With a donation of $7 million by Sid and Jenny Craig, the University of San Diego received the lead gift necessary to proceed with planning its much needed $17.5 million Sports/Activities Center. The Jenny Craig Pavilion was officially dedicated and opened on October 5, 2000.

The pavilion, which is located at the eastern end of campus between Torero Stadium and Cunningham Baseball Field, includes a 5,100-seat gymnasium, coaches offices, fitness center and athletic training facilities, showers and locker rooms, concession stand, and reception room. The Monsignor L.B. Eagen Plaza off the Pavilion entry, takes advantage of the view across campus to the ocean. The USD Chet and Marguerite Pagni Family Athletic Hall of Fame and the Warren Hospitality Suite is also housed in the facility.

“The Jenny Craig Pavilion is vital to the quality of life on campus,” said Tom Iannacone, USD Director of Athletics. “It will have a positive and historical impact on many generations of students. It will also allow us to pursue championship venues for men’s and women’s basketball, and women’s volleyball.”

Other benefits the administration and coaches enjoy are the opportunities to attract television coverage of games, host concerts, USD tournaments and special games such as the Torero Tip-Off, held the last few years at the San Diego Sports Arena. February 28-March 4, the University of San Diego will host the 2002 West Coast Conference men’s and women’s basketball tournaments for the second consecutive year.

“The new Jenny Craig Pavilion allows the USD Basketball program to compete in one of the nation’s finest basketball facilities. The University of San Diego thanks Jenny Craig for her generous donation. The team and the coaching staff is grateful for the opportunity to play in such a fine facility,” said USD head basketball coach Kathy Marpe.

For more information regarding the Jenny Craig Pavilion please contact the Director of the Jenny Craig Pavilion, Carl Reed @ 619-260-7531.

The University of San Diego women's basketball team, under the direction of 22nd-year coach Kathy Marpe, enters the 2001-02 season with high aspirations.

The Toreros return three starters and nine letter-winners from last season's team that finished 10-16 overall and 5-9 in the WCC. Junior guard Kerri Nakamoto, the team's three-point specialist, highlights a talented group of Torero returnees. Nakamoto averaged 10.5 points a game last season and connected on a team-best 48 three pointers on her way to being selected Honorable Mention All-West Coast Conference. Senior Melissa Glazebrook, who will again lead the team at point guard, joins her in the backcourt. Glazebrook was named to the All-WCC Tournament team in 2000 and was instrumental in helping the Toreros' capture the conference championship and earn San Diego the WCC's automatic bid into the NCAA's two seasons ago.

Freshmen newcomers, guards Polly Dong and Brandi Collato, along with forward Cassidy Blaine, complete a recruiting class that Head Coach Kathy Marpe feels is going to make this year's team very competitive. "One thing that is really positive about this new season is the freshmen class," says Head Coach Kathy Marpe.

Junior Kerri Nakamoto
"I think they should really raise the competitive level of our practices."

The freshmen newcomers will complement the other key returning players that include junior forward Erin Malich, sophomore forward Melissa Padgett and sophomore post player Marta Menuez. Marpe is excited about the senior leadership provided by Glazebrook, Janeene Arendsen and Robyn Fortney as well. "We have a great point guard in Melissa Glazebrook," added Marpe. "With seniors Janeene Arendsen and Robyn Fortney bringing their competitive nature to practice everyday, we should have great senior leadership."

HEAD COACH KATHY MARPE...

Kathy Marpe is known as the "Dean" of the West Coast Conference. She enters her 29th season as a collegiate head coach and her 22nd season at San Diego, with two West Coast Conference Coach of the Year honors, 102 WCC wins and 339 career victories.

San Diego will have to overcome the loss of both starting post players, leading scorer Amber Jansen and leading shot blocker Jamie Lucia. Last season Jansen poured in 15.8 points per game and averaged 7.2 rebounds. However, the loss of Jansen and Lucia present opportunities for talented young post players, such as sophomores Marta Menuez and Melissa Padgett, along with junior Erin Malich.

With senior Melissa Glazebrook, an All-West Coast Tournament selection from 1999 returning at point guard, the Toreros are armed with veteran leadership in the backcourt. Glazebrook, who is one of the most feared defenders in the league, will share the backcourt with Nakamoto and Fortney. All three are legitimate threats from outside. Nakamoto shot 42% from three-point range last season and Fortney connected on 33% of her shots from behind the arc in 2000-01.

The Toreros play on the road throughout the month of November with trips to Colorado and New York, before opening their home schedule with five consecutive games in the Jenny Craig Pavilion. Following conference play, the University of San Diego will host the West Coast Conference Tournament in the Jenny Craig Pavilion for the second consecutive year.

In the two seasons that the Toreros advanced into the NCAA's, 1993 and 2000, San Diego won the conference tournament. The Toreros hope to accomplish that same feat on their home court in 2002.
Coach Marpe will begin her 29th year as a head coach and her 22nd season leading the University of San Diego women’s basketball program.

In her career Marpe has reached milestones aspiring coaches can only dream of; 339 career coaching victories, 102 West Coast Conference wins, two WCC coach of the year awards, two conference tournament championships and two NCAA Tournament teams. As a Torero, Marpe has coached 11 First Team All-West Coast Conference players, and more importantly, 30 of Marpe’s players have been honored as WCC Scholar Athletes.

The changes Marpe has witnessed in the game of women’s basketball with the skills and athleticism of today’s student athletes, is nothing short of staggering. Success through change permeates Marpe’s long and distinguished coaching career. Marpe’s fourteen winning seasons and coach of the year honors in 1993 and 1998 attest to her ability to flourish in a changing athletic environment. Marpe’s success comes as a result of embracing - not resisting change.

Marpe will once again embrace change in 2001-02, hoping to duplicate the Torero success of recent past. Her 1999-2000 team matched a school record of 17 overall wins featuring future professional players Susie Erpelding and Jessica Gray. The 1999-2000 Toreros ran through the WCC Tournament, beating the number one seeded Pepperdine Waves 68-51. San Diego was awarded the automatic bid into the NCAA Tournament, becoming the second San Diego team Marpe would lead into the big dance.

On February 3, 2001 Marpe became just the fourth coach in WCC history to reach 100 conference victories. By season’s end and now entering the 2001-02 campaign, Marpe now owns 102 WCC wins, ranking her third all-time in WCC career coaching victories. Marpe’s 339 overall career wins puts her in an elite class of about 60 NCAA coaches that have won over 300 games in a career.

As the “dean” of West Coast Conference coaches, Marpe has twice been honored as the conference’s coach of the year. She would win the award in 1998 after leading the 1997-98 Toreros to one of the largest single-season turnarounds in WCC history - an improvement of eight games. It would be the second time Marpe would receive the honor.

Career Record 28 seasons 339-388 102-118
New Mexico 7 seasons 87-63
San Diego 21 seasons 252-325

In 1993 San Diego bounced back from a 4-10 WCC record the year before to finish 8-6 and second in the conference standings. Not only was Marpe honored as Coach of the Year, but that team would earn a trip to the NCAA Tournament, the first in school history.

Marpe's distinguished coaching career began in Minnesota at Spring Lake High School in 1971. Along with the duties of coaching women's basketball, Marpe coached the volleyball and softball teams as well, totaling an impressive 53-1 record in the combined three sports.

The Minnesota native would find herself in New Mexico two years later, coaching the New Mexico Lobos. Under Marpe's guidance, the Lobos would accumulate a 51-30 record in her final three seasons. Playing in "The Pit," the UNM women drew over 1,000 a game with crowds reaching the 2,000-3,000 mark on occasion—attendance figures unheard of in the mid-70's. After leaving the Albuquerque campus after seven seasons, Marpe had led the Lobos to consecutive finishes in the Associated Press Top 20 and had made six AIAW Regional appearances in seven years.

Academic success and community involvement are values that Marpe encourages to student-athletes she coaches. Marpe feels that, "It is very important to remember who you are and where you come from, and also to give back to the people around you who are not so fortunate."

Recently Coach Marpe won a Gold Medal for basketball in the over-50 Senior Olympic Games, held in Baton Rouge, Louisiana. She has also been a member of the gold medal winning East Coaching staff at the U.S. Olympic Festival.
ERIK JOHNSON
4th Season Assistant

Erik Johnson begins his fourth season on San Diego's staff, bringing proven experience as a recruiter, motivator and enthusiastic teacher of the game. Erik serves as the defensive coordinator for the Toreros and coaches the wing players individually. Johnson shares the recruiting duties with Dawn Bake and plays a major role in practice planning and scouting.

In Johnson's second season at USD, he helped the Toreros win the West Coast Conference Tournament title and earn a birth into the 2000 NCAA Tournament.

Before joining the Torero staff, Johnson spent four seasons at the University of Rhode Island—the last two as a first assistant under Head Coach Linda Ziemke. In addition to managing the bulk of the recruiting duties for the Rams, Johnson's primary coaching responsibilities at URI included developing post players, shooting, defense and scouting.

A native of San Jose, CA, Johnson was a four-year letter-winner at UC San Diego, leading the Tritons to three NCAA Division III Tournament appearances including a Sweet-16. He served as captain and was the team's leading scorer as a senior completing his career as the all-time career and single-season three-point record holder.

Johnson holds a Bachelor's degree in Psychology from UC San Diego (1994) and completed his Master's Degree in Adult Education at the University of Rhode Island (1997). Johnson and wife Laura Davis, who was a member of the USA National Volleyball team for five years, currently reside in Mira Mesa.

DAWN BAKER
1st Season Assistant

Dawn Baker comes to Alcala Park as a first-year assistant under Torero Head Coach Kathy Marpe. No stranger to the West Coast Conference, Baker's playing and coaching career now includes three WCC schools.

Dawn coaches the Torero post players and assists Coach Marpe with the USD offense. Baker joins Erik Johnson to coordinate recruiting efforts and plays a major role in scouting and practice planning.

Baker was an All-WCC Player at the University of San Francisco in 1994 and was twice named the WCC Player of the Week during her two years as a Don.

From 1995-2000, Baker served as an assistant coach and was the recruiting coordinator at the University of Portland. She coached a Pilot team to an undefeated WCC record of 14-0 and an overall mark of 27-3 in 1997.

Most recently Baker served as the Head Coach of the Leipzig Eagles, a semi-pro team in Leipzig Germany. Under Baker's direction, the Eagles advanced into the country's Elite Eight, in the Pokal National Tournament. Baker took the Eagles from the third division level into division two, after just one season.

Baker was honored with the Charles L. Harney award given to the student-athlete with the highest GPA, graduating Magna Cum Laude from San Francisco in 1994.
SHELLEY SHEETZ
1st Season Assistant

Shelley Sheetz brings All-American honors and professional playing experience to the Torero staff as a first-year assistant under Head Coach Kathy Marpe.

Shelley coaches the USD point guards and plays a major role in recruiting, scouting and practice planning.

Playing college basketball at Colorado, Sheetz was named a Kodak All-American in 1995. In that same season, Sheetz guided the Buffalos to a 25 game winning-streak and her team would finish 14-0 in Big Eight Conference play. After Sheetz took Colorado to the Elite Eight for the second time in her college career, the conference would name her as the Female Athlete of the Year in 1995. Sheetz was a Naismith Award Finalist, given to the best college basketball player in the nation, and the state of Colorado would honor her as the Sports Woman of the Year in 1993 and 1995. When her career at Colorado finished, Sheetz would own the all-time record for three-point baskets made in Big Eight Conference history.

As a professional player, Sheetz first played in Wuppertal, Germany. When the American Basketball League was formed in 1996, Sheetz was signed to play for the Colorado Xplosion. After two seasons playing in Colorado, Sheetz was signed to play in Portland for the ABL's Portland Power.

Sheetz began her coaching career in the Northwest, as an assistant at Washington State University. With the Cougars, Sheetz coached the guards, recruited nationally and was responsible for overseeing the Lil' Dribblers camp and clinic programs. Originally from Cedar Rapids, Iowa, Sheetz was elected into the Iowa High School Hall of Fame in 1996.

THE WEST COAST CONFERENCE TURNS 50 THIS YEAR and will embark on a season-long celebration looking back at 50 years of tradition-filled rivalries, excellence in the classroom and exciting athletics success.

THE WEST COAST CONFERENCE was originally founded in 1952 as the California Basketball Association to provide a convenient venue for five San Francisco Bay Area schools to compete in basketball. Since that modest beginning, the Conference has evolved into a nationally recognized and competitive force within the NCAA.

The league formally known as the West Coast Athletic Conference currently sponsors 13 sports: baseball, both men's and women's basketball, cross country, golf, soccer, and tennis; and women's volleyball and crew.

FROM THE PINE FORESTS of Eastern Washington, to the Columbia River Basin, to the dynamic San Francisco Bay Area, to the sunny beaches of Southern California, the current WCC membership spans the western coast of the United States. The Conference is characterized by the stability of its membership, as only two NCAA Division I conferences nationally have been together longer.

Since its birth in 1952, the WCC has been a dominant force in intercollegiate athletics, boasting 33 NCAA individual and team championships. And while titles are being earned on the field, degrees are being earned in the classroom, as the WCC is home to numerous Academic All-Americans. And after graduation, West Coast Conference alumni have continued to flourish, as some of the world's elite athletes started in the WCC.

THE 50-YEAR HISTORY OF THE WCC demonstrates that success in intercollegiate athletics can be built on the foundation of values, character and academics. The champions of tomorrow are competing today, so look to the West Coast Conference, where the nation's best student-athletes continue to make their mark in sports history.

The 2000-2001 University of San Diego women's basketball team experienced one of the programs most up and down seasons in recent memory. San Diego finished the season with a 10-16 overall record and a 5-9 mark in the West Coast Conference.

The season began with the excitement of playing in the newly built 17 million dollar Jenny Craig Pavilion. The arena allowed San Diego early season success in 2000-01 beginning play in the Jenny Craig with a 62-59 win over Long Beach State. The Toreros would continue to roll early on thumping UCLA 86-67 on the road improving to 2-0.

Led by junior center Amber Jansen, who scored 15.8 points per game and grabbed a team-high 7.2 rebounds, the Toreros would enter a crucial non-conference home game against the #15 ranked Oklahoma Sooners, with their season record standing at 3-3. A game that proved to be one of the most thrilling in recent memory ended in a 65-63 double overtime decision in favor of the Sooners.

Losing to Oklahoma would not break the Torero's spirit. San Diego rebounded in the USD Invitational Tournament winning at home drubbing UC Riverside 97-75. The 97 points scored against Riverside was a season-high for USD, who entered conference play two weeks later with a record of 5-6.

Torero's Kerri Nakamoto and Melissa Glazebrook immediately provided Head Coach Kathy Marpe leadership in the backcourt. Nakamoto, who connected on 48 three-point shots on the season, hit 14 three's in the Toreros first six games. Glazebrook scored career-high 17 points against PAC-10 opponent USC in a non-conference game early in December.

San Diego entered their conference schedule after posting a season-high 97 points against UC Riverside. San Diego would stumble out of the gates in conference play, losing their first four games in WCC. The Toreros once again bounced back, picking up two consecutive WCC wins during a weekend home stand against Gonzaga and Portland. The weekend sweep would give them new life six games into their conference schedule.

The roller-coaster ride would continue. On January 31st, San Diego traveled to the Bay Area and was thumped by Santa Clara 61-41. Three days later San Diego would beat that same Santa Clara team 64-63 in the Jenny Craig Pavilion. Nakamoto matched a season-high scoring 17 points in the win, but in the proceeding games the Toreros would fall to three straight WCC opponents scoring an average of just 49 points per contest.

“Our offensive output really dropped last season,” Head Coach Kathy Marpe explains, “I minimized the effect of losing Susie Erpelding, the leading career scorer at USD and the MVP of the conference tournament from 1999. Erpelding averaged 20 points, Jessica Gray ten to fifteen. Taking away those scorers and not finding a consistent scorer really hurt us,” Head Coach Kathy Marpe added.

The Toreros entered the season losing Erpelding and Gray to graduation in 1999-00. Erpelding and Gray were key players for a Torero team that won the WCC Tournament and compiled a school record 17 wins bringing San Diego the school's second NCAA Tournament appearance in 1999-00. Erpelding set San Diego's all-time scoring record for a career and for a single season in 1999-00.

Despite the efforts of leading scorer Amber Jansen and three-point specialist Kerri Nakamoto, the Toreros finished the season scoring just 63 points per game as a team. Torero point guard Melissa Glazebrook would come down with an illness that kept her out of the line-up for most of the season and proved to keep USD out of conference contention.

The season ended for San Diego with a 63-53 loss to Loyola Marymount in the first round of the WCC tournament. Young players such as freshmen Melissa Padgett and Marta Menuez showed Torero fans a promising glimpse of the future. The young talent combined with the return of key players in the Torero backcourt has San Diego faithful excited about the 2001-02 San Diego season.

Torero shooting guard Kerri Nakamoto received All-WCC Honorable Mention honors in 2000-01

2002 West Coast Conference Tournament

The Men's and Women's West Coast Conference Tournament returns to the University of San Diego and the Jenny Craig Pavilion in the spring of 2002. Last season the Torero's new facility hosted a tournament that saw Gonzaga's men and Saint Mary's women capture championships and earn automatic bids into the NCAA Tournament.

In its eleventh year of existence, the tournament will remain in single elimination format in 2002. The women play their first round and semi-final games on Thursday and Friday, with the men beginning their opening round on Saturday. The women's championship aired on live Fox Sports TV is slated for Sunday, March 3. The men's championship will be played on Monday, March 4 in front of a nation-wide television audience courtesy of ESPN.

The San Diego women's program has won the WCC Tournament twice. In 1993 and 2000 the Toreros won the tournament title and advanced into the NCAA's. In the 2000 tournament, San Diego forward Jessica Gray earned tournament MVP honors and in 1993 Torero guard Jill Shaver earned the same honor for her play elevating San Diego into their first ever NCAA Tournament.

In 2000 Melissa Glazebrook was named to the All-WCC Tournament Team, helping San Diego to the school's second WCC Tournament Title.

When the West Coast Conference got its start back in 1952, the founders really had only one goal in mind - to create a convenient way for five Bay Area schools to play basketball. What has grown from that original vision 46 years ago is a marvelous cohesive athletics league which is competitive at the national level in 13 sports.

The eight current members of the WCC span the Western United States from Canada to Mexico. Though the institutions range from the pine forests of the Northwest to the sun-drenched beaches of Southern California, the combined excellence in athletics and academics sets the conference apart on the national scene and draws the individual institutions together in a common mission.

The WCC sponsors championships in baseball, men's and women's basketball, men's and women's cross-country, men's and women's golf, women's rowing, men's and women's soccer, men's and women's tennis and women's volleyball. The league was chartered by five Bay Area institutions (Pacific, Saint Mary's, San Francisco, San Jose State and Santa Clara) as the California Basketball Association, playing its first game on January 2, 1953. After two seasons of play under that name, the conference expanded to include Loyola Marymount and Pepperdine in 1955, and became the "West Coast Athletic Conference" in 1956. The name was shortened to "West Coast Conference" in 1989. The current alignment of Gonzaga, Loyola Marymount, Pepperdine, Portland, Saint Mary's, San Diego, San Francisco and Santa Clara has remained unchanged since 1979, making the WCC the third most stable conference in the nation. Only the Ivy League and Pacific-10 have been together longer.

The 2001-2002 season marks the 15th year for the WCC's women's basketball league, one of the most improved in the nation. The West Coast Conference started the Millenium off with a bang, doing one better than in 1999-2000. For the second consecutive season and just the fourth time in league history four teams advanced to the post-season. Post-season participants included Loyola Marymount, Pepperdine, Saint Mary's and Santa Clara. Saint Mary's received a bid to the NCAA Tournament and played into the second round, losing to the #1 seeded Tennessee Volunteers. Four teams, Pepperdine, Saint Mary's, Santa Clara and Loyola Marymount won at least 20 games. In addition to Saint Mary's run in the NCAA's, Pepperdine, Santa Clara and Loyola Marymount all received bids to the WNIT.

WCC women's basketball began with seven teams, including Loyola Marymount, Pepperdine, San Diego, San Francisco and Santa Clara. In 1987, Nevada and U.S. International left the WCC, replaced by Gonzaga, Portland and Saint Mary's.

A Message From President Hayes

As the president of the University of San Diego, this is my seventh Torero season. I am proud of the USD Women's Basketball Team and pleased that the university supports the program in every way possible, including emphasis on academic excellence, and promotion of intercollegiate athletics.

Our student-athletes are winners on and off the field. They demonstrate the values that characterize a USD education - commitment, integrity, teamwork, discipline, and respect for the dignity of all human beings. These are qualities that will help them throughout their lives.

I am looking forward to the coming season and hope that you will join me in supporting our team. It's an exciting schedule and promises to be a great year.

University of San Diego Academic Support

Shaney Fink begins her second year as USD's Academic Support Coordinator. Fink was a standout volleyball player in the 90's, and in 1999 she was on the volleyball coaching staff as an assistant, helping Toreros to a 23-6 record and a second round finish in the NCAA Tournament. Prior to USD she gained coaching experience at the high school, college and international levels for four years. She capped off a stellar collegiate career (1990-93) at Cal Berkeley and won selection to the All-PAC Ten Decade Social Science from Berkeley in 1994. The USD Athletic Academic Support program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degrees. Academic Support services are designed to enhance the student-athlete's overall collegiate experience and encourage development and attainment of academic and career goals. All USD student athletes have access to advising, tutoring and mentoring services. The mentoring program, Access, was developed in 1999 and teams a graduate student with an athlete who would like to enhance study skills, learn about campus resources and receive guidance on goal development and attainment. Student-athletes also have access to the Writing, Math and Logic Centers. They can also take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.

The greatest challenge to a Division 1 athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential.” -Shaney Fink

Torero Strength and Conditioning

The University of San Diego Athletic Department has made a commitment to increase athletic ability throughout the entire student athlete population. Therefore, each student athlete will be given a sport specific training program based on the metabolic demands of their position and sport. This is accomplished by training for the proper combination of power, strength, size, speed, agility, flexibility, endurance, and footwork. It is the responsibility of the strength and conditioning staff to design and implement workouts, teach and demonstrate proper lifting technique, and to monitor and evaluate each individual athlete’s progress, while maintaining a positive environment to train in. Along with increasing athletic ability, the strength staff also has the goal of decreasing athletic injuries both in and out of the athletic arena.

The heart of the strength and conditioning program is the USD Sports Center weight room. It is open exclusively to student-athletes at specific times each day. The weight room contains 5,000 square feet of Olympic platforms, free-weights, selectorized machines, dumbbells and cardiovascular equipment.

The goal of the strength and conditioning department is to educate and motivate each student athlete to maximize their genetic potential and create an environment where athletes can develop into champions both mentally and physically.
SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcalá, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style.

Since 1984, USD has completed 11 major construction and expansion projects. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

ACADEMICS

USD enrolls more than 6,943 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won nine conference championships; made 26 NCAA post-season appearances; had 25 Conference Coaches of the Year; 20 Conference Players of the Year, 11 Conference Freshmen of the Year, four WCC Scholar Athletes of the Year and 29 All-America selections. The USD Volleyball program has won two conference championships, made five NCAA post-season appearances, had three Conference Coaches of the Year and two Conference Players of the Year.
Tom Iannacone is in his fourteenth year as Director of Athletics at the University of San Diego. He was named Director of Athletics on September 1, 1988 after holding the same position the previous four years at St. Francis College of Pennsylvania.

At USD, Iannacone directs an Athletic Department that includes sixteen NCAA Division I intercollegiate varsity teams, eight men’s and eight women’s, plus intramurals and recreation.

In the last thirteen years behind his direction and leadership, Torero Athletics has enjoyed successes both on and off the playing field. His accomplishments at USD include an internal reorganization of the athletic department, plus improvements in the major areas of personnel, scholarship assistance, facilities, promotions and marketing, fund raising, drug education, academic support, and a university approved plan for scholarship support and sports sponsorship. In addition, he was instrumental in USD gaining membership to the Pioneer Football League, which began play in 1993. He has served on the I-AA Athletic Directors Association Executive Committee; and is past Chairman of the West Coast Conference Athletics Directors Committee.

During Iannacone’s tenure, facilities at the USD Sports Center, along with all athletic fields, have seen vast improvements. In October of 2000, the Jenny Craig Pavilion opened, a new 5,100 seat multi-purpose facility which is now home to USD basketball and volleyball, and will benefit the entire university community. Improvements at the Sports Center include complete renovations of both the north and south wings that added offices for administrators and coaches; additional locker rooms for women’s basketball, volleyball and women’s soccer; an athletic department conference room; and an academic support room. Torero Stadium, where football, men’s and women’s soccer compete, was widened to accommodate soccer, and added a state-of-the-art lighting system and scoreboard. The Softball Complex has benefited with a new dugouts, scoreboard, batting cages and additional seating. Additionally, The Canyon Field received lighting and a complete renovation for intercollegiate practices and intramural use.

On the playing fields, USD has sent thirty teams to NCAA Tournaments since Iannacone’s arrival in the Fall of 1988. Additionally, the school has captured ten conference championships; twenty-eight NCAA All-Americans; eighteen CoSIDA/GTE Academic All-Americans; twenty-five conference Coaches of the Year; nineteen conference Players of the Year; and four West Coast Conference Scholar-Athletes of the Year. Besides having the 1999 NCAA National Champion in women’s tennis (Zuzana Lesenarova), the Torero athletic program came out on top of the WCC schools in terms of overall strength in 1999 (based on an unofficial scoring system produced by USD each season). For the first time, the 1998-99 combined men’s and women’s athletics programs at USD ranked first in the standings. Since 1988 the university has been the host site for NCAA Tournament events for women’s volleyball, men’s soccer and women’s tennis.

Prior to USD, Iannacone built an impressive list of credentials at St. Francis College as Director of Athletics between 1984-87. His major contributions included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several committees, most notably the Eastern Collegiate Athletic Conference (ECAC) Infractions committee and the Northeast Conference committee on conference development.

He served as assistant Director of Athletics at Fordham University between 1977-84. Along with his administrative duties, he was assistant football coach for the Rams. Between 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The ‘77 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game. In 1983 he was presented the prestigious Jack Coffey Award by the Alumni Association for his outstanding contributions to Fordham athletics. He also served on various Metro Atlantic Athletic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and field, and football in Connecticut Public School Districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974. A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973. Tom and his wife, Cynthia, have three children: Tom Jr., Jennifer and Eric. All three are graduates of the University of San Diego.

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams — the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Holiday Bowl. Upcoming in 2003, Qualcomm Stadium is slated to host the Super Bowl, and just recently the 1998 World Series between the San Diego Padres and the New York Yankees was held in America's Finest City. Whatever sporting activity there is, it's here in San Diego — the Sports Capital of the U.S.A.
