## USD HOME COURSES

### The Farms

The Farms Golf Club was originally built in 1988 by Pete Dye and later remodeled in 2000 by the team of John Fought and Tom Lehman. This private facility is located in the ruggedly beautiful terrain of Rancho Santa Fe, one of San Diego's most prestigious communities. At just over 6900 yards, the golf course offers a layout that is both challenging and enjoyable to play every day. The club's practice facility includes a double-ended grass only range, two putting greens, and one of San Diego's best short game facilities. The Farms is easily one of the best courses in San Diego County.

### Del Mar Country Club

Located in the prestigious community of Rancho Santa Fe, Del Mar Country Club is one of San Diego's most exclusive country clubs. This outstanding facility is located a mere 3.8 miles from the famed Del Mar Thoroughbred Club and Racetrack. The course is just over 7,000 yards and always kept in impeccable shape. With numerous hazards, it is challenging for every level of golfer. The practice facilities include a double-ended grass only range, two practice putting greens and a large chipping area with a bunker. The European landscaping, rolling hills, and ocean views make Del Mar Country Club one of San Diego's premier private clubs.

*The USD golf program would like to thank all of the courses that generously offer their facilities to the golf team during the school year. The Toreros thank you for your support.*

### Other facilities available to USD golf program...

- Barona Creek Golf Club
- Encinitas Ranch Golf Course
- The Grand Golf Club

**Head Coach:** Tim Mickelson (5th Year)

**Assistant Coach:** Cory Scoggin (1st Year)

**Tim Mickelson**  
*Head Coach*

**Tim Mickelson** has done a remarkable job in four complete seasons as the head coach of San Diego's men's golf program. This past season he led the Toreros to eight top-five finishes in tournaments, including three second place showings. The Toreros tied for second at the fifteen team Hawaii Fall Intercollegiate; placed 2nd out of fifteen teams at its own Callaway Golf Invitational; and was runner-up at the 2007 WCC Championships. Sophomore Darrin Hall became just the second Torero to advance to the NCAA Regionals, and three Toreros earned All-WCC honors: Darrin Hall (5th at 221; 74-72-75), Dale Smith (6th at 222; 75-74-73), and Michael Barry (t9th at 225; 79-74-72).

In his 2005-06 season, USD finished top three in three tournaments, all of which had fifteen or more teams entered. The season prior, Mickelson shared West Coast Conference Coach of the Year honors, guiding San Diego to its first tournament victory since 2000. Inheriting a Torero team that had placed in the lower half of the WCC in 2003, Mickelson immediately led San Diego to a top-tier conference finish in his first year directing the fortunes of USD golf. Mickelson's second campaign was highlighted by San Diego winning team championship honors at the 17-school, 2005 Men's Fidelity National Title held at Cypress Ridge Golf Course on California's Central Coast.

Prior to taking the head coaching position at USD Mickelson spent two seasons as assistant to Dale Walker at San Diego State, helping lead the Aztecs to back-to-back appearances in the NCAA Regionals, as well as an appearance in the 2003 NCAA National Championships. Additionally, he played a key role in recruiting, scheduling, fund-raising, daily practices, booster/alumni relations, and the running and operation of two tournaments annually. Additionally, he is the published author of a book about college golf recruiting titled *The Road to College Golf*.

Mickelson was an outstanding collegiate player at two PAC-10 programs. He played his first three seasons at Arizona State (1995-98) where he was a member of the 1996 NCAA Championship team. Mickelson also earned Academic All-PAC-10 honors in 1997 and 1998. He went on to play his senior year at Oregon State University (1998-2000) where he led Oregon State to a 2nd place finish in the 2000 PAC-10 Championships, and also finished 2nd individually. The current holder of numerous OSU golf records, including low 18, 36, 54, and 72 hole scoring records, he graduated Cum Laude with a Bachelor of Science degree in Liberal Studies.

Tim is the younger brother of current PGA tour pro Phil Mickelson.

**Cory Scoggin**  
*Assistant Coach*

**Cory Scoggin** is in his first year with the Toreros as assistant coach to Tim Mickelson. Cory joins us from Cal State San Marcos, where he served one year as the head coach and one year as an assistant coach. He directed the team to 2nd place finishes at three tournaments - Bill Collum Invitational, Pala Mesa Invitational and their very own Cal State San Marcos Invitational. The team finished 5th at Regionals and advanced to Nationals where they placed 14th.

Scoggin competed at Cal State San Marcos where in 2003-04 he was a First Team All-American. During his senior year the team won the Cal State San Marcos Invitational and Grand Canyon Invitational. At Regionals, the team finished 2nd as Scoggin shot 6 under par for the tournament and was named Region II Golfer of the Year. Cory is also part of the PGA of America, working towards his membership.

From Carbondale, Colorado, Cory attended Roaring Fork High School where he competed on the golf team.

## Torero Team Room and Transportation

### **USD GOLF TEAM ROOM**

Created in 2003 by then first year head coach Tim Mickelson, the USD Golf Team Room (top left two pictures), located in the USD Sports Center, gives players an on campus meeting area to study and relax. Equipped with a full locker room, the team room also boasts lockers for every player and a study area that includes a high-speed internet computer. The room is also equipped with wireless internet for laptops as well. The team room also serves as a gathering place for team meetings, sporting events on the big screen television, or a friendly game of golf on the new Playstation 2 or the classic Golden Tee arcade system.

### **CLUB REPAIR ROOM**

The latest addition to the team room is the workbench designed for club repair. Set aside in the locker room, the work area is equipped with a loft/lie machine and all the supplies to repair golf clubs. With the help of True Temper and Rifle shafts, along with Golf Pride and Lamkin grips, we have all the needed supplies to outfit our equipment for success.

### **TORERO EXCURSION**

Donated to the USD Golf program in the winter of 2005, the Torero Excursion is the official vehicle of the USD men's golf team. The team uses the Excursion for travel to competition, practice, and recruiting. The players enjoy the comfortable travel as the Excursion is equipped with seating for 7, Satellite radio, two TV monitors, power outlets, and Direct TV so they never have to miss that important sporting event while traveling.

### Patrick Hawkins, '99 Medalist

In 1999 Patrick Hawkins shot a three-round total of 217 to edge out teammate Ryan Hanratty for medalist honors. The Toreros won their event for the second time with a team total of 893 at the Shadowridge Country Club in Vista, California. Berry Henson, playing as an individual, placed 4th overall with his 221 total.

## WEST COAST CONFERENCE GOLF MEN'S HISTORY

The WCC has sponsored men's golf championships since 1969, and the USD Toreros have been competing since 1980. The 2008 WCC golf championships will be held at the Chambers Bay Golf Club, April 17-18, 2008 in Tacoma, Wash.

The Toreros have had 33 student-athletes place among the top-10 finishers at the WCC Championships with Patrick Hawkins (1998) and Brett James (1985) walking away with the individual medalist honors and WCC trophy.

As a team the Toreros have placed in the upper-division fourteen different times with a program-best 2nd place finish in six different seasons (2007, 1998, 1985, 1984, 1982 and 1980).

The Toreros have also fared well in the classroom among their WCC competitors. Since 1992 San Diego has placed 24 student-athletes on the WCC All-Academic Squad. To be selected student-athletes must be a starter or key contributor and carry a cumulative grade-point average of 3.2 or above (4.0 scale) in the classroom.
