## OFFICE OF THE PRESIDENT

Harmon Hall Dedication:

The University community is cordially invited to attend the dedication of Harmon Hall, the School of Education building, on November 30, 1984, at 2:00 p.m. The program includes a keynote address by Dr. Kenneth Blanchard and remarks by Mr. Ray Harmon, whose gift to the University funded the renovation of the building. The ceremonies will open in Camino Theatre and conclude at the Harmon Hall site.

## OFFICE OF THE PROVOST

Reminder: Open Budget Hearing:

There will be an open meeting on the 1985-1986 budget at 3:00 p.m. on Tuesday, November 20, 1984, in Salomon Lecture Hall, DeSales Hall.

Undergraduate Majors at USD:

The Registrar's Office has provided a listing of the number of students indicating a major in the various disciplines (page 6). This information has been provided each semester for the past several years. The data is applicable for fall semester, 1984 (see Newsnotes of November 11, 1983, and November 19, 1982 for last two years' fall data) - though of course all will realize that data on declaration of majors is in constant flux as students change their majors or move from "undeclared" status to declaration of major. The data should, therefore, be considered only an approximation. Because changes of major are rare among seniors, less common among juniors, and quite usual among sophomores and freshmen, it is relevant to know the level of students listed. Therefore, the information on undergraduate majors has been subdivided into upper division and lower division students.

HEGIS Enrollment Chart:

Attached to these Newsnotes (page 7) is the HEGIS (Higher Education General Information Survey) enrollment report which was recently sent to Washington, D.C.
