OFFICE OF THE PRESIDENT

Approval is hereby given to the following recommendations of the Committee on Academic Standards and Honors:

- 1) That the College for Men participate with the College for Women in a joint Honors Convocation at the end of the academic year.
- 2) That departmental honors should be conferred on a student who has a 3.5 G.P.A. or above in all upper division work in his major, with allowance for flexibility when a Departmental Chairman might justify something less.

PHYSICS DEPARTMENT

Dr. Ray White will spend the summer at Columbia University. He has been appointed as visiting associate professor of physics and will teach a course in electromagnetic theory.

CHEMISTRY DEPARTMENT

Dr. J. P. McDermott of the Chemistry Department has received a National Science Foundation Grant for summer study in Instrumental Methods of Chemical Analysis. The appointment, at Rensselaer Polytechnic Institute, Troy, New York, will run from June 23 to August 15.
