rounding out the returners will be sophomores **Berry Henson** (La Quinta, California) and **Andy Brisbois** (La Canada, California). Last spring Henson placed fourth in USD's Invitational, and backed that up with a 7th place finish at the Grand Canyon/Thunderbird Invitational.

Coach Cates brought in five freshmen this season for the Torero golf program. Early indications look promising -- **David Isaacson**, from North Oaks, Minnesota, is the state's two-time high school champion. He cracked the starting line-up twice during the recent fall schedule. Adding depth to the Torero line-up will be **Andrew Zimmerman** (Layton, Utah), a four-year MVP at Northridge High School; **Brad Sader** (Brea, California), a CIF Qualifier and Orange League individual champion from Brea Olinda High School; **Ryan Dwight** (Rancho Santa Margarita, California), a two-sport letterwinner at Santa Margarita Catholic High School, and **Daniel Brantestrom** (Galve, Sweden), who brings some international experience with him.

Junior Jason Gross

Junior Ryan Hanratty

The University of San Diego participates in NCAA Division I and is a member of the West Coast Conference (WCC). The conference championship will be played at Windsor Golf Club in Windsor, California on April 17-18.

The USD Invitational will be hosted by the Toreros at Shadowridge Country Club in Vista, California on March 20-21, 2000. Other spring tournaments include the 49er Collegiate Classic (Virginia Country Club in Long Beach, CA), the Pacific Coast Intercollegiate (La Purisima Golf Club in Lompoc, CA), the Kauai Collegiate Cup (Princeville Resort in Kauai, HI), the UC Irvine Anteater Invitational (Coto de Caza North Course in Coto de Caza, CA), and the Grand Canyon/Thunderbird Invitational (Palm Valley Golf Course in Phoenix, AZ).

Besides USD, the West Coast Conference (WCC) consists of: Gonzaga University (Spokane, WA), Loyola Marymount University (Los Angeles, CA), Pepperdine University (Malibu, CA), University of Portland (Portland, OR), Saint Mary's College (Moraga, CA), University of San Francisco (San Francisco, CA) and Santa Clara University (Santa Clara, CA). Pepperdine University will be defending the WCC Golf Championship in 2000.

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcala de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcala, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style. The physical beauty of the campus reaches beyond the "eye of the beholder." Reverend Mother Rosalie Hill, one of the insti-

tutions founders, believed in the enhancement of learning through beauty and harmony. Hence for the University, beauty is a transcendental quality imparted to students as part of their education to truth and goodness: a simple but profound educational philosophy.

Since 1984, USD has completed eleven major construction and expansion projects. A five-story parking garage was completed in 1998. The 5,000 seat Jenny Craig Pavilion, USD's new Sports/Activity Center, is due to open in the Fall of 2000; and this past October was the ground breaking ceremony for the Joan B. Kroc Peace Institute. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ACADEMICS

USD enrolls more than 6,800 students (3,900 undergraduate) who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in the activities.

DID YOU KNOW

• With a donation of \$7 million by Sid and Jenny Craig, USD received the lead gift necessary to proceed with planning its much needed \$17 million Sports/Activities Center. The pavilion, which will be located at the eastern end of campus between Torero Stadium and Cunningham Baseball Stadium, will include a 5,000-seat gymnasium, coaches offices, fitness center and athletic training facilities, showers and locker rooms, concession stand, and reception room. The Monsignor I.B. Eagen Plaza off the Pavilion entry, will take advantage of the view across campus to the ocean. The USD Athletic Hall of Fame will also be housed in the facility. Construction is underway with a scheduled opening slated for Fall 2000.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in sixteen intercollegiate sports on the NCAA Division I level. The football team completed its sixth season in the Pioneer Football League. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won seven conference championships; made 22 post-season appearances; had 19 Conference Coaches of the Year; 16 Conference Players of the Year, 11 Conference Freshman of the Year, three WCC Scholar Athletes of the Year and 21 NCAA All-Americans. Zuzana Lesenarova, a three-time NCAA All-American for women's tennis, already has won the first two legs of the Collegiate Grand Slam this fall (1999) with wins at the National Clay Courts and Riviera All-American. She enters the 1999 spring season ranked No. 1 in the nation for the second straight season. Patrick Hawkins, a senior on the men's golf team, was West Coast Conference champion in 1998 after winning medalist honors at Menifee Lakes Country Club.

San Diego - A Perfect Place To Live

San Diego has been labeled as "America's Finest City" and backs up that statement with a perfect climate, famous arts and attractions, beautiful sites and competitive sports teams. San Diego's location makes it an ideal destination. It is bordered on the south by Mexico, on the west by the Pacific Ocean, and on the east by the mountains and the Anza-Borrego Desert State Park - one of the largest state parks in the United States. The city ranks seventh in the country, in terms of population, and rests just ninety miles south of the Los Angeles metro area. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy, and development.

It is hard to argue with the perfect climate San Diego offers. Temperatures range from 48 to 65 degrees in the winter to 64 to 76 degrees in the summer months. Because of the mild climate, the seventy miles of Pacific Ocean beach, the two sparkling bays, the several uplifting mountain ranges, and the breathtaking desert can be enjoyed year round.

There is also several things to do in San Diego. One can visit the world famous San Diego Zoo, Sea World, and the San Diego Wild Animal Park. One can also explore Old Town, where California began, or browse through museums in Balboa Park that feature exhibits ranging from fine art and natural history, to aircraft and sports memorabilia. While in town, one can also venture to several venues that offer the arts such as the La Jolla Playhouse, the Civic Theatre and Humphrey's by the Bay.

According to Sports Illustrated, "For sheer number of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel and wind surf on miles of public beach or golf at any of the over 80 golf courses throughout the county. There are also miles of scenic jogging, hiking and biking trails. Sports spectators can take in professional, collegiate and amateur sports events. NFL Football, Major League Baseball, minor league ice hockey, championship golf, and thoroughbred horse racing are among the many events to be enjoyed in San Diego. The ARCO Olympic Training Center in San Diego's South Bay area is the nation's first year-round multisport training facility for Olympic athletes. In 1998, San Diego hosted Super Bowl XXXII and the World Series at Qualcomm Stadium. San Diego has long been a championship golf venue for the Buick Invitational, played every February at Torrey Pines GC in La Jolla, CA. Through 1998, La Costa Resort and Spa was the site for the Mercedes Championships, and this year will host The Andersen Consulting Match Play Championship in February.

Downtown San Diego is an exciting, constantly changing showplace of department stores, specialty shops, hotels, restaurants, galleries and theatres. One whole section has been restored to turn-of-the century elegance, while several more blocks are filled with a multi-level center featuring more than one hundred fifty stores. Along the harbor, the waterfront theme village, Seaport Village, keeps growing. San Diego also offers bay cruises, water taxis, and popular ferry rides to Coronado where one can visit the famous Hotel del Coronado.
