### OFFICE OF THE PRESIDENT

#### Condolences:

The prayers of the University of San Diego community have been asked for Dr. Maxine Gunderson, psychology professor at the University's former College for Men, who died last week. One of her sons telephoned and asked us to pray for her and to notify any who might have known her.

#### Thank You:

Please accept my sincerest gratitude for your patience and forbearance on the occasion of the Border Governor's Conference on Monday, September 20th. I am aware that many of you endured inconveniences to enable the University to host the Conference at lunch. Hopefully, the visibility extended the University will advance its effort to build a Mexican-American relationship which will result in successful efforts to breach the borders which separate our people.

I enthusiastically commend the members of our community who so successfully orchestrated the Conference luncheon. Their tremendous efforts in hosting a luncheon for over 700 persons were outstanding.

#### WASC/NLN Accreditation Visits:

As noted earlier in these Newsnotes, and as I announced at the All-University meeting on Tuesday, September 28, our regional accrediting agency, the Western Association of Schools and Colleges, and the National League for Nursing will be visiting USD's campus Tuesday through Friday, October 5, 6, 7, and 8, 1982. These WASC/NLN visitors have priority on our time during these days. They may wish to visit with individual faculty members and administrators, visit classes, consult files, talk to students in an academic department or unit, discuss informally at lunch, etc. Please accommodate their needs in every way you can. You may wish to note particularly the following two meetings:

Thursday, October 7: 12:00 - 1:15 p.m. - Salomon Lecture Hall

Open Meeting for faculty, students, staff -

to bring up anything you wish about USD

Friday, October 8: 1:30 - 3:00 p.m. - Salomon Lecture Hall

Exit Interview - members of the WASC team will discuss their preliminary findings about USD

You may wish to review pages 5 and 6 of the September 17, 1982 Newsnotes for a list of members of the WASC/NLN teams and the functions of the WASC team.

---

## OFFICE OF THE PROVOST

### Enrollment Charts:

Attached to these Newsnotes are the official Enrollment Charts tracing USD's enrollment (headcount and FTE - Full Time Equivalent) over the past six years, including the current semester. In one of the next issues of the Newsnotes, we will publish the official HEGIS (Higher Education General Information Survey) enrollment charts as they have been sent to Washington, D.C.

As you can see in analyzing the charts, we are considerably above budget in undergraduate students, and a little above budget in graduate and law students. Subsequent Newsnotes issues will supply more precise information on new undergraduate students. One "odd" feature in this year's charts is that USD's fall enrollment seems to be enormously above budget in freshmen (FTE), below budget in sophomores, and considerably below in juniors and seniors. We checked into this aberration, and discovered the following: 1) Close to half of our four hundred or so new transfer students appear to be listed as freshmen, many of them "high freshmen," that is, students whose transferable units do not quite reach the requisite 30 units for sophomore standing; 2) listed among the sophomores are 183 students who have between 50 and 59 units and who are therefore close to being juniors and 133 juniors with 80-89 units who are almost seniors.

Since School of Law budget figures on the chart are in annual average terms, it is difficult to analyze the fall semester. The fall semester figures which went into the annual average are: Day: 692 (as compared to 705 actual); Evening: 256 (as compared to 257 actual).

The overall picture puts us above 5000 students for the first time in the University's history (5003 headcount, to be exact!), and encouragingly above budget for FTE. As you are aware, however, USD as a tuition-dependent institution can never sit comfortably until spring enrollment is in; sometimes we are under our budgeted spring net attrition rate institution-wide, and sometimes we are above it. At least there is some margin when we are over budget in the fall semester.

No projections have yet been made for 1983-1984, so this portion of the chart has been left blank.

### Law Student Profile:

Attached to these Newsnotes is the annual profile of the First Year Law Class, Day and Evening Divisions. If you wish to compare it with last year's profile, you will find the latter in the Newsnotes of November 6, 1981 (# 129).

Summer Sessions Enrollment Report: 1982:

College of Arts and Sciences, Schools of Business, Education, and Nursing, with the last three years' figures included for comparative purposes:

		<u>1979</u>	<u>1980</u>	<u>1981</u>	<u>1982</u>
Pre-Session	Men:	117	115	180	267
	Women:	<u>173</u>	<u>205</u>	<u>192</u>	<u>235</u>
		290	320	372	502
Reg. Session	Men:	215	208	131	255
	Women:	<u>297</u>	<u>295</u>	<u>310</u>	<u>122</u>
		512	503	441	377

Guadalajara Program:

	<u>1979</u>	<u>1980</u>	<u>1981</u>	<u>1982</u>
	382	352	387	240

Reminder: No Smoking in Classrooms:

I have been asked to remind instructors and others who utilize classrooms of a long-standing, but apparently under-publicized, University regulation prohibiting smoking in University classrooms. Instructors and others in charge of groups in classrooms should remind students or others of this regulation, should it become necessary to do so.

Kudos:

I cannot resist including excerpts from a wonderful letter from a USD alum in the first year of dental school, sent to a biology faculty member, thanking the biology department and the Health Sciences recommendation committee for four years at USD, and commenting on the "head start" given by USD's academic preparation: "I just wanted...to thank you and the entire Biology Department for the past 4 years. Although it is only 4 weeks into the semester, it is obvious to me that I am much better prepared than the vast majority of the students here regardless of where they attended undergrad school. With the exception of the specific dental classes, everything I've had so far has been review. Especially helpful has been my experience in gross anatomy, which is the class that seems to give everyone here the most trouble. My lab partners as well as my instructors are amazed at the detail with which I know the structures of the upper limb. It really is a big advantage. Histology and embryology also have helped immeasurably. With the classes I've had at USD I feel I am better prepared than anyone here. In closing I just want to thank you, Dr. Traylor, and the whole Biology department and recommendation committee for all you have done for me."

## SCHOOL OF GRADUATE AND CONTINUING EDUCATION

Updated information for Fulbright awards is available in the Graduate Office. Applications for the Council for International Exchange of Scholars are due to the Council by November 1, 1982.

## OFFICE OF STUDENT AFFAIRS

## Upcoming Events:

October 5 - 8:00 p.m. - Camino Theatre - ASB Cultural Arts presents Mark Twain on Tour. A one-man show starring Ken Richters in an exclusive San Diego engagement. Prices: for USD faculty, staff, senior citizens, and students - \$3.00; for General Public - \$5.00.

October 14 - 7:30 p.m. - Salomon Lecture Hall - ASB Speakers Bureau presents George Plimpton. Free.

October 19 - 7:30 p.m. - Salomon Lecture Hall - ASB Speakers Bureau presents Dr. Jim Tunney, speaking on "Motivation." Free.

Wednesday and Thursday, December 8 and 9, 1982: Second Annual Holiday Craft Fair. Faculty and staff craftspersons interested in participating in the fair should contact Barbara Schmitz in the Office of Student Affairs, Serra 200, ext. 4590, for applications and more information. All faculty and staff are invited to attend the fair, browse and purchase items for sale.

## UNIVERSITY RELATIONS

1982-1983 United Way Campaign:

Chairman: Bill Pickett, Vice President, University Relations

Assisting: Jim Sotiros, Director of Corporate and Foundation Relations

Goal: \$14,286 (100% increase over 1981-82)

WHY: The economic slowdown and resulting lay offs have reduced the number of United Way donors, and increased the number of recipients. USD, as a whole, is now economically strong and growing, and we are in a good position to help. The drive benefits health and human care services at 84 United Way agencies in San Diego County. Gifts can be made to support all services, or to one designated agency. Designated agencies can be any health or human care agency in San Diego, including CHAD (Combined Health Agency Drive) or one of its agencies.

HOW: We hope to explain the community benefits of this program to each employee, in either a group setting or personally, and ask them to give. Gifts through payroll deduction are encouraged.

WHEN: October 11 - November 19, 1982

(Student Affairs and Nursing have already kicked off their campaigns. The results are marked increases over last year. University Relations is seeking to maintain their department's 100% participation of last year!).

AND

All employees giving through payroll deduction will be eligible for a drawing for a color television. Details to follow.

## SCHOOL OF EDUCATION

Grants:

The School of Education has recently received two grants: \$1500 from the American Newspaper Publishers Association Foundation for a graduate research assistant and \$2200 from Cork Foundation to conduct an alcohol and drug prevention workshop for educators helping professionals and community leaders. This workshop will be held on the USD campus on October 22, 1982.

## VARIA

\*\*\*\*\*

The Western Interstate Commission for Higher Education is serving as a clearinghouse for faculty members who wish to exchange positions for a

year or less and departments that have short-term vacancies. Information is available from WICHE at P. O. Drawer P, Boulder, CO 80302 or Karen Fisher at (303) 497-0274.

\*\*\*\*\*

Professor C. Hugh Friedman, School of Law, has been appointed by the Governor as a member of the California State Board of Education. His appointment has been confirmed by the California Senate.

During August, 1982, he was invited to participate on the faculty of the Hawaiian Citizenship Institute for Elementary and Secondary Teachers from Hawaii and other states, sponsored by the Hawaiian Council on Legal Education for Youth, and presented a seminar on the media and the law. On September 30, he served as discussion leader for a panel of judges, lawyers and journalists at a conference on the media and the law, sponsored by the Pasadena Bar Association at the California Institute of Technology.

\*\*\*\*\*

Dr. William Foster, School of Education, spent the month of August, 1982, as a consultant to Deakin University and Monash University, Victoria, Australia. While there he produced a monograph, Loose Coupling Re-visited: A Critical View in Educational Administration. A paper of his, "Towards a Critical Theory of Educational Administration," has been selected for a book of readings, Administrative Leadership and Organizational Cultures (University of Illinois Press, forthcoming), edited by T.J. Sergiovanni and J. Corbally.

\*\*\*\*\*

A paper will be presented to the National Conference of the Speech Communication Association of America in Louisville, KY, on November 4-7 by Dr. Larry Williamson, Speech professor in the Fine Arts Department. The paper is titled "Technical Argument in Scientific Knowing: A Dramatistic View."

\*\*\*\*\*

Dean Irene Palmer of the School of Nursing has just returned from Arizona where she was the principal speaker for the Silver Anniversary of the College of Nursing at the University of Arizona, Tucson. Dr. Palmer spoke on "Historical Research: The Life and Times of Florence Nightingale." The event took place on Thursday, September 23, 1982.

\*\*\*\*\*

Professor John Chambers, Political Science Department, attended a conference with fellow members of the Middle East Institute at Washington, D.C. The theme of the conference was Peace and Security in the Middle East After Lebanon.

\*\*\*\*\*

Dean Edward DeRoche of the School of Education has been appointed by the Bishop to serve a three-year term on the Diocesan Board of Education. He will chair the Child and Youth Ministry Committee.

The Dean will be a presenter at the Fall Catechetical Institute conducted by the Department of Educational Ministry, Office of Religious Education. He will speak on "Incorporating Religious Vocational Awareness in Your Classroom," and "Five Group Methods to Spark Your Religion Classes."

\*\*\*\*\*

Dr. Hugh Ellis, Biology, had his Hawaii Sea Grant renewed for the 1982-83 fiscal year by the National Oceanic and Atmospheric Administration. This past summer Dr. Ellis and his colleagues in Hawaii were studying the energetics of several tropical seabirds, particularly the Brown Noddy and Red-footed Booby. Last January, he was also in Hawaii, on remote Tern Island, studying the energetics of free-ranging Laysan Albatross.

\*\*\*\*\*

Dr. Cole Manes, Biology Department, recently co-authored a paper, "Spontaneous Release of Nucleosome Cores from Embryoblast Chromatin," with P. Menzel. It appeared in Developmental Biology 92: 529-538.

\*\*\*\*\*

Dr. Patrick Drinan, Political Science, has three book reviews being published in the near future. Two will appear in the winter issue of the American Political Science Review and one in the autumn issue of the Journal of Politics. The APSR reviews are of John Richman's The United States and the Soviet Union: The Decision to Recognize and Dan Caldwell's American-Soviet Relations: From 1947 to the Nixon-Kissinger Grand Design. The other review is of a book edited by Michael Palumbo and William O. Shanahan, Nationalism: Essays in Honor of Louis L. Snyder.

Dr. Drinan has also been appointed to serve as chairman of the Education Committee of the World Affairs Council of San Diego for 1982-1983.

\*\*\*\*\*

All interested faculty, staff and students are invited to an organizational meeting for an APPLE Computer Users Group on the USD campus. The first meeting will be a brown bag lunch on Wednesday, October 13, 12:30 - 1:30 p.m. in Serra Hall 315. All persons owning and/or using APPLE computers and persons who want to learn more about APPLE computers and their uses are invited. Possible functions of the APPLE Users Group will be to set up a software swap, provide demonstrations and training on hardware and software, schedule speakers, arrange group purchases, etc. Information is available from Dr. Sue Zgliczynski, DeSales 276, ext. 4538.
