VOL. V., NO. 29

OFFICE OF THE PRESIDENT

Apologies to Dr. Ray Brandes, who will again be Chairman of the Department of History for the next academic year, but whose name was omitted through error from the list published last week.

The Academic Standards and Honors Committee has recommended that the College for Men join with the College for Women in establishing a chapter of the Catholic college honor society, Delta Epsilon Sigma. Further investigation will be made of the possibility of this recommendation.

The Committee on the Educational Program voted at its last meeting to table the question of changing the name of the Department of Biology to the Department of Life Sciences.

Beginning next September, the Division of Economics and Business will no longer exist as a separate administration structure. The Department of Economics will be located within the Division of Social Science. The Department of Business Administration, to be known as the "Business Administration Program," will offer two majors: Business Administration and Accounting.

Approval is hereby given to the combined recommendations of the Curriculum Committee and the Committee on the Educational Program to accept the majors in Art and Music at the College for Women for our students. Counseling of these students, in regard to their general education requirements at the College for Men, will be the charge of Mr. Irving Parker, Chairman of the Division of Humanities.

EDUCATION DEPARTMENT

Dr. John F. McGeever will serve as one of the judges in the finals of the Speech tournament held at University High School on Thursday, May 23.

The Western College Association has asked Dr. John McGeever to serve as a member of an accreditation committee which will visit San Diego Mesa College next fall.

(continued on page 2)

Dr. John McGeever, Mrs. Beatrice Knott, Mr. Dennis Vice, and Mr. Michael Bujazan will attend the "Careers Day" at University High School on Friday to represent careers in Education.

FOREIGN LANGUAGES

On Wednesday evening, May 22, four CM seniors were initiated into the national Spanish Honor Society, Sigma Delta Pi. Bill Hall, Jim Hylton, Dan McLinden, and Pete Treadwell became charter members of the Eta Zeta Chapter in an impressive ceremony in the CW Spanish Dining Room. The new chapter was installed by Dr. Manuel Guerra, chairman of the USC Spanish Department and Area Director of Sigma Delta Pi. Sister Bremner, chairman of the CW Foreign Language Department, organized the joint CM-CW chapter. Dr. Freitas and Mr. MacMurrough represented the CM faculty.

FATHER SHIPLEY'S RESPONSE TO PROFESSOR WHEELER:

In the Vista of May 17, the following notice appeared:

"Prof. James L. Wheeler challenges Rev. William L. Shipley to an informal debate (any time, any place) on WHAT SHOULD BE THE PURPOSES OF A LIBERAL EDUCATION?"

I have accepted this challenge of Professor James L. Wheeler, with the proviso that each of us make public a written statement of position in advance.

Professor Wheeler agreed. Accordingly, the two statements are posted on the bulletin board.

The pressures of time and exams have made the scheduling of such an interchange inopportune at present. A tentative agreement has, therefore, been made to arrange the debate in September. Perhaps at that time it can be followed by a more general exchange of views on the part of both faculty and students.
