HEAD COACH BRAD HOLLAND...

"When recruiting Brad Holland when he was an athlete at Crescenta Valley High School in the early '70's, it was readily apparent that he was much more than an outstanding basketball player. He was an excellent honor roll student and, of equal or more importance, an extremely polite, courteous and modest young man. I deeply regret that I retired before having the privilege of having him under my supervision at UCLA. I watched him with great interest as a player and had no doubt that he would become a fine teacher/coach if he chose that as his profession. Any parent should be proud to have their child under his supervision."

A WINNING COACHING STAFF...

Brad Holland, a two-time West Coast Conference Coach of the Year, has tallied five straight winning seasons at USD and eight straight campaigns with .500 or better marks. Last season he guided USD to the WCC Basketball Championship and the NCAA Tournament. Coach Holland has assembled a staff of winners, as well, and he is the first to credit his assistants when talking about success at USD. Second year Associate Head Coach Brian Fish has coached teams which have appeared in both the NCAA and NIT tournaments, and he is recognized as one of the top young coaches in the college ranks; fourth-year assistant Steve Flint is a relentless recruiter who has coached teams that appeared in five straight NCAA Tournaments; fourth-year assistant Sam Scholl is a USD graduate and played for the Toreros and head coach Brad Holland and Nick Earnest, the Head Team Manager, joins the staff for the 2003-2004 campaign.

The Jenny Craig Pavilion opened its doors in October of 2000, and ever since has earned a sparkling reputation as one of the finest athletic venues of its size.

In 2003, the JCP hosted the West Coast Conference Basketball Championships for the third straight year and the USD Toreros won their first ever WCC Tournament title.

The JCP, with a seating capacity of 5,100 is home to both men’s and women’s basketball teams, as well as the women’s volleyball squad.

The JCP is ideally suited for sports events, tradeshows, and concerts.

The JCP also houses the Warren Hospitality Suite, the Chet and Marguerite Pagni Family Athletic Hall of Fame, the McNamara Fitness Center, the Scripps Media Room, and a state-of-the-art Athletic Training Facility.

The USD men opened the JCP in grand fashion with the Torero Tip-Off on December 2, 2000 with an 82-71 win over Oregon State before over 4,000 fans.
ATHLETIC TRAINING/STRENGTH & CONDITIONING ...

USD is committed to providing the best medical care possible for its student-athletes. Certified Athletic Trainers, Student Athletic Trainers and Team Physicians directed by Paul Murphy, MD work together to provide injury prevention, immediate care and rehabilitation.

ACADEMIC SUPPORT...

Shaney Fink begins her fourth year overseeing the Academic Support Program, and her first as an Assistant Director of Athletics for Academics. This past academic year eleven of the sixteen Torero teams had cumulative GPA’s of 3.0 or higher.

Four seasons ago she assisted the Torero volleyball coaching staff, helping the Toreros to a 23-6 record and second round finish in the NCAA Tournament. Prior to USD she gained coaching experience at the high school, college and international levels for four years. She capped off a stellar collegiate career (1990-93) at Cal Berkeley and won selection to the All-Pac 10 Decade Team.

Fink earned her B.A. in Social Science from Berkeley in 1994. She is currently working on a Masters Degree at USD in Counseling. Shaney and her husband, Tom Vorkoper, reside in Encinitas.

"The greatest challenge to a Division I athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential."

ACADEMIC SUPPORT CENTER

The USD Athletic Academic Support Program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degree. Academic Support Services are designed to enhance the student-athlete’s overall collegiate experience and encourage development and attainment of academic and career goals.

All USD student-athletes have access to advising, tutoring and mentoring services. The mentoring program, Access, was developed in 1999 and teams a graduate student in the Counseling program with an athlete who would like to enhance study skills, learn about campus resources and receive guidance on goal development and attainment. Student-athletes also have access to a quiet area where they can study or work in the computer center. In addition, student-athletes are encouraged to utilize the campus learning centers including the Writing, Math and Logic Centers as well as to take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.

USD ATHLETIC HALL OF FAME...

On October 11, 2003, John Cunningham was inducted into the Chet and Marguerite Pagni Family Athletic Hall of Fame. Although he coached USD baseball for 35 years, Cunningham was an assistant basketball coach for fifteen years (1962-1977). He became the seventh inductee that was involved with the USD men’s basketball program, joining Bernie Bickerstaff, Mike Whitmarsh, Gus Magee, Phil Woolpert, Scott Thompson and Jim Brovelli. All of these selections made huge impacts on USD basketball and helped pave the way to its current successful position in the NCAA Division I ranks.

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S."

Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county.

Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Pacific Life Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returned to San Diego in 2003 with the Tampa Bay Bucs beating the Oakland Raiders.

Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.!

Qualcomm Stadium, home to the San Diego Chargers and Padres, has hosted both the Super Bowl and World Series. It was the site of the 2003 Super Bowl this past January. The Pacific Life Holiday Bowl, recognized as "America's Most Exciting College Bowl Game," will be played Dec. 30th, 2003 and feature the Pac-10 runner up against the No. 3 from the Big 12.
THE UNIVERSITY OF SAN DIEGO ...

SETTING
The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

THE CAMPUS
The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th-century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD basketball and volleyball. Two years ago the Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and this past Fall the Donald P. Shiley Center for Science and Technology opened. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1999. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ACADEMICS
USD enrolls more than 7,200 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by U.S. News & World Report, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE
Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

ATHLETICS
The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team is in its tenth season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have made 38 NCAA post-season appearances; garnered 35 All-America selections; had 32 Conference Coaches of the Year; 25 Conference Players of the Year; 14 Conference Freshmen of the Year; won 13 conference championships; and 4 WCC Scholar Athletes of the Year. Last year saw the men's basketball program win their first WCC Basketball Tournament Championship and advance to the NCAA Tournament for the first time in sixteen years.

DID YOU KNOW?
The family of Donald and Darlene Shiley made the largest donation in its long history of philanthropy in 2002, a $10 million naming gift for what will be known as the Donald P. Shiley Center for Science and Technology. Construction for the 150,000-square foot Center began in 2001.

The new Center, which opened this Fall, contains 73 state-of-the-art laboratory facilities for chemistry, biology, marine science and environmental studies, biochemistry, physics and related sciences.

Additionally, the building will include aquariums, an astronomy deck, an aviary, a greenhouse, and conference areas to accommodate gatherings of science-related groups and organizations.
HEAD COACH BRAD HOLLAND:
Head coach Brad Holland enters his 10th year at the helm of the Torero men's basketball program and his 2003-04 lineup will have quite a different look from the team that won last year's West Coast Conference Basketball Championship and advanced to the NCAA Tournament. Gone from last year's 18-12 club are four senior starters that accounted for 73.4% of the team's scoring punch - center Jason Keep (18.0 ppg), forward Jason Blair (17.1 ppg), guard Roy Morris (12.3 ppg) and team captain and point guard Matt Delzell (8.0 ppg). Despite the loss of four starters, Holland has consistently proven over the past decade that he can mold his club into a cohesive group that plays well together as a team, and that will be competitive game in and game out.

THE RETURNING CLASS:
USD's lone returning starter is junior wing Corey Belser who was named the team's Best Defensive Player this past year. Look for the athletic Belser, who averaged 4.1 ppg and 4.5 rpg, to be asked to increase his offensive output, something he was not expected to do this past year. Two other returners that were in the team's eight-man rotation include junior guard Mike McGrain and sophomore forward/center Nick Lewis. McGrain was the team's first guard off the bench this past season and is projected as the team's starting point guard. Lewis, who gave the Toreros instant offense off the bench and was named the team's Most Improved Player after averaging 8.6 ppg, will play a key role again in USD's plans at both ends of the floor. Other returners back that will be counted on to produce include senior forward-center Abdou Sane, senior shooting guard Brad Lechtenberg and sophomore guard Travis Smith. The Toreros will also have the luxury of getting the services of junior shooting guard Brett Melton. Melton, a transfer from the University of Illinois who sat out last season, should give the Toreros one of the league's most dangerous three-point threats. He'll be counted on to supply a lot of offense that USD will be missing from the loss of their four seniors.

THE NEWCOMERS:
The Torero coaching staff, which has concentrated on getting more athletic through their recruiting efforts, have a trio of incoming recruits who will be expected to contribute immediately - junior forward Brandon Gay (Missouri City, TX), junior forward/center Brice Vounang (Dschang, Cameroon) and freshman guard Michael Hubbard (Los Angeles, CA). Gay, a 6-8 forward from Seward County CC in Kansas, was named the Most Valuable Player of the Jayhawk West Conference after averaging 14.9 ppg and 8.4 rpg; Vounang averaged 18.0 ppg and 9.0 rpg at Eastern
Oklahoma State Junior College while earning All-Bi-State Conference honors; and Hubbard, who sat out last season at Fullerton Junior College after he suffered a MCL injury to his right knee, will compete for playing time at the point guard slot. Avi Fogel, a 6-2 point guard out of nearby Torrey Pines High School, will walk-on this year with the Toreros after a stellar high school career with the Falcons.

THE REDSHIRT CLASS:
The Torero coaching staff has brought in three players that will sit out the upcoming campaign and won't be eligible until the 2004-05 season. This trio will play a key role in helping USD continue its winning ways with their everyday play in practices. Floyd North, III returns to San Diego after two years with the Oregon State program. He started 33 of 57 games with the Beavers and last year averaged 5.3 ppg and 3.6 rpg. He prepped at Saint Augustine HS where he concluded his prep career with 2,039 points after averaging 23.6 ppg his senior year. He was tabbed the San Diego Union-Tribune Player of the Year. Also joining the Toreros is 6-9 center Andrew Zahn, by way of the University of Arizona and Biola, and 6-1 guard Ross DeRogatis, a transfer from Oklahoma State.

TOUGH SCHEDULE AHEAD:
The Toreros will once again play a very demanding and tough schedule with just four nonconference games slated for the friendly confines of the Jenny Craig Pavilion. USD will open their season at the Dell BCA Classic (Nov. 15-17), an 8-team tourney which will be hosted by Xavier University. The Toreros will open with Oakland, and play either UC Irvine or Illinois-Chicago in the second game. They'll follow that up with a trip to Creighton (Nov. 22) before hosting Southern Methodist (Nov. 28) and San Diego State (Dec. 3). Other tough road opponents include trips to Utah, UC Santa Barbara, Northern Arizona, Southwest Missouri State and New Mexico. The Toreros will also compete in the Arizona Holiday Classic (Dec. 29-30) and will face the host Sundevils in the first game. West Coast Conference play begins Jan. 15th at home with LMU and culminates with a tough trip to the Pacific Northwest against Gonzaga (Feb. 26; ESPN2 telecast) and Portland (Feb. 28). This year's WCC Tournament will be played at Santa Clara University (March 5-8, 2004).

BRAD HOLLAND
10th year

Two-time WCC Coach of the Year

The 2003-2004 season is Brad Holland's tenth at the helm of the USD men's basketball program. Holland has guided USD to 88 victories over the past five seasons, including a personal-best 20 win season in 1999-2000. This past year he guided USD to an impressive 18-12 mark; to the 2003 West Coast Conference Basketball Championship title; and to the program's first trip to the NCAA Tournament in sixteen years.

This past season was highlighted early on by the team's 86-81 overtime win at UCLA. The Toreros would go on to tally a 10-4 2nd place finish in the WCC standings. With the 2nd place mark the Toreros earned a double-bye into the WCC Tournament semifinals; they knocked off San Francisco in the semifinal, then beat Gonzaga in front of a national TV audience in the title game to earn the league's automatic bid into the NCAA Tournament. They gave the Stanford Cardinal a battle before falling 77-69 in NCAA 1st round action. Senior center Jason Keep became the program's first ever 1st Team selection for District 15.

Two seasons ago, for the second straight year, Holland guided the Toreros to a 16-13 mark and a semifinal appearance in the WCC Championships. The Toreros earned quality nonconference wins over UC Irvine and San Diego State (4th straight year), along with key WCC wins over Santa Clara (on the road) and San Francisco (twice). Senior guard Andre Laws became the first Torero since 1987 to earn District 15 honors (2nd Team).

Four seasons ago he guided the Toreros to a 20-9 overall mark and 10-4 WCC finish. The 20 wins and 10 WCC victories were the school's most since the 1987 season. For his efforts, Holland was named the WCC Coach of the Year by his peers for the second straight season. The Toreros won seven of their final ten games to finish strong again, a trait of Holland coached teams. The season was highlighted by WCC wins at Gonzaga (82-70), and at home over WCC champion Pepperdine (73-62). The Toreros finished 11-2 at home, and were 9-7 on the road, including an excellent 5-2 WCC road mark.

He earned his first WCC Coach of the Year honor during the 1998-99 campaign when he directed USD to an 18-9 record and a second place finish in the West Coast Conference race (9-5). Highlights from the 1998-99 squad included the team's victory over Texas in the Torero Tip-Off, and the team's upset over then No. 25-ranked Gonzaga (75-59). In 1997-98 Holland guided USD to a 14-14 overall record and a third straight semifinal appearance in the West Coast Conference Tournament. The Toreros won five of their final eight contests and earned solid victories over WCC champion Gonzaga, and two wins over WCC runner-up Pepperdine.

Holland owns a ten-year mark of 144-111 at USD — including his two-year stint at Cal State Fullerton, his career coaching record sits at 167-142. He has strung together five straight winning campaigns, and eight straight seasons with .500 or better records.

Seven seasons ago he directed the Toreros to a 17-11 record; the 17 wins were a personal-best for Holland in six years as a collegiate head coach. The Toreros advanced to the semifinals of the WCC Tournament after defeating Gonzaga in the opener. They finished the season on a strong note, winning seven of their final nine. Included in the team's 17 victories were solid nonconference wins against San Jose State, Cal State Fullerton, UC Santa Barbara and UC Irvine. Although they came up short, the Toreros played Kansas to seven points in Lawrence (72-79) and Stanford to two (70-72) at the San Diego Sports Arena.

The 1995-96 club, hit with a variety of injuries throughout the year, finished strong and ended the year at 14-14. In his first year at USD Brad guided the Toreros to an 11-6 overall record and a fifth place finish in the West Coast Conference. The season was highlighted early-on when the Toreros downed visiting Notre Dame, 90-76, on December 3rd before 6,522 fans at the San Diego Sports Arena.

Prior to USD Holland won rave reviews for the manner in which he revitalized the Cal State Fullerton men's basketball program. During the 1992-93 season, his first as a head coach, the Titans finished 15-12 and posted the school's first winning record in four years while going 10-8 in the Big West Conference. Along the way they beat every team in the conference except New Mexico State, capping the year with an exciting one-point home victory over nationally ranked UNLV. His 1993-94 team, which lost three players to season-ending injuries prior to the start of the season, finished 8-19 overall and eighth in Big West play. They did have some memorable victories — they won at Nevada and UC Santa Barbara's Thunderdome; they won for the third year in a row at UC Irvine; and they knocked off UNLV with a 84-75 victory at the Thomas and Mack Center.

Prior to his appointment at Cal State Fullerton, Holland was an assistant coach on Jim Harrick's staff at UCLA from August, 1988 to March, 1992. He helped the Bruins return to national prominence while compiling a 93-35 record that took them to four NCAA tournaments. Success as a head coach is merely the latest positive mark Holland has made in Southern California basketball. He was a basketball and football star at Crescenta Valley High School. He was a four-year basketball letterman at UCLA and played with the Los Angeles Lakers and two other National Basketball Association teams before retiring in 1982 due to a knee injury. He entered private business and also was a broadcaster for Prime Ticket from 1985 to 1988.

Holland was the last player recruited by Coach John Wooden and became a part of four Pac-10 championship teams at UCLA from 1976 to 1979, two under Coach Gene Bartow and two under Coach Gary Cunningham. The Bruins went 102-17 during Holland's playing career and he was honorable mention All-America and second-team Academic All-America as a senior. That year he averaged 17.5 points and 4.8 assists and had a .589 field goal percentage, the best ever by a Bruin guard. He graduated in 1979 from UCLA with a B.A. degree in Sociology.

The Lakers drafted Holland in 1979, the 14th player taken in the first round, and went on to win the 1980 NBA championship. The rookie guard scored eight points in the decisive sixth game at Philadelphia. He finished his playing career in 1981-82 with Washington and Milwaukee.

Holland and his wife, Leslie, reside in Carlsbad. They have three children — twins Kristin and Lisa, fourth-year students at USD, and a son, Kyle.

BRIAN FISH
Associate Head Coach
2nd year

Brian Fish enters his second year on staff where he is coach Brad Holland's top assistant. He begins his first season in the capacity of Associate Head Coach. The 37-year-old Fish came to USD from Texas Christian University where he was an assistant coach on Billy Tubbs' staff since 1996.

At TCU Brian's chief responsibilities were as recruiting coordinator and in overseeing academics for the basketball team. Recognized as one of the finest young assistant coaches in the college ranks, his input in recruiting helped build the TCU program into a national contender for six seasons with the team compiling an overall record of 125-68 and advancing to postseason play three times.

A native of Seymour, Indiana, Fish was a first-team all-state selection at Seymour High School. Brian and his wife, Melyssa, are the parents of two children - Caryssa and Jordan.

STEVE FLINT
4th year

Steve Flint is entering his fourth year as assistant men's basketball coach at the University of San Diego. He will again work closely with the Toreros big men, as well as play a leading role in the team's recruiting and scouting efforts. He played a major role in Jason Keep's development and success the past two years at USD.

The 42-year-old Flint came to USD from Valparaiso University where he was an assistant coach for five straight seasons.

At Valparaiso, Flint was the primary coach for post players and was instrumental in VU's last six championship seasons in the Mid-Continent Conference and five straight NCAA Tournament appearances. Involved with the Crusaders' recruiting, Flint helped assemble the team that became the Cinderella story of the 1999 NCAA Tournament, advancing to the Sweet Sixteen.

Prior to Valparaiso, Flint gained extensive experience as a coach and player. He served as the general manager of the Columbus (Ohio) Basketball Club from February - August, 1995. While in Columbus, Flint was also the co-director of the Kriders Basketball Camp and the Adidas Summer Shootout. A native of Hayfork, California in the northern part of the state, Flint was head coach of basketball and football at Hayfork HS from 1991-93. A 1984 draft choice of the Portland Trailblazers, Flint played for Jerry Tarkanian at UNLV from 1980-82 before earning a degree in Political Science from UC San Diego in 1984.
Sam Scholl enters his fourth season on the Torero men's basketball coaching staff as an assistant, and his third as a full-time assistant to head coach Brad Holland. Scholl was the team's student assistant three years ago.

Scholl, along with top assistant Brian Fish, will work closely with the Torero guards. He also has the responsibility for film exchange; he is the team's academic coordinator for the players; and together with the rest of the staff, Sam works with scouting, recruiting and the other day-to-day operations of the program.

Scholl, the Toreros' lone senior on the team's 20-9 squad from 1999-2000, played guard for San Diego for two straight seasons.

Prior to USD he played two seasons at Tacoma Community College in Tacoma, Washington.

From Gig Harbor, Washington, Sam completed his undergraduate degree in Sociology at the University of San Diego in 2001. During the summers he oversees and runs the USD Boys Basketball Camps and this coming summer will be assisted by Nick Earnest. This past August Sam and his wife Heather were married. They reside in Del Mar, California.

Nick Earnest begins his first season on the USD Toreros coaching staff as the Head Team Manager. He'll assist head coach Brad Holland and the rest of the staff with the daily operations of the basketball program, and oversee the student managers. Earnest will also assist Sam Scholl with all of the boys summer camp programs.

Prior to USD Nick was at the University of Wyoming (2002-03) in the position of Administrative Assistant Basketball Coach for the Cowboys program. He helped prepare and organize home visit booklets and itineraries for the official campus visits; he created a recruiting database with information on over 1,000 prospective student-athletes; he developed scout tapes for more than 15 games; and he composed and distributed letters to prospective student-athletes.

Before his one year at Wyoming Nick earned additional experience with stops at Stephen F. Austin (2001-02) as the administrative assistant for the men's basketball program, and at Texas Christian University (1999-2001) where he was Head Manager. He was also a basketball teacher and coach at various U.S. campuses for youth basketball camps between 1998-1999.

During his time at Stephen F. Austin he was an instructor for the university where he taught basketball, tennis, softball, jogging and weight training courses. He also substituted for numerous other kinesiology courses at the university. He earned his B.S. degree from Texas Christian in Health and Human Services in May, 2001 where his major was Sports and Recreational Leadership. He went on to earn his Master of Science degree in May, 2003 from Wyoming where his major was Kinesiology and Health.

usdtoreros.com
The USD Toreros entered the 2002-2003 campaign without 80% of their scoring punch from the previous 16-13 club. Most preseason polls had them picked to finish anywhere between 4th and 6th in the West Coast Conference.

Ninth-year coach Brad Holland knew he might have something special with this group early on when the Toreros began the season 3-0. That stretch included an 86-81 overtime road win at then No. 14 ranked UCLA. In that game the Toreros showcased their 6-10, 280 lb. senior center - Jason Keep. Keep, who had transferred to USD from Oklahoma State, was just beginning his first and only season with the Toreros. That magical night he poured in 30 points and grabbed 16 rebounds.

With eight of their first thirteen games on the road, the Toreros hit some bumps along the way as they entered WCC play with a 6-7 record. After dropping their WCC home opener to Santa Clara, 67-65, coach Holland made a key change in his lineup. He moved senior Matt Delzell to the point guard spot and named him Team Captain. From that point on the Toreros would finish the season with a record of 12-3, including the program's first-ever West Coast Conference Tournament Championship, and the program's first trip to the NCAA Tournament in sixteen years. Despite giving Stanford all they could handle in the 1st round of the NCAA Tournament, the Toreros dropped a heart-wrenching 77-69 decision to the Cardinal.

USD's Jasons, Jason Keep and Jason Blair, provided the Toreros with one of the most consistent inside tandems on the west coast as both players earned First Team All-WCC honors. Keep was run-up as WCC Player of the Year despite leading the league in rebounding (9.1 rpg), field goal percentage (.604), and finishing a close second in scoring (18.0 ppg) to USF's Darrell Tucker (18.5). Blair finished fourth in scoring (17.1 ppg), rebounding (7.4 rpg) and field goal percentage (.516), and ranked second in free throw percentage (.847). Joining Delzell, Keep and Blair in the starting lineup was USD's fourth senior, guard Roy Morris. Morris was steady throughout the season and finished the season averaging 12.3 ppg. Sophomore wing Corey Belser was the only non-senior in the starting lineup and he gave the team a huge lift with his defensive skills and rebounding. First off the bench was 6-10 freshman forward Nick Lewis. Lewis gave the Toreros solid minutes and usually provided some instant offense with outstanding inside moves and outside shooting.

In their WCC Tournament championship game, in front of a national television audience on ESPN, the Toreros found themselves down 15-3 to start the game versus the Gonzaga Bulldogs. Despite the slow start, the team kept their composure and slowly but surely coast as both players earned First Team All-WCC honors. What do I need to do in order to play at San Diego as a freshman?

If you intend to participate in Division I or II athletics as a freshman, you must register and be certified by the NCAA Initial-Eligibility Clearinghouse. Your high school counselors should provide you with a student-release form and a brochure titled, “NCAA Guide for the College-Bound Student-Athlete.” In order to be registered with the clearinghouse, you must complete the student-release form and mail the top (white) copy of the form to the clearinghouse along with the $30 registration fee. Give the yellow and pink copies of the form to a high-school official who then sends the yellow copy, along with an official copy of your high-school transcript that includes your SAT or ACT score(s), to the clearinghouse. Your high school should keep the pink copy for its files. You may also register online at www.ncaaclearinghouse.net. After graduation and before the school closes for the summer, your school also must send the clearinghouse a copy of your final transcript that confirms graduation from high school. Your counselors can obtain registration materials, at no cost, by calling the clearinghouse at (319) 337-1492.

How do I know if I’m being recruited?

You become a “prospective student-athlete” when you start ninth-grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide prospective students generally. You become a “recruited prospective student-athlete” at a particular college if any coach approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches that cause you to become a recruited prospective student-athlete are (1) providing you with an official visit; (2) placing more than one telephone call to you or any other member of your family; or (3) visiting you or any other member of your family anywhere other than the college campus.

Boosters: In addition to general recruiting regulations, no alumni, boosters or representatives of a college’s athletics interests can be involved in your recruitment. There can be no phone calls or letters from boosters. If a USD booster is contacting you, please call the San Diego Compliance Office as soon as possible at (619) 260-7577. Don’t risk your NCAA eligibility!

When can I talk to the coach and have him/her see me play?

Telephone Calls: In all sports other than football and basketball, phone calls from staff members (but not boosters) are not permitted until July 1 after completion of your junior year. In men’s basketball, the telephone call to a prospect may be made during March of the prospect’s junior year in high school. In both men’s and women’s basketball, one telephone call to a prospect may be made on or after June 21 following the prospect’s junior year. In Football, a prospect may receive one phone call in May of the prospect’s junior year in high school and may start receiving additional calls after September 1 of your senior year. After this, a college coach is limited to one telephone call per week to you (or your parents or legal guardians), except that unlimited calls to you (or your parents or legal guardians) may be made under the following circumstances: (1) during the five days immediately before your official visit by the college you will be visiting; (2) on the day of a coach’s off-campus contact with you by that coach; (3) on the initial date for signing the National Letter of Intent in your sport through two days after the initial signing date; and (4) you (or your parents) may telephone a coach at your expense as often as you wish. Also, you may email a coach at anytime.

Off-Campus Contacts: A college coach may contact you in person off the college campus only on or after July 1 after the completion of your junior year in high school. A contact is any face-to-face meeting between a college coach or athletics staff member and you or your parents, during which any of you say more than “hello.” Also, any such face-to-face meeting that is prearranged or that takes place on your campus, at an organized competition or practice involving you or your high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation. Currently in all sports other than football, college coaches may contact you off the college campus no more than three times. However, a college coach may visit your high school (with the approval of your high school principal) only once a week during contact period.

Evaluations: An evaluation is any off-campus activity used to assess your academic qualifications or athletic ability, including a visit to your high school (during which no contact occurs) or watching you practice or compete at any site. Currently in all sports other than football and basketball, a college coach is limited to seven opportunities (contacts and evaluations combined) to recruit you and not more than three of the seven opportunities may be contacts. In basketball, coaches have a limit of five opportunities with which to recruit you (contact and evaluations combined) off the college campus. Not more than three of these five opportunities may be contacts. In football, a coach has three evaluation opportunities and six contact opportunities. Once you sign a National Letter of Intent, you may be evaluated an unlimited number of times by a college coach from the college with which you have signed.

Letters: Letters and printed recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school. However, you may still contact a university prior to this date to receive general information (non-athletic related) prior to this date. You may also complete an athletic questionnaire prior to this date.

What Can I Receive from San Diego?

You (or your family) may not receive any benefit, inducement or arrangement, such as cash, clothing, camp, improper expenses, transportation, gifts or loans to encourage you to sign a National Letter of Intent or attend an NCAA college. The University of San Diego may offer you a one-year scholarship that covers room and board, tuition and fees, and required course-related books, or any part of these. The institution can recommend that this aid be renewed each year, as is the general practice at the University of San Diego.

Who Do I Contact with any Questions on Eligibility?

You may contact Mike Matoso, USD’s Associate Director of Athletics for Compliance & Administration at 619-260-7577 or by email at mmatoso@sandiego.edu.
A Message From
President Mary Lyons

The University of San Diego is very proud of the student-athletes that represent our institution on 16 men's and women's NCAA Division-I athletic teams. These are proud and serious competitors, honored to represent the University. The dedication you witness on the playing fields, on the court, on the course, or in the water is greatly matched in the classrooms, the laboratories, on stage, or in the community. More than a third of our student-athletes carry a grade-point average above 3.2, and 11 of our teams have a cumulative grade-point average above 3.0.

Athletics is vital to the University of San Diego, a way students, faculty, staff and alumni come together as one community. I am both a university president and a Torero fan; I look forward to sharing the excitement of Torero athletics with our many fans.

We’ll continue to focus on our objectives together, work hard and have fun achieving those objectives.”

TOREROS DEFINED

The University of San Diego, which sponsors eleven NCAA Division I intercollegiate teams, competes under the athletic nickname of Toreros. In 1961, the Most Reverend Bishop Buddy, the founding father of USD, announced that the school's nickname would change from Pioneers to Toreros. "The name Toreros is keeping with the friendly relationship which exists between San Diego and Mexico," His Excellency said at the time. Torero comes from the Spanish term toro, the bull, and from the word torear, to fight bulls. All of the Colombian in the ring are called toreros. Torero is a general term describing a bullfighter and signifies courage, honor, and boldness. USD student-athletes, like the Toreros, represent a willingness to stand alone in the ring and accept the challenge.

The 2000-2001 school year marked the 40th anniversary with Toreros as the official nickname for USD athletic teams.
