Third-year head coach Ron Caragher and his staff will look to continue their winning ways on the heels of back-to-back 9-2 campaigns. The Toreros return 55 players and 14 starters (8 offense/6 defense) from last year’s squad that tied for second in the Pioneer Football League race with a 6-2 mark. For the fourth straight year the Toreros have been picked by the PFL Coaches to win the Pioneer Football League title.

The offense will be in good hands with senior quarterback Sebastian Trujillo, a 2009 Walter Payton Award Watch candidate, back to lead the offensive attack. Last year Trujillo passed for 2,822 yards and 35 touchdowns on his way to earning First Team All-PFL honors. Although he will be without three of his graduated receivers that accounted for 164 receptions and 35 touchdowns, including All-America wideout John Matthews (102 for 1,478 and 21 TDs), Trujillo will have solid targets in junior WR Godfrey Smith (24 receptions for 164 yards, 1 TD), sophomore RB Phil Morelli (25-180 yards, 1 TD) out of the backfield.

Morelli and sophomore sidekick Matt Jelmini return at running back, along with the great news that JT Rogan was granted an additional year by the NCAA after suffering a season-ending injury in the 2008 opener. Morelli stepped in nicely for Rogan and finished with 757 yards and 7 TDs. Jelmini proved he belongs too with totals of 573 yards and 2 TDs. If healthy, Rogan will provide important depth and leadership at both running back and with the return game. He enters the 2009 campaign as the program’s all-time leader in rushing yards (3,013), touchdowns (47) and all-purpose yardage (5,344). In 2007 he was named a First Team All-American as a return specialist. Additional backfield depth will come from RB Brendan Feliczak (6-2, 228), who returns after missing the past two seasons, and sophomore fullback Kyle Sullivan (6-2, 240). The offensive line unit will be anchored by seniors Conrad Smith (6-6, 300), Patrick Calahan (6-4, 275), Kyle Kofoed (6-2, 290) and Nick Kostielney (6-3, 270).

Defensively the Toreros will be paced by First Team All-PFL returners Gabriel Derricks, a senior cornerback, and senior linebacker Derek Marten. Derricks is a 4-year starter for the Toreros, while Marten returns for his second and final Torero campaign after leading all tacklers with 53 stops in 2008. Sophomore Al-Rilwan Adeyemi, the 2008 PFL Freshman Defensive Player of the Year, is also back at cornerback. Adeyemi led USD with 5 interceptions, including two returns for touchdowns. The defense will also be bolstered by the return of senior DE Kevin Dunn (6-3, 240), senior safety Derek Pilkington (6-2, 215), senior DT Nick Coppedge (6-2, 240), junior DT Paul Tremblay (6-3, 275), junior DE Julian Strickland (6-2, 250), sophomore LB Loka Kanongataa (5-11, 220) and sophomore DB Frederick Obi (6-0, 190).

Three kickers will be competing for playing time with the special teams unit – senior James Cullen (33 points; 27-33 in PAT’s), redshirt freshman Mike Levine (Las Vegas, NV) and junior transfer Stanley Shurson (San Diego Mesa JC). The punting chores will go to sophomore Kyle Negrete (Fresno, CA). Last year Negrete averaged a solid 41.0 yards on 27 punts for the Toreros, including a long of 62. Look for the versatile Rogan, if healthy, to see plenty of action in the kickoff return game – he led the nation in 2007 with his 33.2 average. Other possible returners could include junior Derron Juarez and sophomore Al-Rilwan Adeyemi. Look for seniors Conrad Smith (long snapper) and Sean Cullina (holder) to play key roles as well.

USD plays four of its first five games on the road with Marist (Sept. 19th) the lone home contest prior to mid-October. Four of USD’s final six games are at home (Drake, Jacksonville, Davidson and Southern Utah) with the PFL Champion hosting the NEC champion in the Gridiron Classic on December 5th. All USD games will air on San Diego 1700 AM, in addition to being streamed at www.usdtoreros.com, with Jack Cronin providing the play-by-play.

Head Coach Ron Caragher enters his third season at the helm of the Torero football program. In 2008 he guided the Toreros to their second straight 9-2 record, and the team placed second in the PFL with its 6-2 mark. Senior WR John Matthews was named a First Team All-American and was also a Walter Payton Award candidate. He led all FCS receivers in catches (102), yards (1,478) and touchdowns (21). The season was capped off with the team's third straight win, a 28-20 home victory over scholarship-program UC Davis.

Caragher's first season was outstanding as he guided the Toreros to a 9-2 overall mark and 6-1 Pioneer Football League record, good for a share of first place. It marked the third straight season that the Toreros were crowned PFL Champions. USD finished ranked second in the final Sports Network FCS Mid-Major poll. Seven Toreros were named Sports Network FCS All-Americans, while eleven players were tabbed Mid-Major All-Americans by the same outlet. Senior quarterback Josh Johnson was drafted by the Tampa Bay Buccaneers in the 5th round, and three other players received looks by NFL clubs. Johnson, who passed for 43 touchdowns with just one interception, was a Walter Payton Award Finalist. Senior defensive end Eric Bakhtiari, who led the nation in sacks, was a finalist for the Ted Hendricks Award.

Under Caragher's guidance as Offensive Coordinator, the Toreros ranked first in the nation among Football Championship Subdivision (FCS) teams in scoring (44.36 points per game) and passing efficiency (197.35 rating). The 44 points per game average is a new USD single season record. Additionally, the Toreros ranked 3rd in the nation in total offense (483.1 yards per game).

The University of San Diego introduced Ron Caragher as its new head football coach on January 9, 2007. Caragher became the Toreros' 12th head football coach at USD and replaced Jim Harbaugh who was hired as Stanford's head coach.

"As I talked to people around the country, I kept hearing the same things about Ron Caragher," said Ky Snyder, Executive Director of Athletics. "He is a student of the game, elite class of coach, very knowledgeable, great recruiter, develops players, motivated, competitor, great family man, high character and integrity. These are the qualities you seek in a head coach and we have found them in Ron Caragher. He has had access to some of the best minds in coaching in Terry Donahue, Bob Toledo and Rich Brooks. He has been a winner his whole life and we expect that will continue at USD."

Prior to being hired at USD, Caragher, (pronounced "CARE-ah-ger"), spent four seasons (2003-2006) at the University of Kentucky as an assistant coach under Rich Brooks. He was the running backs coach all four years, and starting in 2005 served as Kentucky's Head Recruiting Coordinator. In 2006 Kentucky finished 8-5 overall, and 4-4 in the Southeast Conference Eastern Division, good for a tie for third place and the program's best league mark since 1993. The 8 wins is also the program's best...
win total since their 9-3 campaign back in 1984. The Wildcats finished off the 2006 season in fine fashion as they upset Clemson, 28-20, in the Music City Bowl on December 29th. It was Kentucky’s first bowl appearance since 1999, and the program’s first bowl win in 22 years.

Caragher also has Southern California ties. He spent nine seasons (1994-2002) on UCLA’s staff where he worked with both Terry Donahue and Bob Toledo. After two seasons as a Graduate Assistant, Caragher was promoted to assistant coach where he coached Bruin wide receivers. Additionally, he coached punters all seven seasons (1996-2002) and kickers for his final two years (2001-02).

During the 1997 and 1998 seasons, UCLA won a school-record 20 straight games and averaged more than 40 points per game while setting numerous school records. He coached in five bowl games during his term there, including the Aloha, Cotton, Rose, Sun, and Las Vegas bowls.

A native of Morgan Hill, California, Caragher was a three-sport letterman at Bellarmine College Prep (1982-84) where he earned three varsity letters as a quarterback in football. He earned an athletic scholarship to UCLA in 1985 and went on to earn four varsity letters (1986-89) and was part of teams that won four consecutive bowl games. After graduating from UCLA in 1990 with a B.A. in Psychology, Ron went on to earn his Master’s Degree in Education (Administrative Studies) in 1995.

Caragher and his wife, Wendy, have three sons, Josh, Ryan, and Scott.
The program’s Offensive Line coach his first two seasons, he has been continue to coach the offensive line unit as well. and overseeing our run game and pass protections in the past two seasons,” said head coach Ron Caragher. “He understands our philosophy on offense and is ready for this next step in his coaching career.”

This past season the Torero offense ranked first in the Pioneer Football League in scoring (35.3 points per game), total offense (405.4 yards per game), pass offense (269.1 yards per game) and pass efficiency (163.2 rating). The Torero offensive line played a key role in the success of USD’s offense.

The 2007 offensive line unit did an outstanding job with both run blocking and pass protection as the 9-2 Toreros averaged 44.3 points per game and 483.1 yards of offense. Senior linemen Jordan Paopao and Gabe DeAnda were named to the All-PFL First Team, while junior Deene Kabiling was tabbed a Second Team honoree. Additionally, Paopao and DeAnda were both accorded honorable mention All-America honors by The Sports Network.

Todd and his wife Shannon have three children, two boys and a girl - Cameron, Ava, and Zane.

Coach Darlington enters his second year with the USD football program as the program’s Defensive Coordinator. During the 2008 campaign that saw the Toreros go 9-2, the Torero defense ranked third in the Pioneer Football League in scoring defense (18.9 points per game) and third in rushing defense (112.9 yards per game).

With a rich history of coaching experience, he spent the 2007 season as the outside linebackers coach at Southeast Missouri State University. He came to Cape Girardeau after serving as the defensive coordinator at Louisiana Tech in 2006. Darlington has also coached at Nebraska, Marshall, San Jose State, Dartmouth and Lebanon Valley.

Darlington was a longtime Nebraska Cornhuskers assistant coach and became the first assistant in Division I-A history to be part of more than 300 wins at one institution. From 1973-85, he coached defensive ends and outside linebackers for the “Blackshirt” defense. From 1986-2002, he was the defensive backfield coach. He helped Nebraska to three national titles in 1994, 1995 and 1997 as well as numerous conference championships.

During his final seven seasons with Nebraska, his pass defense was ranked in the top 10 in the nation four times and in 17 seasons coaching the Cornhuskers secondary, his squad never ranked lower than 37th nationally.

In three of the last four years at Nebraska, Darlington’s defense was ranked second in the country twice and seventh once in pass defense efficiency.

While at Nebraska, he was the position coach for Southeast head coach Tony Samuel, wide receivers coach Lorenzo Brinkley and defensive backs coach Kenny Wilhite. Defensive coordinator Tim McGuire and offensive line coach Brian Boerboom also played for the Cornhuskers during his tenure as an assistant coach.

Following his time at Nebraska, Darlington moved on to Marshall from where he coached the secondary in 2005, safeties and special teams in 2004 and outside linebackers in 2003, in addition to serving as the teams’ recruiting coordinator.

Darlington was a collegiate two-sport star at Rutgers, earning three letters in football and two in lacrosse, where he was named third team All-American in 1961.

The Charleston, W.Va., native earned his bachelor’s degree from Rutgers in History and Physical Education in 1961 and a master’s degree in Education from Stanford in 1962.

Darlington is married to Susan Doetterl of Bloomfield, N.J., and the couple has three children, Lisa, David and Julie, and nine grandchildren.

In 2005 he earned his Bachelor of Arts in Sociology from UCLA after competing as a member of the Bruins football team. As a player he played for the Bruins for four seasons seeing action at U-back, fullback and tight end. He hails from Downingtown, PA.

Tanner Engstrand enters his fifth season with the Toreros and first as the quarterbacks coach.

The past two seasons he has served as the running backs coach and this past season he helped guide freshman running backs Phil Morelli and Matt Jelmini to 2nd team all conference and honorable mention, respectively, in place of injured starter JT Rogan. The two combined to rush for 1305 yards and 9 touchdowns. In his first season as the running backs coach the Toreros rushing attack averaged 185.8 yard per game and was led by junior JT Rogan who finished with 1,021 yards and 10 touchdowns. In 2008 in addition to his running back duties he was also the Director of Football Operations.

In 2005 and 2006 Tanner was an offensive assistant for the Toreros who finished with an 11-1 record both years. As an offense, the Toreros ranked first in the nation in total offense and scoring in 2006. During his time at USD the Toreros have garnered a 40-6 record.

Picked in the second round of the 1998 NFL Draft, Pathon played eight seasons with Indianapolis, New Orleans and Atlanta, finishing his career with 260 receptions for 3,350 yards and 15 touchdowns. In New Orleans, he was involved in the famous “River City Relay” play that won the 2004 ESPY Award for Best Play.

Pathon played collegiately at the University of Washington. He had one of the greatest seasons ever for a Washington wideout in 1997, setting records for receptions (69) and receiving yards (1,245) while earning first-team All-America honors. He ranks third all-time among Husky receivers, behind only Reggie Williams and Mario Bailey, with 2,275 career receiving yards.

He comes with both coaching and scouting experience. He recently has been working as an assistant to UW Huskies WR Coach Jimmie Dougherty while completing his B.A. degree in Marketing and Advertising. In 2008 he worked with the Indianapolis Colts (scouting internship during training camp) and the BC Lions (scouting internship during training camp).

He is the President of Jerome Pathon First & Long Football Camp which helps organize charity events to raise funds for Football British Columbia, and also coordinated various training sessions to promote ongoing development and goal setting for youth in the Vancouver community.

Mike Rish is beginning his 26th season on the Torero staff where he will again be Senior Offensive Assistant. He returns to help coach the receivers, something he has done for twenty-four of the past twenty-five Torero seasons. In 2008 the Torero receiving corp accounted for 243 receptions for 2,960 yards and 37 touchdowns. Senior John Matthews earned First Team All-America honors and was a final candidate for the Walter Payton Award. He led all FCS players with 102 receptions for 1,478 yards and 21 touchdowns. In 2007 the Torero receivers accounted for 3,270 yards and 48 touchdown receptions. Junior John Matthews set a new Torero mark with 16 touchdown receptions, while senior Wes Doyle tied the school mark of 73 receptions in a season.

Mike played for USD from 1979-83 where he posted career numbers that make him one of the best receivers ever to play at USD — he ranks second all-time with 101 receptions, 18 receiving touchdowns and 1,722 receiving yards. He held the school marks in all three career receiving departments from 1983 through 1997; he was passed by Torero receiver Dylan Ching.

In 1983 he was selected the team’s scholar-athlete by the National Football Foundation and College Hall of Fame. In the Toreros’ nationally-televised game between Occidental in 1982, Rish was named the CBS Chevrolet Player of the Game.

Mike graduated from USD with an Accounting degree in 1984. He is the Senior Vice President for Secondary Marketing for Guild Mortgage Company in San Diego.

Joe Staab joins the Torero staff following his playing career with USD the past five seasons. He will be a defensive assistant for the Toreros in 2009.

From San Diego, Joe prepped at nearby Grossmont High School. He graduated from USD with a Business degree and minor in Accounting.
Ken Stills joins the USD staff where he will coach the Toreros’ secondary.

Prior to that he was defensive back coach for NFLE Frankfurt Galaxy between 2003-2007. They won the World Bowl Championship in 2006 & 2003, and were World Bowl participants in 2007 & 2004.

He returns to USD where he was on the coaching staff in 1999. From nearby Oceanside, he prepped at El Camino HS (1977-81); played two years at El Camino College (1981-83); and finished his collegiate career at Wisconsin (1983-85) where he was a Big Ten performer. He was an 8th round draft pick by the Green Bay Packers in 1985, and played in their organization until 1990. He played his last two seasons in the NFL with Minnesota (1990-91).

Jon Sumrall is in his third year as the defensive line coach at the University of San Diego. He also serves as USD’s recruiting coordinator and camp coordinator. He came to the University of San Diego from the University of Kentucky, where he worked with USD head coach Ron Caragher.

In 2007 Sumrall coached defensive end Eric Bakhtiari who was a 2007 Walter Camp First Team All American and an AP First Team All American in the Football Championship Subdivision. Bakhtiari also earned honors as a finalist for the Ted Hendricks Award, Pioneer Football League Defensive Player of the Year, and USD’s Defensive MVP. Bakhtiari’s season totals for 2007 were 76 tackles, 24.5 tackles for loss, and 20 sacks. The 20 sacks led the FCS for sacks in the 2007 season. Sumrall also oversaw the development of defensive tackle Alex Rice who was tabbed as USD’s Most Improved Defensive Player of the Year by the Torero’s coaching staff.

Sumrall spent two seasons (2005-2006) serving as the defensive graduate assistant at his alma mater, the University of Kentucky. In 2006 Kentucky recorded an 8-5 record and finished the season with a victory over Clemson in the Music City Bowl. While at Kentucky he worked with the linebackers and the secondary. He also had a lead responsibility in breaking down opponent film, organizing scouting reports, handling “self scout” of UK tendencies, and running the offensive scout team. As a collegiate player Sumrall was a three-year letterman at middle linebacker for the Kentucky Wildcats from 2002-04. His best season came in 2004 when he started every game while leading the team with 72 tackles. As a high school player at Grissom High School in Huntsville, Alabama, Sumrall was a two time all-state performer and a four year letterman.

Sumrall completed his bachelor’s degree in finance and is working on a master’s degree in sports leadership. While in college he was a member of the Southeastern Conference Academic Honor Roll and also was selected for the Frank G. Ham Society of Character by UK Athletics.

Andrew Rolin enters his first year on the Torero football staff as an Undergraduate Assistant.

No stranger to Torero football, Rolin was a member of the football team for three seasons (2005-2007), and competed at the quarterback position in 2006-2007. He missed the 2008 campaign following a lower back injury.

In 2007 he appeared in 7 games and completed 20-of-28 passes for 249 yards and 5 touchdowns. He started the road opener at Azusa Pacific and completed 12-of-16 passes for 177 yards and 4 touchdowns in the team’s 42-32 victory. In 2006 he appeared in 6 games, and sat out the 2005 season as a redshirt. Prior to USD he attended Cordova High School where in his senior year he passed for 1,500 yards. He was named team captain, offensive MVP and All-Sierra Valley Conference. Rolin also earned All-League honors in basketball.

He is currently finishing up his work on his Business Administration degree.
Dorian Keller enters his second year with the football staff and this season will be in a non-coaching role as the administrative assistant. He will assist with the day-to-day operations of the football office. This past spring he worked with the coaching staff as a wide receivers coach, and last year was an undergraduate assistant working mainly with the offensive unit.

Keller graduated from USD in the fall of 2008, majoring in Psychology and also getting a minor in Business Administration. Keller transferred to USD in 2006 and was a member of the '06 squad as a wide receiver. That same season he sustained a career ending knee injury.

Prior to USD he played two season at Santa Rosa Junior College where he was a team captain and 1st team Academic All-American. He attended El Molino High School in Forestville, California. He was a two-way player (wide receiver & corner) earning All-Conference recognition as a receiver. Keller was born and raised in Santa Rosa, California.

Father Owen Mullen first joined the University of San Diego campus as University Chaplain in 1981. Throughout the '80s he played a key role with the Torero football program, providing both spiritual counseling and friendship. In 1989 he left USD, and until 2003 Father Mullen was on active duty in the Army and served as Chaplain at the United States Military Academy at West Point and then Senior Chaplain to the U.S. Army Hawaii.

Mullen returned in 2004 as University Chaplain, and once again has played a key role in providing spiritual guidance for all USD student-athletes. Besides stopping by at numerous football practices, he makes every home game and most road trips where he provides a game day mass and homily.

“We are very thankful for Father Mullen as he plays a vital role in the success of our program,” said USD football coach Ron Caragher. “From his inspiring homilies that he delivers in our pregame Mass, to his availability as a mentor, spiritual counselor, and/or friend, his presence in our football program is valued and appreciated.”

Besides his involvement on campus with University Ministry, Father Mullen is also dedicated to the Naval NROTC, Phi Kappa Theta Fraternity, Torero Baseball and USD's club men's lacrosse program.

2008 TORERO ACADEMIC SUCCESS

The USD football team had five players named to the 2008 Pioneer Football League All-Academic Teams. Led by senior defensive lineman Christopher Gianelli (Palos Verdes, CA), who was also named District VIII ESPN The Magazine First Team Academic All-American, the Toreros placed three on the PFL First Team. Gianelli, the team’s 2008 Most Valuable Defensive Player, carried a 3.57 grade-point average in his major of Electrical Engineering. Additionally, he was the school’s scholar-athlete pick for the National Football Foundation and College Hall of Fame.

Joining Gianelli on the PFL All-Academic First Team was senior wide receiver Ben Hannula (Tacoma, WA), who tallied a 3.51 GPA in Business Administration; and senior safety Patrick O’Neill (Mission Viejo, CA), who garnered a 3.82 GPA in Business and Marketing. USD had two players named to the PFL All-Academic 2nd Team – senior receiver John Matthews (Littleton, CO) who carried a 3.07 GPA as a Business Administration major; and junior offensive lineman Conrad Smith (Long Beach, CA), who carried a 3.11 GPA as a Business Administration major.

O’Neill, a three-time USD Scholar-Athlete of the Year winner, was one of 43 winners of the 11th annual Football Championship Subdivision Athletics Directors Association Academic All-Star Team. There were 79 total nominees and the winners were announced at the FCS football championship game in Chattanooga, Tennessee. O’Neill was also one of 164 semifinalists for the 2008 Draddy Trophy, and was a candidate for the 2008 National Football Foundation National Scholar-Athlete Awards.

A total of thirty-five Toreros earned grade-point averages of 3.0 or better and were named to the Pioneer Football League Honor Roll.
The 2009 season marks the 17th year for the Pioneer Football League – the nation's only non-scholarship NCAA Football Championship Subdivision conference.

The league will expand to 10 members in 2009 as Marist College begins conference play. In addition, the Pioneer Football League will participate for the third consecutive year in the Gridiron Classic, a postseason championship game which pits the PFL champion against the Northeast Conference champion.

The PFL is one of only two conferences that sponsor football as its only sport (the Missouri Valley Football Conference being the other). However, the PFL is a truly national conference with members on each coast and throughout the nation's heartland. The league still retains four of its charter members – Butler University, the University of Dayton, Drake University and Valparaiso University, plus the University of San Diego (joining in 1992) – which were joined in 2001 by Davidson College, Jacksonville University and Morehead State University. Campbell University joined the PFL in 2008, its first season of intercollegiate football.

In January 1991 the NCAA passed legislation to require Division I institutions to sponsor all intercollegiate sports at the Division I level. The five charter members (Evansville the fifth before dropping football in 1997), each dedicated to the enhancement and sound management of intercollegiate football as an integral part of the student-athletes’ collegiate experience, joined together to form the Pioneer Football League. From the league’s inception it has been a proponent of the creation of a non-scholarship football classification within Division I and adopted the moniker of Pioneer based on the intent to become the first league in that new division. The PFL is comprised of NCAA Division I universities that previously sponsored intercollegiate football at other levels with the exception of Jacksonville, which started a non-scholarship program in 1998. All are currently committed to the non-scholarship football model.

The PFL began play in 1993 with Dayton winning the league’s first crown. The league spent its first season in 1993 under the administrative guidance of the Midwestern Collegiate Conference, and the office moved to St. Louis in 1994 when current commissioner Patty Viverito was named the PFL commissioner, a leadership position she continues to fill.

### GRIDIRON CLASSIC

Entering its fourth season, the Gridiron Classic matches the champions of the Pioneer Football League and Northeast Conference in an exempted postseason football contest. The inaugural Gridiron Classic took place Dec. 2, 2006 with PFL Champion San Diego traveling to NEC Champion Monmouth, San Diego posting a 27-7 victory in front of a national television audience.

**About the Pioneer Football League**
The 2009 season marks the 17th year for the Pioneer Football League — the nation's only non-scholarship NCAA Football Championship Subdivision conference. The PFL is one of only two conferences that sponsor football as its only sport (the Missouri Valley Football Conference being the other).

However, the PFL is a truly national conference with members on each coast and throughout the nation's heartland. The league still retains four of its charter members — Butler University, the University of Dayton, Drake University and Valparaiso University, plus the University of San Diego (joining in 1992) — which were joined in 2001 by Davidson College, Jacksonville University and Morehead State University. The league expanded to nine members in 2008 with Campbell University joining the league's ranks in its first season of intercollegiate football. The PFL expands again in 2009 as Marist College begins conference play.

**About the Northeast Conference**
The Northeast Conference consists of 12 institutions located throughout five states and is celebrating its 27th year as an NCAA Division I collegiate athletic association. The NEC began sponsoring football at the I-AA level in 1996, and has since increased its membership from five to eight institutions. Central Connecticut State, Monmouth, Robert Morris, Sacred Heart, St. Francis (Penn.) and Wagner are full-time NEC members who sponsor football, and they are joined by associate members Albany and 2008-addition Duquesne.

Jan Chapman was a three-sport letter winner at the University of San Diego, but it was football where he made a name for himself. His three-year totals as quarterback included 2,573 yards and 23 touchdowns on 188-for-367 passing. His senior year was his best when he completed 85-for-167 passes for 1,087 yards and 9 TD’s, ranking him 23rd in the nation. Also as a punter, he ranked 3rd in the nation his sophomore year (43.8 yards per punt) and 6th in his senior campaign (43.2). He is the current USD season record holder for yards punted (2,573) and average (43.5). Chapman is still remembered for leading USD to a 21-20 upset over the Marine Corp Recruiting Depot which touted four future NFL stars.

Chapman’s leadership abilities were demonstrated on the field as well as on campus. As co-captain for football his senior year, he received the Gil Kuhn Trophy as the Outstanding Gridder, given to the player that best demonstrated sportsmanship, performance in the highest degree, and leadership. He was also president of the Associated Student Body his senior year.

Since graduating in 1961, Jan has stayed in the San Diego area, giving back to the community by teaching and coaching at the high school and community college levels.

Matt Maslowksi, after playing football at Mission Bay High School and Mesa Community College in San Diego, decided to continue his career at USD. At 6’3” and 205 lbs., Matt dominated as a receiver for the Toreros. During his first season, he was the leading club football receiver in the nation with 42 catches for 799 yards in only seven games. His collegiate career was cut short in 1970 due to injury, but he still managed some remarkable numbers during his career. Playing in only 11 games for USD, Matt had 80 catches for 1,552 yards and 18 touchdowns. He averaged a remarkable 19.4 yards per catch for the Toreros.

Because of his size and speed, Matt was offered a free agent contract by the Los Angeles Rams and played for George Allen and Tommy Prothro. In addition to the Rams, Matt played for the Chicago Bears, Minnesota Vikings and finished his career with the Florida Blazers of the World Football League.

At the request of a group of students in 1969, the University of San Diego agreed to bring football back eight years after dropping the sport. Under Coach Jim Gray, they started a club program. Matt and his teammates from the club football team laid the foundation for a solid football program still going strong.

Jeb Dougherty, after graduating from the University of San Diego in 1997 with a Bachelor’s degree in Business Administration, briefly played professionally for the Los Angeles Rams and the Chicago Bears. As a two-sport athlete at USD, he earned All-American honors in football and baseball prior to getting a bachelor’s degree in Business in 1997. A defensive back in football, he ranks among the top three in career tackles, pass break-ups, kickoff-return average and forced fumbles. He was a third team Associated Press All-America selection, USD’s defensive MVP, a first team All-Pioneer Football League selection and USD’s scholar-athlete choice for the National Football Foundation and College Hall of Fame (San Diego chapter) his senior year. He was a three-time PFL All-Academic selection and a four-time PFL Player of the Week. In baseball he was an outfielder. He was USD’s co-MVP in 1996, a first team All-WCC selection and an Academic All-American for District VIII. He led the team in hits, runs, and batting average his junior and senior years. He was a four-time WCC All-Academic selection. He signed with the Angels after his senior year and advanced to the Double-A level before retiring in 2001. In addition to his professional career in the sales field, Jeb currently runs local youth baseball spring training camps in the San Diego area.

**The Chet and Marguerite Pagni Family Athletic Hall of Fame**

Three of the 24 USD inductees to the Chet and Marguerite Pagni Family Athletic Hall of Fame played football for the USD Toreros. Jan Chapman, Class of 1961, was inducted in 1995. Matt Maslowksi, Class of 1971, was inducted in 2001, Jeb Dougherty, Class of 1997, was inducted in 2006.

RETURN SPECIALIST
Seth McClellan DB 2002
Sarabeth Pollock begins her third year as the Coordinator of Athletic Academic Support for the University of San Diego. She has worked as a tutor in the Athletic Department since the fall of 2001. She serves as the academic advisor for all sports except Football and Rowing. Her responsibilities include the supervision of the Study Hall and the administration of the tutoring and mentoring programs. Currently, the Academic Support Program employs over 25 tutors who represent a variety of majors across campus, as well as over 12 mentors who are graduate students pursuing their masters degrees in USD’s Counseling Program.

The Study Hall and computer lab are open for student-athlete use all year long; during the semester they are open 60 hours per week and provide a quiet, studious atmosphere to foster academic excellence.

Sarabeth graduated from USD in 2002 in the Honors Program, earning her Bachelor of Arts degree in Political Science and History. She speaks Spanish and French fluently. A 5th generation San Diegan, she resides in Point Loma with her family. In her spare time, Sarabeth enjoys working on her novel that she hopes to have published by the end of the year.

“The greatest challenge to a Division I athlete is to balance the demands of sport while taking full advantage of the educational experience offered. The purpose of our program is to assist student-athletes in meeting this challenge by offering tutoring, advising, mentoring and a quiet environment to study. The academic support program is designed to assist students in adjusting to life at USD and developing sound academic and career plans. By promoting a philosophy of individual responsibility, which encourages each student-athlete to value their educational experience, the academic support program assists each athlete to realize their full potential.”

ACADEMIC SUPPORT CENTER
The USD Athletic Academic Support Program is designed to promote the academic development of student-athletes. The primary objective is to offer the necessary resources for the academic success of student-athletes as they work to earn their degree. Academic Support Services are designed to enhance the student-athlete’s overall collegiate experience and encourage development and attainment of academic and career goals.

All USD student-athletes have access to advising, tutoring and mentoring services. The mentoring program, Torero Blue and MenTorero, were redeveloped in 2005 and team a graduate student in the counseling program with an athlete who would like to enhance study skills, learn about campus resources, receive guidance on goal development and attainment, and benefit from guided group study. Student-athletes also have access to a quiet area where they can study or work in the computer center. In addition, student-athletes are encouraged to utilize the campus learning centers including the Writing, Math and Logic Centers as well as to take advantage of the resources available to them in the Career Center, Counseling Center and Computer Labs.
What do I need to do in order to play at San Diego as a freshman?

If you intend to participate in Division I or II athletics as a freshman, you must register and be certified by the NCAA Initial-Eligibility Clearinghouse. Your high school counselors should provide you with a student-release form and a brochure titled, “NCAA Guide for the College-Bound Student-Athlete.” In order to be registered with the clearinghouse, you must complete the student-release form and mail the top (white) copy of the form to the clearinghouse along with the $50 registration fee. Give the yellow and pink copies of the form to a high-school official, who then sends the yellow copy, along with an official copy of your high-school transcript that includes your SAT or ACT score(s), to the clearinghouse. Your high school should keep the pink copy for its files. You may also register online at www.ncaaclearinghouse.net.

How do I know if I’m being recruited?

You become a “prospective student-athlete” when you start ninth-grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide prospective students generally. You become a “recruited prospective student-athlete” at a particular college if any coach approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches that cause you to become a recruited prospective student-athlete are (1) providing you with an official visit; (2) placing more than one telephone call to you or any other member of your family; or (3) visiting you or any other member of your family anywhere other than the college campus.

Boosters: In addition to general recruiting regulations, no alumni, boosters or representatives of a college’s athletics interests can be involved in your recruitment. There can be no phone calls or letters from boosters. If a USD booster is contacting you, please call the San Diego Compliance Office as soon as possible at (619) 260-7577. Don’t risk your NCAA eligibility!

When can I talk to the coach and have him/her see me play?

Telephone Calls: In Football, a prospect may receive one phone call in May of the prospec’s junior year in high school and may start receiving additional calls after September 1 of your senior year. After this, a college coach is limited to one telephone call per week to you (or your parents or legal guardians), except that unlimited calls to you (or your parents or legal guardians) may be made under the following circumstances: (1) during the five days immediately before your official visit by the college you will be visiting; (2) on the day of a coach’s off-campus contact with you by that coach; (3) on the initial date for signing the National Letter of Intent in your sport through two days after the initial signing date; and (4) you (or your parents) may telephone a coach at your expense as often as you wish. After a National Letter of Intent is signed, unlimited calls may be placed to the prospect.

Off-Campus Contacts: A college coach may contact you in person off the college campus only on or after July 1 after the completion of your senior year in high school. The contact must take place on the prospect’s high school campus and follow restrictions on the sport’s recruiting calendar. A contact is any face-to-face meeting between a college coach or athletics staff member and you or your parents, during which any of you say more than “hello.” Also, any such face-to-face meeting that is prearranged or that takes place on your campus, at an organized competition or practice, involving you or your high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation. However, a college coach may visit your high school (with the approval of your high school principal) only once a week during contact period.

Evaluations: An evaluation is any off-campus activity used to assess your academic qualifications or athletics ability, including a visit to your high school (during which no contact occurs) or watching you practice or compete at any site. In football, a coach has three evaluation opportunities and six contact opportunities. Once you sign a National Letter of Intent, you may be evaluated an unlimited number of times by a college coach from the college with which you have signed.

Letters: Letters and printed recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school. However, you may still contact a university prior to this date to receive general (non-athletic related) information. You may also complete an athletic questionnaire prior to this date.

What Can I Receive from San Diego?

You (or your family) may not receive any benefit, inducement or arrangement, such as cash, clothing, camp, improper expenses, transportation, gifts or loans to encourage you to sign a National Letter of Intent or attend an NCAA college.
The Campus

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD’s architectural style.

Under the leadership of Mother Rosalie Hill of the Society of the Sacred Heart and Bishop Charles Francis Buddy of the Diocese of San Diego, the University of San Diego began as separate colleges for men and women. The first classes met in 1952; the School of Law opened its doors in 1954. By the late 1960’s it became clear that both colleges would benefit from combining academic resources, and in 1972 the University of San Diego became a single coeducational Catholic university.

Now governed by a board of trustees independent from the founding organizations, USD is a Roman Catholic institution that welcomes students, faculty and staff of diverse religions, traditions and races dedicated to the values originally articulated by Mother Hill and Bishop Buddy. Students choose from more than 60 undergraduate and graduate degree programs in academic divisions including the College of Arts and Sciences and the schools of Business Administration, Leadership and Education Sciences, Law and Nursing and Health Science.

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD basketball and volleyball. Two years ago, the Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and in 2003 the Donald P. Shiley Center for Science and Technology opened. A five-story Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.
San Diego, California

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

The city has mostly avoided the evils of urban sprawl, which has allowed its downtown to remain vibrant, especially the Gaslamp Quarter. San Diego is also home to the world-famous San Diego Zoo as well as Sea World. The city is great for families, but for those without kids, there is a lot to do as well.

San Diego is home to a number of military bases, primarily due to its location. In 1941, after the Pearl Harbor attacks, the U.S. established the headquarters of the Pacific Fleet in San Diego, and the city is now home to the largest air naval station on the west coast.

Unlike many cities, San Diego's airport is right next to downtown, increasing its convenience even more. It is hard to believe that San Diego is the nation's sixth-largest city, it just retains a small town feel.

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gyms, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams - the NFL Chargers play at Qualcomm Stadium, and the San Diego Padres play at Petco Park. During college football bowl week, San Diego annually hosts the Pacific Life Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. The Super Bowl returned to San Diego in 2003. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.!

Cunningham Baseball Stadium
The Cunningham Baseball Stadium serves as the home diamond to the USD Baseball team. Since its inception in 1970, the stadium has undergon several renovations. Prior to the 2003 campaign, the stadium received several significant additions. A “Turf Tech” synthetic grass surface was installed in the foul areas between first and third base. Secondly, a new press box was built at the top of Cunningham Stadium that keeps the central architectural theme of 16th century Spanish Renaissance alive. In addition, a new public address system has been added. The playing surface consists of “Bullseye” Bermuda grass and the dirt portion of the infield is crushed red brick. In 2006 the stadium received a brand new scoreboard.

Torero Stadium
Torero Stadium serves as home to both the USD football and soccer programs. The stadium received renovations that were completed in 2001 to host the WUSA San Diego Spirit, with over $3.5 million dollars spent to enlarge the seating areas and add spectator comforts. Torero stadium capacity is now 7,000. In 2001, the installation of the upgraded lighting system took place, and the final piece of the renovations was a Daktronics video board that plays movie clips and replays, as well as scoreboard information. The playing surface is “Bullseye” Bermuda grass, with soccer dimensions measuring 118 yards x 72 yards, with football conforming to NCAA regulations. In 2006, the field was named the “Walter J. Zabel Field at Torero Stadium.”

USD Softball Complex
The USD Softball Complex serves as the home diamond for the Torero softball team. The playing surface is “Bullseye” Bermuda grass, with the facility also including two batting cages that allow players to work on their hitting skills. A lighted LED Daktronics scoreboard sits over the right field fence and allows fans to be updated on game stats. Stadium seating capacity is 325, and spectators are also comforted by a full-service concessions stand and public facilities. The stadium is also lighted, enabling night games. In addition, a new public address system has been added, as well as a press box down the third base line.
A Message From President Lyons

The University of San Diego is very proud of the student-athletes that represent our institution on 16 men's and women's NCAA Division-I athletic teams. These are proud and serious competitors, honored to represent the University. The dedication you witness on the playing fields, on the court, on the course, or in the water is greatly matched in the classrooms, the laboratories, on stage, or in the community. Last year thirty-nine percent of our student-athletes carried a grade-point average above 3.2, and 11 of our teams had a cumulative grade-point average above 3.0.

Athletics is vital to the University of San Diego, a way students, faculty, staff and alumni come together as one community. I am both a university president and a Torero fan; I look forward to sharing the excitement of Torero athletics with our many fans.

The ESPN The Magazine Academic All-America Football Team, selected annually by members of the College Sports Information Directors of America, honors the nation's best student-athletes. Just as the balancing of football and academics is difficult, the standards for nomination and selection to the team are rigorous. To be nominated, a varsity starter or key reserve player must have a minimum 3.200 cumulative grade-point average (on a 4.000 scale).

The program began in the 1950s with honorees in football; later, basketball and baseball all-academic teams were added. Academic and athletics biographical data of nominees are prepared in ballot form and mailed to the CoSIDA membership, who vote in each of eight districts. From the eight district teams comes a national ballot, distributed to the 1,400 members for the final all-academic team.

"The achievements of these young men should truly be commended," said NBC sportscaster Dick Enberg, spokesperson for the ESPN The Magazine Academic All-America team. In 2004 Evan Harney joined six former Torero gridders after being named First Team. The record-setting Torero running back carried a 3.90 grade-point average as a Business Administration major.
