### OFFICE OF THE PRESIDENT

Dr. Henry Martin will assume the position of Acting Academic Dean of the College for Men on June 3, 1968. Dr. Martin, who joined the faculty here in January of this year as an Associate Professor of Education, will bring wide experience to his new office, including a former appointment as Academic Dean at Saint Joseph's College Calumet Campus in East Chicago, Indiana. During the coming month in order to insure a smooth transition in the Dean's Office, Dr. Martin will work closely with Dean Schanes whose Academic Deanship has proved so effective during the past year and a half.

It is a pleasure to announce that "U. S. D." is now formally a correct designation for the University. An amendment to our Articles of Incorporation has changed the original title "San Diego University" to "University of San Diego."

### COMMITTEE ON THE EDUCATIONAL PROGRAM

At the last meeting of the committee, discussion was held relative to the objectives of the College. It was unanimously voted that a statement of objectives in relation to the College's commitment to the community and the Diocese be developed.
