### OFFICE OF THE PRESIDENT - Very Rev. John Paul Cadden

Father Cadden spoke at a luncheon meeting of the Executive Committee of the California College and University Faculty Association at San Diego State College today. The topic of his talk was "The University of San Diego; Its Plans, Programs, and Relationship to San Diego State College." A question and answer period was a feature of the program. One of the professors present at the meeting said it would be very desirable for professors in one discipline to meet their colleagues from the University of San Diego and exchange ideas.

### OFFICE OF ADMISSIONS & RECORDS - Mr. Irving W. Parker

To this date, (February), the Office of Admissions reports that almost twice as many applications have been received as compared to the same date last year. There has also been a substantial increase in SAT board scores received this year.

Starting Wednesday, February 10, Mr. Parker will start his annual visitation to the 25 local high schools. (Ed. note: It appears that the recruiting program is bringing the desired results.)

### DIRECTOR OF SCHOOL RELATIONS - Rev. I. Brent Eagen

The Speakers Bureau of the College for Men and College for Women, accompanied by Fr. Eagen, is currently visiting Newman Centers and Parish High Schools of Religion throughout the diocese to acquaint students with the University of San Diego.

Father Eagen and Mr. Robin Schmidt of Phillips-Ramsey Public Relations Firm attended the convention of the American College Public Relations Association held at the Hotel Del Coronado last week. A highlight of the convention was an address by Mr. Thomas Jordan of University of San Francisco entitled, "How Private Are Private Funds". Mr. Jordan suggested that the state colleges and universities supported by taxation should think of charging tuition before seeking private funds for supplemental support.

Dean Parker and Father Eagen met with admissions officers and directors of recruitment from all the Catholic colleges in Southern California on February 3 in Santa Ana. This was the first meeting of its kind. This group plans to host the same personnel from all 13 Catholic colleges and universities in California some time in May. The purpose of the meeting will be to coordinate and improve recruiting procedures, as well as to study admission standards among the various schools.

DEPARTMENT OF SPEECH & DRAMATIC ARTS - Rev. John H. Cloonan

The annual passion play, Dowsett's "The Betrayal", is already in active rehearsal in Room 208. The two prime leads are played by Hubert Fontaine as Caiaphas and Philip Bolles as Pontius Pilate. Second lead parts are acted by James Molkenburr as Nicodemus, Kathleen Zaworski as Claudia, and Victor Peri as Gratus. Dates for production in More Hall are: Friday, April 2, Saturday, April 3, and Sunday, April 4. Mr. Donald Ernst, Chairman of the English Department, is assisting Father Cloonan in this year's work of directing the passion drama.

The annual Demosthenian Contest in original oratory will occur on Saturday, March 6, in More Hall Auditorium. This performance, which is scheduled for 8:00 P. M., will be sponsored and conducted by the Alcala Gaveliers, our forensics club.

Mr. Fred Sanders, a graduate student in speech arts at San Diego State College, will be aiding Mr. Eugene Bambic in forensics activities this semester, especially the U. S. D. Forensics Team.

With the possibility of adding Mr. Sanders to our departmental staff next fall extra courses are anticipated: World Theater, World Oratory, Phonetics, Speech Correction, and Semantics. Such an addition would enable us to offer a major in the field of speech.

ALCALA GUILD

Mrs. Audrey Curran, wife of Judge Robert O. Curran, was guest speaker at a recent meeting of the Alcala Guild. Mrs. Curran, a member of the San Diego Orchid Growers Association, used orchids from her home garden and hot house to demonstrate to Guild members the intricacies involved in fashioning corsages.

Mmes. John F. O'Donnell and John L. Wilper presided at the social hour.

SOCIETY FOR ADVANCEMENT OF MANAGEMENT

In a joint luncheon in the U. S. Grant Hotel of the San Diego Chamber of Commerce and the Society for Advancement of Management on January 22, Dr. Henry Singer, international director of the latter organization, spoke on "Changing Requirements for Managers in the 1970's". An editorial on his speech appeared in the San Diego Union on January 23.

Among the subjects discussed were the effects of automation, which are both good and bad; the enormous need for expansion of capital outlays; the increase in leisure time; the necessity for catering to the needs of young families which are growing rapidly; the importance of senior citizens especially due to retirement pension plans and private investing and the tie-in between science and management.

One of the big impacts on education Singer predicted would be that it will be a continuing process among schools, homes and communities with an increase in the number of year around schools and perhaps less formal education.

With a prediction of 250 million people in the United States by 1980 and a prediction of longer life for most all, some of the problems sounded rather awesome. All the universities in the area had representatives. Mr. and Mrs. Harold Dermody represented USD.

The school chapter added 16 new members this semester. Their first meeting will be in Room 207 on Thursday, February 11. Mr. Paul Alvard, a management consultant to the San Diego Employer's Association, will be the speaker. Refreshments will be served. Faculty is welcome.

---

### PSYCHOLOGY CLUB

Dr. Chet Pierce, psychiatrist from University of Oklahoma Medical School, will talk on "Sleep and Dreams". All students and faculty are invited to attend. Dr. Pierce has appeared here before and was well received. The meeting will be held Monday, February 15, at noon in Room 207.

### HOSPITAL ACCOUNTING & MANAGEMENT

The proposed courses "Hospital Accounting" and "Principles of Hospital Organization and Management" for the summer term 1965 have been well received by potential students. The faculty should be advised that both these courses are to be offered in our summer program. (Ed. note: Mr. Fargo informs me that only University of California, Berkeley, offers these courses on the west coast - which certainly should speak well for our institution.)

### SUGGESTION - FOR ACTION

Why not have an overall committee for the whole University of San Diego to sponsor and coordinate cultural and social events for the whole university? What do you think? Let's share our mutual advantages!

### LITURGICAL LAMENT

#### THE UPDATED CHURCH

Latin's gone  
Peace is too  
Singin', and shoutin'  
From every pew.

Rosary's out  
Psalms are in  
Hardly ever hear  
A word against sin.

Altar's turned round  
Priest is too  
Commentator's yellin'  
Page twenty two.

Listen to the Lector  
Hear how he reads  
Please stop rattlin'  
Them rosary beads.

Communion rail's goin'  
Stand up straight  
Kneelin' suddenly  
Went outta date.

Padre's looking puzzled  
Doesn't know his part  
Used to know the whole deal  
In Latin by heart.

Processions are formin'  
In every aisle  
Salvation's organized  
Single file.

I hope all changes  
Are just about done  
That they don't drop Bingo  
Before I've won.

THE EMERGING LAYMAN

The Layman's emerging  
Who let him out?  
He's going to cause confusion  
Without any doubt.

He's going to start checking  
If things are all right,  
He may even wonder  
If Father's real bright.

Who taught that chap  
To pray out loud?  
He was easier to handle  
In a nice quiet crowd.

Someone grab his missal,  
Swipe his hymn book too.  
Nudge him off the lectern  
Back into the pew.

Submerge that layman,  
Lower the boom.  
We'll have this church again  
Quiet as a TOMB.
