BILL GRIER ERA BEGINS

First year head coach Bill Grier was named USD's 11th head coach back on March 26th, 2007, and he immediately went to work on putting his personal stamp on Torero basketball. After assembling an outstanding staff, and getting acquainted with USD's returning players, he went to work on recruiting and putting together arguably USD's toughest schedule ever. He enters his first head coaching job without a senior on the roster, but will have the services of four starters and eight players back from last year's ball club that finished 18-14 and advanced to the semi-finals of the WCC Tournament.

POMARE & JOHNSON AMONG WCC'S BEST

Despite not having any seniors on the roster, Grier will look to junior center Gyno Pomare (Oceanside, CA) and junior point guard Brandon Johnson (Houston, TX) to supply most of the team leadership. In a vote by WCC head coaches, both of these players were picked among the top-six returning players in the conference.

Pomare, a fourth-year junior who had off-season foot surgery, is hoping to work his way back to his All-Conference ways. Last year he was named First Team All-WCC after leading the Toreros in scoring (14.9 ppg) and rebounding (8.3 rpg). He scored in double figures 29 times, and posted a team-best eight double-doubles in scoring and rebounding. Among WCC players, he ranked first in rebounding, 2nd in field goal percentage (.538), and 6th in both scoring and blocked shots (1.31). CollegeHoops.net has tabbed him a preseason honorable mention All-American.

Johnson, one of the top playmakers and quickest guards in the WCC, returns for his

junior campaign. Last year he earned WCC honorable mention recognition after leading the league in assists (4.75) and ranking 12th in scoring (12.8 ppg). In addition to making plays on the offense, Johnson tormented the Toreros' opponents on the defensive end, ranking fourth in the WCC in steals with 1.94 per game. He scored 23 points in USD's road upset over Cal in early December where he was named All-Tournament at the Golden Bear Classic. He went on to be named the WCC Player of the Month for December with the Toreros going 7-1 as a team.

ROUNDING OUT THE JUNIOR CLASS

Joining Pomare and Johnson in the junior class are three players with extensive playing experience. Wing Ray Murdock (Phoenix, AZ) and guard Danny Brown (Olathe, KS) are both third year players, while center Daniel Fleming (Murrieta, CA) is back for his second go around. Murdock is one of the team's top defensive players, and last season started 12 of 27 games he appeared in. He averaged 5.9 points per game and showed a knack for hitting the three-point shot, finishing the year at a 42.6% clip (26x61).

Brown appeared in 26 games and averaged just less than 12 minutes of action per game. He ranked fourth on the team in three-pointers made (21) and played a key role in the team's WCC Tournament win over San Francisco, coming off the bench late to hit two key three-pointers. Fleming earned 22 starts in 30 contests in his first year with the Toreros. He averaged 3.4 points while converting 45.5 percent of his shots from

the floor. He showed some range for a big guy by canning 11-of-32 threes, including a 4-for-4 performance in the team's home win over Cal State Bakersfield (Dec. 5, 2006).

THE RETURNERS

Completing USD's list of returnees is three sophomores and a red shirt freshman center. Chris Lewis (Bedford, TX) and De'Jon Jackson (Fresno, CA) both made an impact during their freshman campaign as both players were named to the WCC All-Freshman team. The 6-7 Lewis earned 18 starts while appearing in 31 games. He averaged 5.8 points and 2.9 rebounds while converting 44.1% of his shots and 70.8% from the free throw line. He scored in double figures five times with a personal-best 16 points at San Diego State.

Jackson turned in a solid first year appearing in 31 games with 3 starts. He averaged 4.2 points and 2.5 rebounds while dishing out 44 assists and canning 78.6% of his charity attempts. He turned in an outstanding game in a home win over Pepperdine with 10 points, 8 rebounds and 7 assists.

Lewis and Jackson are joined by second-year power forward Josh Miller (Chino Hills, CA), who sat out last year as a red-shirt, and sophomore walk-on forward Patrick Lacey (Sacramento, CA) who appeared in six games in a reserve role.

THE NEWCOMERS

Coach Grier welcomes five freshmen to this year's squad, including three players that he and his staff recruited. The two newcomers that committed prior to his arrival include forwards Rob Jones (San

Francisco, CA) and Clinton Houston (Dallas, TX). Jones, a 6-6 power-forward, was the San Francisco player of the year after averaging 17 points and 14 rebounds for Archbishop Riordan. The 6-7 Houston averaged 14 points and 9 rebounds at Marcus High School with the team finishing 30-7.

Grier's recruits include 6-2 point guard Trumaine Johnson (Houston, TX), 6-10 centers Nathan Lozeau (Marysville, WA) and 6-2 guard Devin Ginty (Alta, CA). Johnson averaged 9 points and 7 assists for Kingwood HS; Lozeau averaged 18 points at Marysville-Pilchuck where he was named AP Class 4A all-state honorable mention; and Ginty was league MVP and an All-State performer for Colfax HS which won their CIF section title.

SCHEDULE TO TEST TOREROS

Grier has put together a schedule that

is arguably the toughest in program-history. USD's non-conference slate features two teams in UNLV and USC that reached the NCAA Sweet Sixteen a year ago; two second round NCAA teams in Nevada and Kentucky; and Miami-Ohio, a first round NCAA entrant, is also a possible second day opponent at the Anaheim Classic over Thanksgiving Weekend. USD will also host cross-town rival San Diego State on Nov. 19th, and face perennial WCC power Gonzaga a minimum of two games.

West Coast Conference play will begin with a home game against San Francisco on Jan. 12th. Other WCC home dates include Santa Clara (Jan. 26th), Saint Mary's (Jan. 28th), Portland (Feb. 16th), Gonzaga (Feb. 18th), Pepperdine (Mar. 1st) and Loyola Marymount (Mar. 3rd). USD's first WCC road contest will be at Gonzaga on Jan. 19th, followed by games at Portland (Jan. 21st), LMU (Feb. 2nd), Pepperdine (Feb. 4th), San Francisco (Feb. 11th), Santa Clara (Feb. 23rd), and Saint Mary's (Feb. 25th).

USD and the Jenny Craig Pavilion will be the site for the 2008 West Coast Conference Basketball Championships, March 7-10 for the men's contests. San Diego previously hosted the WCC Championships for three straight years between 2001-03.

bill GRIER

**Head Coach
First-Season
Oregon, 1990**

Bill Grier enters his first year as head coach of the USD men's basketball program. He is USD's 11th head coach in program history and just the 4th coach since USD moved to the NCAA Division I ranks in 1979-80. Prior to USD, the 43-year-old Grier was at Gonzaga University the past sixteen years.

Hired on March 26, 2007, Grier immediately went to work on putting his personal stamp on Torero basketball. After assembling an outstanding staff, and getting acquainted with USD's returning players, he went to work on recruiting and putting together arguably USD's toughest schedule ever. He enters his first head coaching job without a senior on the roster, but will have the services of four starters and eight players back from last year's ball club that finished 18-14 and advanced to the semi-finals of the WCC Tournament.

"We were searching for a person with an overwhelming drive to succeed," said Ky Snyder, USD Executive Director of Athletics. "We found that and much more in Bill Grier. The people I talked with across the country, people who I greatly respect, had nothing but praise for Bill - a great person and family man, a teacher who is great at individual workouts, a tireless worker, demanding on the court but also with success in the classroom, a great recruiter, thorough in his approach, ready to become a head coach. It is with great pleasure that I am able to introduce the man that fits all of these descriptions as our new head men's basketball coach."

A highly motivated, detailed and results oriented basketball coach with excellent communication and teaching skills, Grier played an integral role in Gonzaga's arrival on the national scene. He began his career at Gonzaga in 1992 under head coach Dan Fitzgerald where he served as the restricted-earnings assistant for six years. He was elevated to a full-time assistant for the 1997-98 season when Dan Monson took over the head coaching reigns. During his two seasons

under Monson, the Bulldogs went 52-17, won back-to-back WCC titles, went to the 1998 NIT Sweet Sixteen and made it to the 1999 NCAA Elite Eight.

In July, 1999, when Monson accepted the Minnesota job, Mark Few was made the head coach and Grier stayed where he was promoted to top assistant. Over the past eight years Gonzaga saw nothing but continued success with the teams compiling a 211-52 record over that span. During this time the Zags won the WCC regular-season title seven times; the WCC Tournament title seven times; advanced to the NCAA Tournament eight times, including three trips to the Sweet Sixteen; and finished ranked in the top-10 of the final AP poll three times (2004-2006). Overall with Grier as an assistant coach, the Bulldogs have combined for an overall record of 381-126; won 11 regular-season WCC championships; won nine WCC Tournament titles (33-7 WCC tournament record); advanced to nine consecutive NCAA Tournaments, and ten overall, including four Sweet 16 appearances and the 1999 Elite Eight.

The past ten years Grier was the "defensive coordinator" for the Bulldogs, as well as being responsible for ten recruiting classes. He has developed the program into one known for its defense as much as it is for its offense. Since assuming the defensive role under former head coach Dan Monson, Gonzaga has led the WCC in field goal percentage defense six times, including the 3rd best mark in the nation in 2004. Responsible for the past ten recruiting classes, his 2007 class is the program's best yet,

He helped land 10 first team All-WCC performers, including the 1998 and 2000 WCC Freshmen of the Year. USF advanced to the NCAA Tournament in 1998 after winning the WCC Tournament title.

THIS IS USD

THE CAMPUS...

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

Under the leadership of Mother Rosalie Hill of the Society of the Sacred Heart and Bishop Charles Francis Buddy of the Diocese of San Diego, the University of San Diego began as separate colleges for men and women. The first classes met in 1952; the School of Law opened its doors in 1954. By the late 1960's it became clear that both colleges would benefit from combining academic resources, and in 1972 the University of San Diego became a single coeducational Catholic university.

Now governed by a board of trustees independent from the founding organizations, USD is a Roman Catholic institution that welcomes students, faculty and staff of diverse religions, traditions and remains dedicated to the values originally articulated by Mother Hill and Bishop Buddy. Students choose from more than 60 undergraduate and graduate degree programs in academic divisions including the College of Arts and Sciences and the schools of Business Administration, Leadership and Education Sciences, Law and Nursing and Health Science.

Men aspiring to the Roman Catholic priesthood prepare for their vocation at the St. Francis Center for Priestly Formation.

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD basketball and volleyball. In 2006, the School of Leadership and Education Sciences opened its new 80,000 square foot building overlooking Mission Bay. The Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and in 2003 the Donald P. Shiley Center for Science and Technology opened. The Degheri Alumni Center was built in 2002, which is a three-story, 28,000 square-foot building that was constructed as a home for the alumni family of USD. A five-story Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

THE ACADEMICS...

USD enrolls more than 7,600 students who have a choice of more than 60 undergraduate and graduate degree programs. Admission to USD, which consistently ranks among the top schools in the nation, is highly selective. USD received more than 10,000 applications for approximately 1,100 undergraduate openings in Fall of 2007. The class of 2009 entered with a GPA of 3.74 and an average SAT score of 1176.

USD has earned recognition in such publications as the 2006 edition of The Princeton Review annual college guide as being one of the best colleges in the United States. The Princeton Review recently included USD as one of the nation's most socially conscious institutions in its book, *Colleges with a Conscience: 81 Great Schools with Outstanding Community Involvement*.

USD in 2003, joined the elite company of Phi Beta Kappa, the nation's oldest honor society. Nationwide, only about 10 percent of all colleges and

universities have Phi Beta Kappa chapters. USD was granted membership to the Mortar Board National Honor Society in 2000.

In 2003, USD welcomed the addition of the 150,000-square-foot Donald P. Shiley Center for Science and Technology building, which provides an interdisciplinary science facility serving every USD student as he or she completes science course requirements.

The Joan B. Kroc Institute for Peace and Justice, opened in 2001, is one of 10 comprehensive peace centers nationwide with facilities for major international peace efforts.

SAN DIEGO, CALIFORNIA...

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

The city has mostly avoided the evils of urban sprawl, which has allowed its downtown to remain vi-

brant, especially the Gaslamp Quarter. San Diego is also home to the world-famous San Diego Zoo as well as Sea World. The city is great for families, but for those without kids, there is a lot to do as well.

San Diego is home to a number of military bases, primarily due to its location. In 1941, after the Pearl Harbor attacks, the U.S. established the headquarters of the Pacific Fleet in San Diego, and the city is now home to the largest air naval station on the west coast.

Unlike many cities, San Diego's airport is right next to downtown, increasing its convenience even more. It is hard to believe that San Diego is the nation's sixth-largest city, it just retains a small town feel.

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf

on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers play at Qualcomm Stadium, and the San Diego Padres play at Petco Park. During college football bowl week, San Diego annually hosts the Pacific Life Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returned to San Diego in 2003. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.!

THE JENNY CRAIG PAVILION

With the donation of 10 million dollars by Sid and Jenny Craig, the University of San Diego received the lead gift necessary to proceed with the planning of the 17.5 million dollar Jenny Craig Pavilion. The Jenny Craig Pavilion serves as home to the Torero men's and women's basketball teams as well as the Torero women's volleyball team. The Jenny Craig Pavilion officially opened its doors on Thursday, October 5, 2000 and was instantly recognized as one of the finest collegiate athletic facilities of its size.

The Jenny Craig Pavilion, located at the eastern end of campus between Torero Stadium and Cunningham Baseball Stadium, has a seating capacity of 5,100, a 3,800 square foot fitness center, coaches offices, athletic training facilities, locker rooms, a concession stand and reception room. The arena was constructed with the university's architectural theme of 16th century Spanish Renaissance, and contains state-of-the-art sound and lighting as well as two Daktronics video boards for spectator comfort.

This is the second home to USD basketball and volleyball teams, and seats twice the number of fans as the university's old Sports Center. Unlike basketball venues that have the scoreboard suspended over the center of the court, forcing some spectators to crane their necks to check the score, the Jenny Craig Pavilion was designed with large scoreboards and video screens on the north and south walls, and smaller scoreboards on the east and west sides.

Other benefits the coaches and administration appreciate are the opportunities to attract television coverage games, host concerts, USD tournaments and special games. The Jenny Craig Pavilion quickly garnered major attention from around the region, as the West Coast Conference selected USD as the site of the 2001, 2002, 2003 and 2008 WCC Basketball Championships, the 2002 California Junior College Basketball Championships, the annual Kiwanis Basketball Tournament, the Darrell Russell Celebrity Charity Basketball game, the 2003 NFL Celebrity Basketball Game, the Official Super Bowl XXXVII Luncheon, and the 2004 Judo National Championships.

HOME OF THE TOREROS > CAPACITY: 5,100

Over the summer in 2007, the men's basketball locker room received several upgrades, including a new big screen plasma television donated to USD by Sony. The Toreros floor also received a new look with updated logos and new floor finish.

TORERO ATHLETICS... A TRADITION OF SUCCESS

The University of San Diego has a long history of athletic success since making the jump from Division II to Division I back in 1979. The Toreros joined the West Coast Conference in 1979 and have remained loyal members of the conference ever since. The Toreros field 16 Division I teams with womens' sports including: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis.

The Toreros football team competes in the Pioneer Football League; the swimming and diving team compete in the Western Athletic Conference and the softball team competes in the Pacific Coast Softball Conference as the WCC does not sponsor these particular sports.

In the mid to late 1980's, the Torero athletics teams splashed on the national scene placing the small private school from Southern California on the map. In 1984, the Torero men's basketball team made its debut in the national spotlight winning the WCC Championship and making its inaugural appearance in the NCAA tournament. Three years later, the men's basketball team would again make an appearance in the NCAA Tournament after once again claiming the WCC championship. The Torero men's basketball team made one more appearance in the field of 64 after pulling off an upset win in the WCC Tournament championship game over heavily favored Gonzaga University in 2003 to receive the conference's automatic bid into the NCAA Tournament.

The success of Torero athletics was not limited to the men's basketball team. Several other teams began to splash on the national scene with the men's tennis program becoming the next athletic program to enter the NCAA postseason. In 1989 and 1990 the men's tennis team dominated the WCC and not only made it into the NCAA postseason, but advanced on to the second round in both seasons. Since then, the men's tennis program has maintained that success making five more appearances into the postseason with trips in 1995, 2003, 2004, 2005 and 2006. In 1990, four-time All-American Jose Luis Noriega enjoyed a lot of success advancing all the way to the quarterfinals in singles play, and in 2005 Pierrick Ysern was the national runner-up in singles play.

The tennis success was not limited to the men, as the Torero women have also seen success in the NCAA postseason, making eight trips to the postseason since the move to Division I in 1979. The women's tennis teams have made appearances from 1989-92, and 1995-99 with the 1989, 1990, 1997 and 1999 squads advancing into the second round. Like the men's program, the women have sent numerous individuals to the postseason with four-time NCAA All-American Zuzana Lesenarova claiming the national championship in 1999, giving USD it's first national championship at the Division I level.

In the early 1990's, Torero athletics began to succeed in other sports as well with arguably the highlight coming in the 1992 season when the men's soccer team became the national runner-up to the University of Virginia. The men's soccer team however was no stranger to the postseason having made it's inaugural appearance in the College Cup Tournament in 1990. Since then the Toreros have made nine more appearances in the postseason, advancing to the second round three times.

In 1993, the women's volleyball team began to make a lot of noise making their inaugural appearance in the postseason. The Toreros have since enjoyed 11 appearances in the postseason with the 2004 and 2006 squads advancing as far as the Sweet 16.

In 1993, the women's basketball team had one of its most successful seasons in program history as they made their inaugural trip into the NCAA Tournament after claiming the WCC Tournament Championship. The Toreros have since made one more trip to the "Big Dance" in 2000. This was a season in which USD pulled off a major upset in the WCC Championship game against heavily favored and top-seeded Pepperdine University. The Toreros then had their most successful season in program history during the 2006-07 season, eclipsing the 20-win mark, to a program best 21-9 finish, a program-best 2nd place finish in the WCC and a berth into the WNIT.

The Women's soccer program began to enjoy success in the mid 1990's. In 1996 they not only made their inaugural trip the College Cup Tournament, but advanced to the second round. Then from 1999-2004 the women's soccer team was a consistent participant in the postseason with the 1999 and 2004 squads advancing on to the second round.

After the turn of the century, the success of Torero athletics has continued. In 2002 and 2003, the baseball program made its mark in the postseason after capturing back-to-back WCC Championships and advancing to the NCAA Regionals both seasons to become the first baseball team in the Division I era to make the postseason. The baseball team has continued that success in 2006 as they earned their first at-large berth into the NCAA postseason and in 2007 the Toreros reached a program-best No. 4 national ranking and a No. 8 national seed in the NCAA Regionals after capturing the 2007 WCC crown.

The women's swimming team, which competes in the WAC, has shown recent success as they have sent individuals to the postseason in 2003, 2004 and 2006. In all three seasons Ashley Swart competed for USD in the 400 IM and 200 breast with her highest finish coming in the 2003 season when she placed 11th nationally in the 400 IM.

The USD football team has found recent success as well as they claimed the PFL championship in the 2005 season after posting a program-best 11-1 record. They finished ranked No. 1 in the final Sports Cup Division FCS (formerly I-AA) mid-major poll, and duplicated that record in 2006 for their second consecutive PFL championship and second mid-major national championship.

The USD golf team made its inaugural appearance in the NCAA Postseason in 2006.

WHAT ABOUT THE NICKNAME?

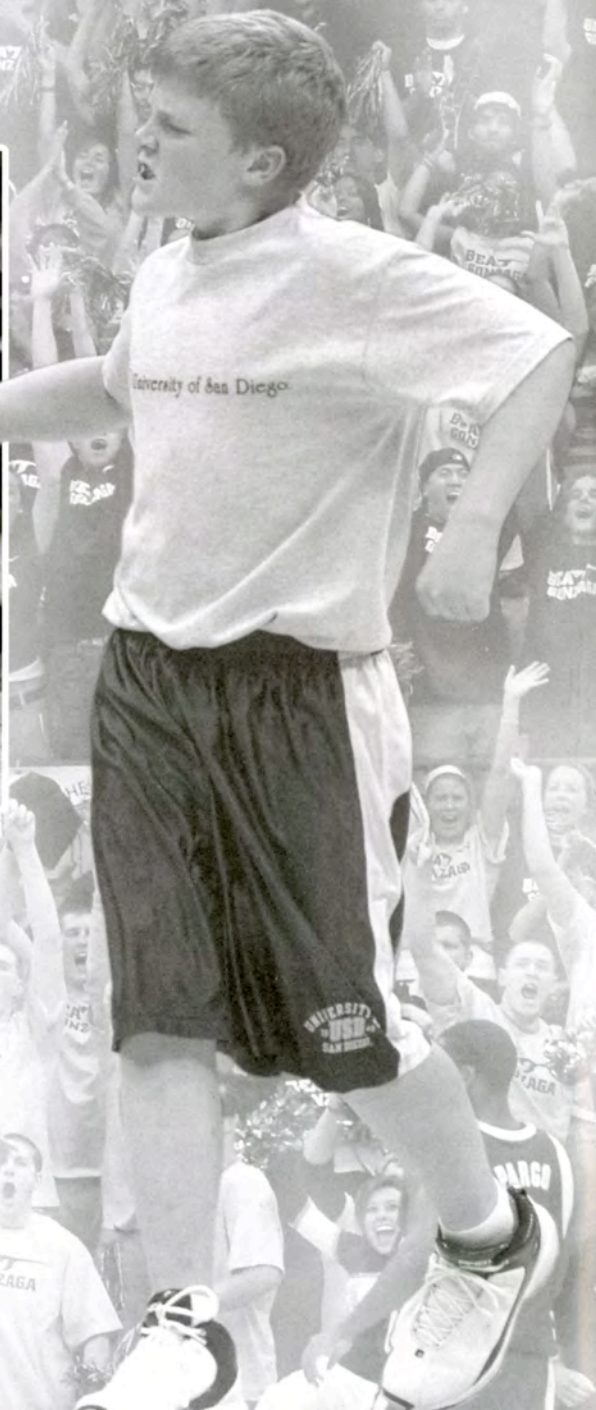

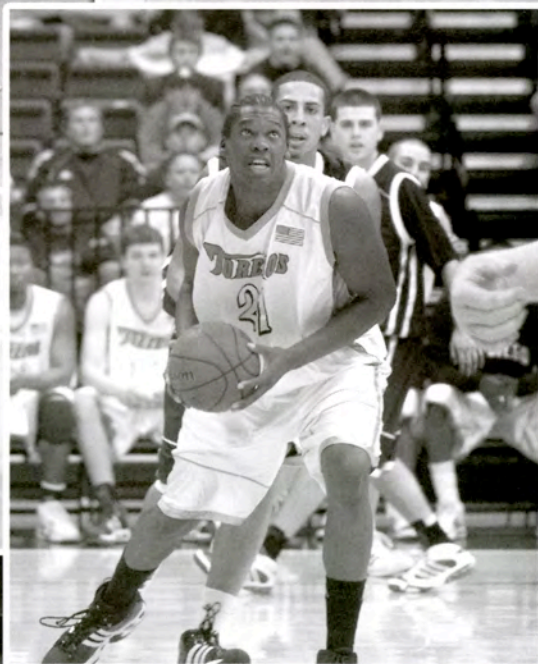

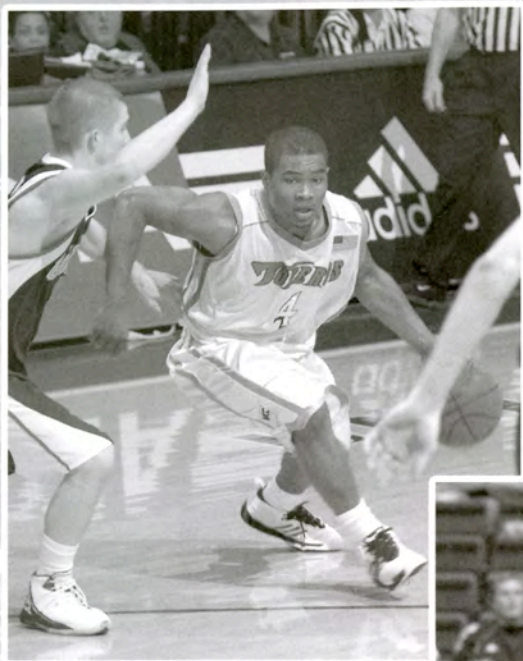

In 1961, the Most Reverend Bishop Buddy, the founding father of USD, announced that the school's nickname would change from the Pioneers to the Toreros. "The name Toreros is keeping with the friendly relationship which exists between San Diego and Mexico," his excellency said at the time.

Torero comes from the Spanish term toro, the bull, and from the word torear, to fight bulls. All of the contestants in the ring are called toreros. Torero is a general term describing a bullfighter and signifies courage, honor and fidelity. USD student-athletes, like the Torero, represent a willingness to stand alone in the ring and accept the challenge.

USD ATHLETIC FACILITIES

The Jenny Craig Pavilion

The Jenny Craig Pavilion serves as home to the Toreros men's and women's basketball teams as well as the women's volleyball team. This 17.5 million dollar area has a seating capacity of 5,100 as has quickly garnered major attention from around the region, and the West Coast Conference selected USD as the site of the 2001, 2002 and 2003 WCC Basketball Championships, it has hosted the 2002 California Junior College Basketball Championships, the annual Kiwanis Basketball Tournament, the Darrell Russell Celebrity Charity Basketball game, the 2003 NFL Celebrity Basketball Game, the Official Super Bowl XXXVII Luncheon, and the 2004 Judo National Championships.

Cunningham Baseball Stadium

The Cunningham Baseball Stadium serves as the home diamond to the USD Baseball team. Since its inception in 1970, the stadium has undergone several renovations. Prior to the 2003 campaign, the stadium received several significant additions. A "Turf Tech" synthetic grass surface was installed in the foul areas between first and third base. Secondly, a new press box was built at the top of Cunningham Stadium that keeps the central architectural theme of 16th century Spanish Renaissance alive. In addition, a new public address system has been added. The playing surface consists of "Bullseye" Bermuda grass and the dirt portion of the infield is crushed red brick. In 2006 the stadium received a brand new scoreboard.

Torero Stadium

Torero Stadium serves as home to both the USD football and soccer programs. The stadium received renovations that were completed in 2001 to host the WUSA San Diego Spirit, with over \$3.5 million dollars spent to enlarge the seating areas and add spectator comforts. Torero stadium capacity is now 7,000. In 2001, the installation of the upgraded lighting system took place, and the final piece of the renovations was a Daktronics video board that plays movie clips and replays, as well as scoreboard information. The playing surface is "Bullseye" Bermuda grass, with soccer dimensions measuring 118 yards x 72 yards, with football conforming to NCAA regulations. In 2006, the field was named the "Walter J. Zabel Field at Torero Stadium."

USD Softball Complex

The USD Softball Complex serves as the home diamond for the Torero softball team. The playing surface is "Bullseye" Bermuda grass, with the facility also including two batting cages that allow players to work on their hitting skills. A lighted LED Daktronics scoreboard sits over the right field fence and allows fans to be updated on game stats. Stadium seating capacity is 325, and spectators are also comforted by a full-service concessions stand and public facilities. The stadium is also lighted, enabling night games. In addition, a new public address system has been added, as well as a press box down the third base line.

That night 6-10 center Jason Keep poured in 30 points and grabbed 16 rebounds. The Toreros would go on to finish 10-4 in the WCC and 18-12 overall, and win their first ever WCC Tournament title with a 72-63 win over Gonzaga in the championship game played in USD's Jenny Craig Pavilion. On October 11, 2003, John Cunningham was inducted into the Chet and Marguerite Pagni Family Athletic Hall of Fame. Although he coached USD baseball for 35 years, Cunningham was an assistant basketball coach for fifteen years (1962-1977). He became the seventh inductee that was involved with the USD men's basketball program, joining Bernie Bickerstaff, Mike Whitmarsh, Gus Magee, Phil Woolpert, Scott Thompson and Jim Brovelli. All of these selections made huge impacts on USD basketball and helped pave the way to its current successful position in the NCAA Division I ranks.

NCAA COMPLIANCE

I want to play Division I intercollegiate athletics at San Diego...

What do I need to do in order to play at San Diego as a freshman?

If you intend to participate in Division I or II athletics as a freshman, you must register and be certified by the NCAA Initial-Eligibility Clearinghouse. Your high school counselors should provide you with a student-release form and a brochure titled, "NCAA Guide for the College-Bound Student-Athlete." In order to be registered with the clearinghouse, you must complete the student-release form and mail the top (white) copy of the form to the clearinghouse along with the \$50 registration fee. Give the yellow and pink copies of the form to a high-school official, who then sends the yellow copy, along with an official copy of your high-school transcript that includes your SAT or ACT score(s), to the clearinghouse. Your high school should keep the pink copy for its files. You may also register online at www.ncaaclearinghouse.net. After graduation and before the school closes for the summer, your school also must send the clearinghouse a copy of your final transcript that confirms graduation from high school. Your counselors can obtain registration materials, at no cost, by calling the clearinghouse at (319) 337-1492 or (877) 262-1492.

How do I know if I'm being recruited?

You become a "prospective student-athlete" when you start ninth-grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide prospective students generally. You become a "recruited prospective student-athlete" at a particular college if any coach approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches that cause you to become a recruited prospective student-athlete are (1) providing you with an official visit; (2) placing more than one telephone call to you or any other member of your family; or (3) visiting you or any other member of your family anywhere other than the college campus.

Boosters: In addition to general recruiting regulations, no alumni, boosters or representatives of a college's athletics interests can be involved in your recruitment. There can be no phone calls or letters from boosters. If a USD booster is contacting you, please call the San Diego Compliance Office as soon as possible at (619) 260-7577. Don't risk your NCAA eligibility!

When can I talk to the coach and have him/her see me play?

Telephone Calls: In Football, a prospect may receive one phone call in May of the prospects junior year in high school and may start receiving additional calls after September 1 of your senior year. After this, a college coach is limited to one telephone call per week to you (or your parents or legal guardians), except that unlimited calls to you (or your parents or legal guardians) may be made under the following circumstances: (1) during the five days immediately before your official visit by the college

you will be visiting; (2) on the day of a coach's off-campus contact with you by that coach; (3) on the initial date for signing the National Letter of Intent in your sport through two days after the initial signing date; and (4) you (or your parents) may telephone a coach at your expense as often as you wish. After a National Letter of Intent is signed, unlimited calls may be placed to the prospect.

Off-Campus Contacts: A college coach may contact you in person off the college campus only on or after July 1 after the completion of your junior year in high school. The contact must take place on the prospect's high school campus and follow restrictions on the sport's recruiting calendar. A contact is any face-to-face meeting between a college coach or athletics staff member and you or your parents, during which any of you say more than "hello." Also, any such face-to-face meeting that is prearranged or that takes place on your campus, at an organized competition or practice involving you or your high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation. However, a college coach may visit your high school (with the approval of your high school principal) only once a week during contact period.

Evaluations: An evaluation is any off-campus activity used to assess your academic qualifications or athletics ability, including a visit to your high school (during which no contact occurs) or watching you practice or compete at any site. In football, a coach has three evaluation opportunities and six contact opportunities. Once you sign a National Letter of Intent, you may be evaluated an unlimited number of times by a college coach from the college with which you have signed.

Letters: Letters and printed recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school. However, you may still contact a university prior to this date to receive general (non-athletic related) information. You may also complete an athletic questionnaire prior to this date.

What Can I Receive from San Diego?

You (or your family) may not receive any benefit, inducement or arrangement, such as cash, clothing, camp, improper expenses, transportation, gifts or loans to encourage you to sign a National Letter of Intent or attend an NCAA college.

Who do I contact with any Questions on Eligibility?

You may contact Shaney Fink, USD's Associate Director of Athletics for Compliance and Student Services/SWA at 619-260-4755 or by email at fink@sandiego.edu.

Dr. Mary E. Lyons
President

A Message From President Lyons

The University of San Diego is very proud of the student-athletes that represent our institution on 16 men's and women's NCAA Division-I athletic teams. These are proud and serious competitors, honored to represent the University. The dedication you witness on the playing fields, on the court, on the course, or in the water is greatly matched in the classrooms, the laboratories, on stage, or in the community. Last year thirty-eight percent of our student-athletes carried a grade-point average above 3.2, and ten of our teams had a cumulative grade-point average above 3.0.

Athletics is vital to the University of San Diego, a way students, faculty, staff and alumni come together as one community. I am both a university president and a Torero fan; I look forward to sharing the excitement of Torero athletics with our many fans.
