DEL MAR COUNTRY CLUB
"Home of the Toreros"

The lush, Joe Lee-designed Del Mar Country Club, located in Rancho Santa Fe, is one of Southern California’s finest. It is the USD Toreros home course throughout the season. The 6,950 yard course winds through the natural terrain of its canyon and valley locale. A stream winds its way through the course and its fairways are bent grass. Rating/Slope: 74.4/133.

The University of San Diego golf team is very fortunate to have several fine golf courses available for play and practice throughout the school year:

**Riverwalk Golf Club**
Located in Mission Valley about six blocks from the USD campus, the completely redesigned Riverwalk, site of the former Stardust Country Club, has undulating fairways, well placed lakes, waterfalls and well protected bent-grass greens. Designer Ted Robinson provided a challenging 27 holes of golf in the heart of the city. Yardage: 6,383 to 6,627. Rating/Slope: 70.5 to 71.6/120 to 123.

**Shadowridge Country Club**
The David Rainville designed 6,854 yard course is located in the gentle hills of Vista. San Diego Magazine has called Shadowridge one of the best courses in San Diego County. Rating/Slope: 73.1/124.

**The Meadows Del Mar Golf Club**
A meandering 6,885-yard Tom Fazio-designed course, which plays to a par 71, takes you along hillsides and meadows and gracefully through ravines. Dramatic scenery and remarkable design, coupled with views that just don’t stop. Rating/Slope: 73.5/133.

**Steele Canyon Golf Club**
A Gary Player signature 27 hole layout in a quiet country setting. Each of the three nine’s are different. The Canyon 9 offers dramatic elevation changes, while the Ranch 9 borders a working cattle ranch, and the Meadow 9 follows riparian streams and woodlands as it surrounds luxury estate home sites. Yardage 6,622 yards to 6,942 yards. Rating: 72.2 to 74.0.

**Four Seasons Resort - Aviara**
The challenging 7,007-yard layout winds through rolling valleys and overlooks the Batiquitos Lagoon wildlife preserve. Both Golf Digest and Golf Magazine have named the Arnold Palmer designed Aviara as one of the best new resort courses in the country. Rating/Slope: 74.9/141.

The USD Golf Team also has playing privileges at the following fine JC Resorts courses:

**Rancho Bernardo Inn, West Course**
Designed by William Bell, with meandering streams that come into play on ten holes. Rating/Slope: 70.6/122.

**Encinitas Ranch Golf Course**
A few miles inland from the Pacific Ocean, but with ocean views from nearly every hole. Rating/Slope: 72.2/127.

**Twin Oaks Golf Course**
A Ted Robinson design that is demanding but fair. Three signature water holes surrounding a protected wildlife habitat. Rating/Slope: 71.2/124.

**Temecula Creek Inn**

**Oaks North Golf Club**

**Other Facilities**
The USD Golf Team also practices at the Riverwalk Golf Club/John Jacobs Practice Facility in nearby Mission Valley.
The 2000-2001 University of San Diego Golf Team, under the direction of 15th year coach Frank Cates, returns eight players from last year’s squad that won two tournaments and placed second at three other invitational. With their strong showing during the recent 2000 fall season, including wins at the Falcon-Cross Creek Invitational and 49er Collegiate Classic, this year’s squad will be shooting for a spot in the 2001 NCAA Division I Regional Tournament.

Coach Cates will count on a duo of seniors - Ryan Hanratty (Plano, Texas) and Jason Gross (San Clemente, California) - to continue USD’s upward rise as one of the program’s to watch on the west coast. The Toreros will head into their 2001 spring schedule with a west region ranking of 14th (out of 27 teams), and a national ranking of 57th.

Ryan Hanratty, a Honorable Mention All-West Coast Conference pick a year ago, led the Toreros this past fall with four strong showings out of the six invitations that USD participated in. He placed 7th overall at the Pacific Invitational with his 2-under par score of 214 (72-69-73) as USD finished fourth out of seventeen teams; he finished second overall with a 212 showing (70-69-73) at the Herb Wimberly/New Mexico State Intercollegiate with USD finishing fourth; he placed tied for eighth at the Countrywide Home Loans Intercollegiate with his 225 total (73-75-77) at Wood Ranch Golf Club, and he turned in a solid 220 (75-74-71) at the 49er Collegiate, placing thirteenth overall with USD winning the team playoff against host Long Beach State University. Named the WCC Golfer of the Month (October, 2000), Hanratty led USD with a 73.41 average over 17 fall rounds.

Jason Gross was a close second to Hanratty this past fall finishing with a 73.59 stroke average over his 17 rounds. His fall season was highlighted by his top-ten finish at the Falcon-Cross Creek Invitational that USD won; his 12th place showing at the Herb Wimberly/New Mexico State Intercollegiate (216; 72-73-71); his team-best 221 at the Fresno Lexus Classic; and his sixth place showing at the 49er Collegiate where he finished with a team-best 216 (75-67-74).

Other returners expected to play key roles and compete for spots in the Torero rotation include first-year graduate student Jeppe Nielsen (Oslo, Norway), who tied for third at the Falcon-Cross Creek Invitational; junior Berry Henson (La Quinta, CA), who averaged 74.88 this past fall over 17 rounds, including two rounds of 69; junior Andy Brisbois (La Canada, CA), last season’s Most Improved Player; and sophomore David Isaacs (North Oaks, MN), who placed 11th twice last season and this past fall averaged 75.18 in 17 rounds of action.

Rounding out Coach Cates’ roster are returning sophomores Brad Sader (Brea, CA) and Andrew Zimmerman (Layton, UT), and a trio of newcomers - sophomore Nick Manfre (Corralitos, CA), and freshmen Mike Shelly (Tumon, Guam) and Mark Hepler (Lakeside, CA).

The University of San Diego participates in NCAA Division I and is a member of the West Coast Conference (WCC). The conference championship will be played at Windsor Golf Club in Windsor, California on April 16-17.

The USD Invitational will be hosted by the Toreros at Shadowridge Country Club in Vista, California on March 19-20, 2001.

Other spring tournaments include the Pacific Coast Intercollegiate (La Purisima Golf Club in Lompoc, CA), the Kauai Collegiate Cup (Princeville Resort in Kauai, HI), the UC Irvine Anteater Invitational (PGA of Southern California Golf Club in Oak Valley, CA), and the U.S. Intercollegiate (Stanford Golf Course in Stanford, CA).

Besides USD, the West Coast Conference (WCC) consists of: Gonzaga University (Spokane, WA), Loyola Marymount University (Los Angeles, CA), Pepperdine University (Malibu, CA), University of Portland (Portland, OR), Saint Mary’s College (Moraga, CA), University of San Francisco (San Francisco, CA) and Santa Clara University (Santa Clara, CA). Pepperdine University will be defending the West Coast Conference Golf Championship in 2001.

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcañiz Park and is located just 10 minutes from downtown San Diego and the world famous San Diego Zoo. Historic Old Town is just minutes away as well.

The city of San Diego along with this campus traces their origins to fifteenth century Spain. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university, the University of Alcala, whose buildings became the inspiration for USD's style. Both institutions are located on a hill overlooking a river valley.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style. The physical beauty of the campus reaches beyond the "eye of the beholder." Reverend Mother Rosalie Hill, one of the institution's founders, believed in the enhancement of learning through beauty and harmony. Hence for the University, beauty is a transcendental quality imparted to students as part of their education to truth and goodness; a simple but profound educational philosophy.

Since 1984, USD has completed eleven major construction and expansion projects. A five-story parking garage was completed in 1998. The 5,000 seat Jenny Craig Pavilion, USD's new Sports/Activity Center, is due to open in the Fall of 2000; and this past October was the ground breaking ceremony for the Joan B. Kroc Peace Institute. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ACADEMICS

USD enrolls more than 6,900 students (4,795 undergraduate) who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by U.S. News & World Report, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in the activities.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in sixteen intercollegiate sports on the NCAA Division I level. The football team completed its seventh season in the Pioneer Football League. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won 11 conference championships; made 26 post-season appearances; had 25 Conference Coaches of the Year; 20 Conference Players of the Year, 11 Conference Freshman of the Year, 4 WCC Scholar Athletes of the Year and 29 NCAA All-Americans. Zuzana Lesenarova, a 4-time NCAA All-America tennis player for USD, won the 1999 national singles title. Patrick Hawkins, a four-year member of the USD golf squad between 1997-2000, won medalist honors at the 1998 WCC Championships. With its new 5,100-seat Jenny Craig Pavilion completed, the University of San Diego will be the host site for the upcoming 2001 West Coast Conference Basketball Championships, March 1-5. The men's championship game will air live on ESPN on March 5th.
San Diego - A Perfect Place To Live

San Diego has been labeled as "America's Finest City" and backs up that statement with a perfect climate, famous arts and attractions, beautiful sites and competitive sports teams. San Diego's location makes it an ideal destination. It is bordered on the south by Mexico, on the west by the Pacific Ocean, and on the east by the mountains and the Anza-Borrego Desert State Park - one of the largest state parks in the United States. The city ranks seventh in the country, in terms of population, and rests just ninety miles south of the Los Angeles metro area. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy, and development.

It is hard to argue with the perfect climate San Diego offers. Temperatures range from 48 to 65 degrees in the winter to 64 to 76 degrees in the summer months. Because of the mild climate, the seventy miles of Pacific Ocean beach, the two sparkling bays, the several uplifting mountain ranges, and the breathtaking desert can be enjoyed year round.

There is also several things to do in San Diego. One can visit the world famous San Diego Zoo, Sea World, and the San Diego Wild Animal Park. One can also explore Old Town, where California began, or browse through museums in Balboa Park that feature exhibits ranging from fine art and natural history, to aircraft and sports memorabilia. While in town, one can also venture to several venues that offer the arts such as the La Jolla Playhouse, the Civic Theatre and Humphrey's by the Bay.

According to Sports Illustrated, "For sheer number of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel and wind surf on miles of public beach or golf at any of the over 80 golf courses throughout the county. There are also miles of scenic jogging, hiking and biking trails. Sports spectators can take in professional, collegiate and amateur sports events. NFL Football, Major League Baseball, minor league ice hockey, championship golf, and thoroughbred horse racing are among the many events to be enjoyed in San Diego. The ARCO Olympic Training Center in San Diego's South Bay area is the nation's first year-round multisport training facility for Olympic athletes. In 1998, San Diego hosted Super Bowl XXXII and the World Series at Qualcomm Stadium. San Diego has long been a championship golf venue for the Buick Invitational, played every February at Torrey Pines GC in La Jolla, CA. Through 1998, La Costa Resort and Spa was the site for the Mercedes Championships, and this year will host The Andersen Consulting Match Play Championship in February.

Downtown San Diego is an exciting, constantly changing showplace of department stores, specialty shops, hotels, restaurants, galleries and theatres. One whole section has been restored to turn-of-the-century elegance, while several more blocks are filled with a multi-level center featuring more than one hundred fifty stores. Along the harbor, the waterfront theme village, Seaport Village, keeps growing. San Diego also offers bay cruises, water taxis, and popular ferry rides to Coronado where one can visit the famous Hotel del Coronado.
