TIM MICKELSON

HEAD COACH

COACHING BIOGRAPHIES

Now in the midst of his seventh season, Tim Mickelson has done a remarkable job as the head coach of San Diego's men's golf program. Besides making their first-ever appearance at the 2009 Nationals, where they placed 13th overall out of 30 teams, he has guided his program to the NCAA Regionals in three of the last four seasons. With their recent 2nd place finish at the 2010 West Coast Conference Championships, and a national ranking hovering around 25th in the nation, the Toreros will be heading to their fourth NCAA Regional Championship in late May.

The 2009-10 campaign has been outstanding with the Toreros winning four tournaments and finishing in the top-5 in nine events. The fall season was highlighted by the team's win at the Kauai Collegiate Invitational where the Toreros won by 30 strokes. Following the team's title at the San Diego Intercollegiate in early February against the three other San Diego colleges, USD won back-to-back tournaments with their very own USD Callaway Invitational, and the Allstate Sugar Bowl Mardi Gras Invitational just outside of New Orleans. Since then the Toreros tied for 4th at the prestigious USC Collegiate, tied for 1st at the Fresno State Lexus Golf Classic, finished 7th out of 16 teams at the Callaway Match Play Championships (including a win over No. 1 seed Stanford), posted a strong 2nd place showing at the Wyoming Cowboy Classic, and earned a runner-up spot at the WCC's.

Last season Mickelson guided the Toreros to their first-ever appearance at Nationals. The Toreros turned in a strong showing, placing 13th overall out of 30 teams. They finished just a few strokes back of advancing into the match-play event. Alex Ching was named the program's first All-American as he was selected to Ping's Freshman team. During the 2008 fall campaign USD earned three top-5 finishes

in their five tournament showings, including a first place title at the Kauai Collegiate Invitational where they won by 15 strokes. In their final two tournaments this past Fall, USD placed third at the Sycuan Collegiate with a 25-under-par team score of 839, then followed up with the championship trophy at the Kauai Collegiate Invitational with an incredible 39-under-par team score of 825.

In 2008-09 he guided the Toreros to the program's first-ever West Coast Conference Championship, sharing Coach of the Year honors. USD finished with a three-day total of 888, edging out both Pepperdine and Saint Mary's College (892 totals). Junior Jake Yount earned medalist honors at the WCC Championships, winning the title in sudden death. With the title, the Toreros also earned the league's automatic bid into the NCAA Regionals. This marked USD's second trip to the NCAA Regionals in a three year period. For the season USD placed in the top-five in six tournaments, also winning the SDSU Intercollegiate, placing 2nd at their own Callaway Invitational, 3rd place in both the Nevada Wolf Pack and Barona Collegiate, and 5th at the Ron Moore Invitational.

In 2006-07 he led the Toreros to eight top-five finishes in tournaments, including three second place showings. The Toreros tied for second at the fifteen team Hawaii Fall Intercollegiate; placed 2nd out of fifteen teams at its own Callaway Golf Invitational; and was runner-up at the 2007 WCC Championships. Sophomore Darrin Hall became just the second Torero to advance to the NCAA Regionals, and three Toreros earned All-WCC honors: Darrin Hall (5th at 221; 74-72-75), Dale Smith (6th at 222; 75-74-73), and Michael Barry (t9th at 225; 79-74-72).

In his 2005-06 season, USD finished top three in three tournaments, all of which had fifteen or more teams entered. The season prior, Mickelson shared West Coast Conference Coach of the Year honors, guiding San Diego to its first tournament victory

since 2000. Inheriting a Torero team that had placed in the lower half of the WCC in 2003, Mickelson immediately led San Diego to a top-tier conference finish in his first year directing the fortunes of USD golf. Mickelson's second campaign was highlighted by San Diego winning team championship honors at the 17-school, 2005 Men's Fidelity National Title held at Cypress Ridge Golf Course on California's Central Coast.

Prior to taking the head coaching position at USD Mickelson spent two seasons as assistant to Dale Walker at San Diego State, helping lead the Aztecs to back-to-back appearances in the NCAA Regionals, as well as an appearance in the 2003 NCAA National Championships. Additionally, he played a key role in recruiting, scheduling, fund-raising, daily practices, booster/alumni relations, and the running and operation of two tournaments annually. Additionally, he is the published author of a book about college golf recruiting titled "The Road to College Golf".

Mickelson was an outstanding collegiate player at two PAC-10 programs. He played his first three seasons at Arizona State (1995-98) where he was a member of the 1996 NCAA Championship team. Mickelson also earned Academic All-PAC-10 honors in 1997 and 1998. He went on to play his senior year at Oregon State University (1998-2000) where he led Oregon State to a 2nd place finish in the 2000 PAC-10 Championships, and also finished 2nd individually. The current holder of numerous OSU golf records, including low 18, 36, 54, and 72 hole scoring records, he graduated Cum Laude with a Bachelor of Science degree in Liberal Studies.

Tim is the younger brother of current PGA tour pro Phil Mickelson.

Cory is in the midst of his third year with the Toreros as assistant coach to Tim Mickelson.

With his assistance, the 2009-10 Toreros have won four tournaments - the Kauai Collegiate Invitational, the USD Callaway Invitational for the first time, the Allstate Sugar Bowl Mardi Gras Invitational, and a tie at the Fresno State Lexus Golf Classic. Additionally they have four other top-five showings including 2nd place finishes at the WCC Championships and Wolf Pack Classic.

During the 2008 Fall campaign the Toreros tallied three top-5 finishes in their five tournaments, including a first place title at the Kaua'i Collegiate where they won by 15 strokes. USD also placed third at the Sycuan Collegiate, and tied for fifth at the San Fran-

cisco Intercollegiate. The 2009 spring campaign was capped off by the Toreros advancing out of the NCAA West Regionals, then turning in a strong showing at their first-ever National appearance with a 13th place finish out of 30 teams.

In his first campaign (2007-08) he helped guide the Toreros to six top-5 finishes, including the program's first-ever West Coast Conference championship. The Toreros advanced to the 2008 NCAA West Regionals, marking their second trip in three years.

During the 2006-07 season Cory was the interim head coach for the men's golf team at Cal State San Marcos. He directed the team to 2nd place finishes at three tournaments - Bill Collum Invitational, Pala Mesa Invitational and their very own Cal State San Marcos Invitational. The team finished 5th

at Regionals and advanced to Nationals where they placed 14th.

Scoggin competed at Cal State San Marcos where in 2003-04 he was a First Team All-American. During his senior year the team won the Cal State San Marcos Invitational and Grand Canyon Invitational. At Regionals, the team finished 2nd as Scoggin shot 6 under par for the tournament and was named Region II Golfer of the Year.

From Carbondale, Colorado, Cory attended Roaring Fork High School where he competed on the golf team. He currently is a Class A member with the PGA of America.

USD HOME COURSES

The USD golf program would like to thank all of the courses that generously offer their facilities to the golf team during the school year. The Toreros thank you for your support.

Located 10 miles south of downtown San Diego, **San Diego Country Club** (pictured above) is conveniently located for USD and its golf team. The club is known for having the best greens in the county and its practice facility includes a grass range, a large putting green and a large green for chipping and pitching up to 70 yards. At just over 7,000 yards and quick undulating greens, San Diego Country Club is considered one of the most challenging courses in San Diego.

The Farms Golf Club (pictured below) was originally built in 1988 by Pete Dye and later remodeled in 2000 by the team of John Fought and Tom Lehman. This private facility is located in the ruggedly beautiful terrain of Rancho Santa Fe, one of San Diego's most prestigious communities. At just over 6900 yards, the golf course offers a layout that is both challenging and enjoyable to play every day. The club's practice facility includes a double-ended grass only range, two putting greens, and one of San Diego's best short game facilities. The Farms is easily one of the best courses in San Diego County.

The USD golf program would like to thank all of the courses that generously offer their facilities to the golf team during the school year. The Toreros thank you for your support.

The Grand Del Mar (pictured above) is one of San Diego's most scenic and most difficult golf courses in the country. Nestled in the scenic canyons of Del Mar, you will see cascading water features, crushed marble sand bunkers, scenic views from elevated tees, lush fairways and quick greens. The facility has a double ended range, two chipping areas and a very large putting green. Also located at the facility is San Diego's premier resort boasting many recent awards. The Grand is a fabulous facility.

Home of the best and most complete practice facility in San Diego, **Stadium Golf Center** (pictured below) is conveniently located only a few miles from the USD campus. The facility boasts a very wide range with quality golf balls and hitting areas off both mats and greens. There is also a large putting green that is mowed daily and maintained beautifully throughout the year. In addition there are two chipping greens and a bunker. Stadium Golf Center is a night lit range which allows the team to practice anytime between 7 a.m. and 10 p.m. which is very valuable to the team.

TEAM ROOM/TRANSPORTATION

USD GOLF TEAM ROOM

Created in 2003 by then first year head coach Tim Mickelson, the USD Golf Team Room (upper left and right photos), located in the USD Sports Center, gives players an on campus meeting area to study and relax. Equipped with a full locker room, the team room also boasts lockers for every player and a study area that includes a high-speed internet computer. The room is also equipped with wireless internet for laptops as well. The team room also serves as a gathering place for team meetings, sporting events on the big screen television, or a friendly game of golf on the Playstation 2 or the classic Golden Tee arcade system.

CLUB REPAIR ROOM (middle picture above)

The latest addition to the team room is the workbench designed for club repair. Set aside in the locker room, the work area is equipped with a loft/lie machine and all the supplies to repair golf clubs. With the help of True Temper and Rifle shafts, along with Golf Pride and Lamkin grips, we have all the needed supplies to outfit our equipment for success.

TORERO EXCURSION

Donated to the USD Golf program in the winter of 2005, the Torero Excursion is the official vehicle of the USD men's golf team. The team uses the Excursion for travel to competition, practice, and recruiting. The players enjoy the comfortable travel as the Excursion is equipped with seating for 7, Satellite radio, two TV monitors, power outlets, and Direct TV so they never have to miss that important sporting event while traveling.

Patrick Hawkins, '99 Medalist

In 1999 Patrick Hawkins shot a three-round total of 217 to edge out teammate Ryan Hanratty for medalist honors. The Toreros won their event for the second time with a team total of 893 at the Shadowridge Country Club in Vista, California. Berry Henson, playing as an individual, placed 4th overall with his 221 total.

WEST COAST CONFERENCE GOLF MEN'S HISTORY

The WCC has sponsored men's golf championships since 1969, and the USD Toreros have been competing since 1980. The 2010 WCC golf championships were held at the Hiddenbrooke Golf Course, April 19-20, 2010 in Vallejo, CA.

The Toreros have had 39 student-athletes place among the top-10 finishers at the WCC Championships with Gunner Wiebe (2010), Jake Yount (2008), Patrick Hawkins (1998) and Brett James (1985) walking away with the individual medalist honors and WCC trophy.

As a team the Toreros have placed in the upper-division seventeen different times with a program-best 2008 title and a 2nd place finish in seven different seasons (2010, 2007, 1998, 1985, 1984, 1982 and 1980).

The Toreros have also fared well in the classroom among their WCC competitors. Since 1992 San Diego has placed 26 student-athletes on the WCC All-Academic Squad. To be selected student-athletes must be a starter or key contributor and carry a cumulative grade-point average of 3.2 or above (4.0 scale) in the classroom.
