### OFFICE OF THE PRESIDENT:

#### University Chaplain

I am happy to announce the appointment of Reverend John Myhan, O. P., as Chaplain of the University of San Diego for the year 1973-74. In addition to the usual duties of the University Chaplain, Father Myhan will be chairing a committee during the coming year with the purpose of making a thorough study of campus ministry at U. S. D. and proposing recommendations for the integration of the ministry with other aspects of University of San Diego's programs.

#### Coordinator of Recreation

Mr. Jackson Muecke has been appointed to continue his work as Coordinator of Recreation at the University of San Diego during the year 1973-74. We are pleased that Jack has agreed to continue his relationship with the University, and we look forward to an expanded recreational program.

### EXPERTS ON COASTLINE MANAGEMENT WANTED:

California State University at San Diego is preparing a list of faculty from San Diego area universities who are interested in providing to local government agencies information for better coastline management. Some University of San Diego faculty were directly contacted for this project, but only four have replied. If you are interested in providing short-term consultation to such entities as the Regional Coastal Commission in your discipline as it relates to the full range of coastal zone management issues, please call Professor Winters at the Law School (ext. 373) or the Law School faculty secretary (ext. 371) and request a copy of the form to be used in getting your name on the list.

## U CLUB EVENT:

On August 20, 1973 at the Del Mar Turf Club, holders of USD season football tickets can get into the Turf Club. The 4th race that day will be dedicated to the University of San Diego U Club. There are 400 tickets available: a \$15.00 package deal includes admission to the Turf Club and season football tickets.

To reserve a ticket call Coach Vinci at ext. 234. Make checks payable to "USD Football".

## OFFICE OF DIRECTOR OF SECURITY:

In the past few weeks, three members of the USD community learned, much to their chagrin, that the lower drawer of their desk is not a secure place to store a purse or other items of value. In the first instance, one of our secretaries, who shall remain unnamed, left her purse unattended on two successive days while she performed an errand, leaving her office unlocked. By the end of the second day, she had been deprived of \$29.00.

More recently, an administrative staff member left her office momentarily to discover upon her return that her wallet containing \$4.00 in cash plus six credit cards had been removed from her purse.

In the third situation, one of our professors, under similar circumstances, again left her purse in her desk drawer. She lost \$75.00 in cash and a \$50.00 clock.

The moral of these incidents is: Know who is in your immediate area and lock your office. Better still, carry your purse with you at all times if you leave your work area. Security is everyone's concern.

## FASHION SHOWS IN CAMINO THEATRE:

On August 24 at 1 and 3 p.m., Robinson's Fashion Valley and Seventeen Magazine will present two fashion shows in Camino Theatre. Tickets are free and may be picked up in the Young California Shop, Robinson's.

Before, during, and after the show, Seventeen Magazine will be photographing their professional models on our campus. There will be eight pages of color photography in the November issue which USD will share with one other West Coast school. There are 12 editions of Seventeen which literally cover this country and Canada. We anticipate that the theatre will be filled to capacity for each show with high school and college age students - all future USD students. The occasion speaks for itself as far as campus cooperation. Robinson's and the Seventeen Magazine representatives have already remarked about the cooperation, friendliness and beauty of our campus.
