This semester's work represents the first step in our “History Stops” project. Next steps include the flowing: 1. The writing of a formal proposal. 2. Engaging with Community members for feedback on Chicano Park Day. 3. Deal with City and State Regulations. 4. Figure out how to finance the bus shelter. 5. Figure out how to reimagine a space that is utilized only for advertising. 6. Design a bus shelter that is meaningful and attractive to the community such as a Kiosco.
