# Welcome to USD

The University of San Diego is a modern university that reveres its roots. Computers abound. Students carry their entire music collections in their pockets. But USD also is a community that takes great pride in its past and its Catholic tradition.

The University of San Diego has for more than 50 years been dedicated to providing a values-based education that recognizes men and women as creatures of God, and to the continuing examination of Catholic tradition in contemporary life. USD's 180-acre campus, Alcalá Park, overlooks San Diego's Mission Bay and the spot where Father Junipero Serra celebrated the first Catholic Mass in Alta California more than 230 years ago. Like California's oldest city, the university took its name from San Diego de Alcalá, a Franciscan brother from Alcalá de Henares, a monastery near Madrid, Spain. The Spanish Renaissance architecture that characterizes Spain's five-century-old University of Alcalá serves as the inspiration for all buildings on the USD campus.

Under the leadership of Mother Rosalie Hill of the Society of the Sacred Heart and Bishop Charles Francis Buddy of the Diocese of San Diego, the University of San Diego began as separate colleges for men and women. The first classes met in 1952; the School of Law opened its doors in 1954. By the late 1960s it became clear that both colleges would benefit from combining academic resources, and in 1972 the University of San Diego became a single coeducational Catholic university.

Now governed by a board of trustees independent from the founding organizations, USD is a Roman Catholic institution that welcomes students, faculty and staff of diverse religious traditions and remains dedicated to the values originally articulated by Mother Hill and Bishop Buddy. Students choose from more than 60 undergraduate and graduate degree programs in academic divisions including the College of Arts and Sciences and the schools of Business Administration, Leadership and Education Sciences, Law, and Nursing and Health Science. Men aspiring to the Roman Catholic priesthood prepare for their vocation at the St. Francis Center for Priestly Formation.

## VISITING USD

We encourage prospective students to visit USD. Student-guided walking tours of the campus and information sessions with a USD admissions counselor are offered every weekday at 10 a.m. and 2 p.m. Tours also are available on select Saturdays between November and April.

# About San Diego

5

Spend some time in San Diego, and it quickly becomes apparent why it's such a popular destination. The weather is balmy year-round, and there's always something to do. Take up surfing, or just walk on the beach. When winter comes, drive a few hours to ski or play in the snow, or head for the desert to experience some spiritual cleansing. Soak up the atmosphere in the historic Gaslamp Quarter or the beach communities of Coronado, La Jolla and Pacific Beach.

San Diego is California's second largest city and the United States' seventh largest, with a population of nearly 1.3 million residents. The city boasts 70 miles of pristine beaches and an array of world-class family attractions, including the San Diego Zoo, the Wild Animal Park, SeaWorld and Legoland. The zoo is just a small part of Balboa Park, an urban expanse that houses numerous museums, art

galleries, beautiful gardens and the Tony Award-winning Old Globe Theatres. San Diegans also are getting to know Petco Park, the new downtown home of the San Diego Padres.

The Mission Bay Aquatic Center is the world's largest recreational waterfront facility, offering instruction in an array of water sports, including sailing, surfing and kayaking. The center is designed primarily for the students, faculty, staff and alumni of San Diego's colleges and universities.

# Academics

Admission to USD, which consistently ranks among the top schools in the United States, is highly selective. USD received more than 7,500 applications for approximately 1,050 undergraduate openings in Fall 2004. The Class of 2008 entered with a GPA of 3.65 and an average SAT score of 1190.

USD in 2003 joined the elite company of Phi Beta Kappa, the nation's oldest honor society. Nationwide, only about 10 percent of all colleges and universities have Phi Beta Kappa chapters. USD is one of only 18 Catholic institutions among the 270 chapters. The university was granted membership to the Mortar Board national honor society in 2000.

Applicants are expected to present a well-balanced secondary school program of college preparatory courses in English, foreign language, mathematics, laboratory science, history and social science. Both the content of the academic program and the quality of performance are considered. While SAT/ACT results are used to broaden USD's understanding of the applicant's potential, the university also is interested in the person behind the academic history. Participation in extracurricular activities at school, in the community or through church is taken into consideration when making admission decisions.

### Accreditation

## Living on Campus

Some 2,400 students — roughly half of all undergraduates and a small number of graduate students — live on campus. Residents are supervised by a full-time resident staff, 52 student resident assistants plus administrators, staff and graduate students. In addition, a number of faculty and University Ministry staff live in the residence halls.

There are five campus housing areas designated for freshmen: Camino Hall, Founders Hall, Maher Hall, and the Missions A and B complexes. Manchester Village, which opened in Fall 2002, accommodates some 330 upperclass students and houses the Wisdom for the Real World Program, designed to help students make a smooth transition upon graduation. Five other on-campus apart-

ment complexes also are available to accommodate sophomores, juniors, seniors and about 40 law and graduate students. Residential Learning Communities place students with similar interests — such as science, university ministry or social change — together.

### HOUSING INFORMATION

Call (619) 260-4777 or log on to [www.sandiego.edu/housing](http://www.sandiego.edu/housing). ### Student Learning Initiatives

The Office of Student Learning Initiatives, on the first floor of the Hahn University Center, offers student support and referral services including:

#### *Academic Assistance Support*

The Office of Student Learning Initiatives' professional staff and peer advisers conduct advising sessions to help students on academic probation develop an academic assistance plan. All students are welcome to participate in this program to improve their performances.

#### *Mentor Connection*

This peer-mentoring program helps new freshmen and transfer students connect with successful continuing USD students. Entering students must complete an application the summer before arriving at USD.

#### *Passport to Success*

Passport to Success offers more than 30 fall semester workshops designed specifically to assist freshmen with the transition to university life in and out of the classroom.

### Student Organizations

More than 65 organizations, including fraternities and sororities, academic clubs and intramural athletic groups, are open to students. For information, contact the Associated Students office at (619) 260-4802 or log on to [www.sandiego.edu/associatedstudents](http://www.sandiego.edu/associatedstudents).

### Art

Founders Gallery and The Fine Arts Galleries in the Joan B. Kroc Institute for Peace & Justice host frequent exhibits of a wide variety of artists and genres. The David W. May Indian Artifacts Gallery in Founders Hall hosts showings that celebrate American Indian culture and traditions. ### Speakers

USD's cultural and intellectual diversity is reinforced by the wide range of speakers who come to campus. Recent speakers include Mary Robinson, former U.N. high commissioner for human rights and former president of Ireland; German philosopher Jurgen Habermas, named in 2004 as one of *Time* magazine's 100 most influential people; and Gen. Anthony Zinni, former commander in chief of the U.S. Central Command.

### Music

A comprehensive music program includes regular performances by the USD Symphony, the USD Community Choir, the Opera Workshop and the Choral Scholars show choir. The program also presents frequent recitals by faculty and students, and performances by visiting artists.

# University Ministry

19

University Ministry helps students, faculty, staff and alumni nourish an adult faith, form a strong community of worship, serve the needy and act for justice.

The catalyst of spiritual life on campus, University Ministry invites people of all religious traditions and those still searching for religious identity to participate in its activities, which include retreats, Scripture study, pastoral counseling, spiritual direction, liturgical ministries, ecumenical services, worship, the Founders Chapel choir, faith reflection groups, and social justice and service opportunities.

USD is a Roman Catholic institution proud of the religious diversity on campus. The annual All-Faith Service celebrating the many faith traditions on campus is a USD tradition. The Jewish Student Union and the Intervarsity Christian Fellowship for Evangelical Christians are active campus organizations. Any student can receive information from University Ministry about on- and off-campus opportunities to practice any faith.

Programs for those interested in learning more about the Catholic faith or preparing for the Sacraments of Initiation (Baptism, Eucharist, Confirmation) are presented from mid-September through early April. University Ministry staff members are available to assist in preparation for marriage in Catholic churches.

Sunday Mass is celebrated in Founders Chapel at 7 p.m. and 9 p.m. throughout the school year; Mass also is celebrated daily at 12:10 p.m. Mass is celebrated at The Immaculata Parish on Saturdays at 4:30 p.m., Sundays at 9 a.m. and 11 a.m., and daily at 8 a.m.

Other WCC teams are Loyola Marymount, Pepperdine, Santa Clara, University of San Francisco, University of Portland, Gonzaga and St. Mary's. The Toreros nickname was chosen in 1961 by university founder Bishop Buddy to reflect USD's close affiliation with Spain. The traditional team colors are Columbia blue, navy blue and white.

USD boasts some of the best athletic facilities in the nation, including the Jenny Craig Pavilion, home of the basketball and volleyball teams and a fitness center open to all students, and an expanded and upgraded Torero Stadium, home of USD football and soccer. Significant renovations to Cunningham Baseball Stadium, the USD West Tennis Courts, the Manchester Canyon Field and the USD Softball Complex make the university's athletic infrastructure second to none.
