Faculty Handbook:

Revised pages for the Faculty Handbook are attached to these Newsnotes (the 27 un-numbered, 3-hole-punched pages at the back). These revised pages can be placed in the appropriate place in your Handbook after removal of the old sections.

The new pages are Table of Contents/Index (2 pages); Bookstore; Check Requests; Communications/Public Relations (4 pages); Deferred Compensation; Departments (2 pages); Duplicating/Copying (2 pages); Insurance (2 pages); Organizational Charts 4 and 5; Payroll Taxes; Purchasing Procedures (7 pages); Retirement: Phased Option (page 8 only); and Secretarial/Clerical Assistance.

New faculty members may ask their Dean for a Faculty Handbook after September 8.

Sabbatical Leave Requests:
Reports on Sabbatical Leaves:

Requests for sabbatical leave in the year 1987-1988 should be submitted by Friday, October 10, 1986. Please follow very carefully the instructions below, so that all sabbatical requests reach timely those whose role it is to deal with them. President Hughes will review the applications with the Provost, the Dean, the department chair (where applicable), and - in summary financial form - the University Budget Committee. He will then submit approved requests to the Board of Trustees at their meeting in the late fall.

Sabbatical leave requests should follow the requirements of the University of San Diego policy (see Faculty Handbook) on sabbatical leave, and should be addressed to President Hughes, but given to the Dean of the faculty member's School/College for checking for completeness, clarity, and eligibility. The request should include a statement about time eligibility for a sabbatical under USD's policy.

Requests should be in triplicate, so that the Dean can forward the second and third copies to the President and the Provost. Faculty members in the College of Arts and Sciences should submit a copy to the department chair as well as to the Dean. Projects should be discussed by the faculty member with the Dean and the department chair at the time of the request, so that they will be able to respond to the President's and Provost's questions concerning the precise nature and the academic quality of the project.

Faculty members and academic administrators who had sabbatical leaves during the 1985-1986 academic year are asked to file their reports, in accord with the USD policy, page 2, by Friday, October 31, 1986.

Academic Integrity Policy:

The Academic Integrity Policy was published in the Faculty Newsnotes last April and is in the Faculty Handbook. If you have any questions regarding the policy, please refer them to the contact person in your School/College:

College of Arts and Sciences: Associate Dean Carol Baker
 School of Business: Associate Dean Robert O'Neil
 School of Education: Dean Ed DeRoche
 School of Graduate and Continuing Education: Dean Ray Brandes
 School of Nursing: Associate Dean Phoebe Lee

Questions regarding the separate Law School Honor Code can be directed to Associate Dean Walt Heiser.

Reminder: USD's Theme for 1986-1987:

"In Pursuit of Economic Justice" is the theme chosen by the Faculty Social Issues Committee for the 1986-1987 school year. For more detail on the theme, refer to the January 31, 1986 (#183) Newsnotes.

Two or three team-taught courses on some aspect of economic justice will be offered in the spring semester, 1987. The courses can be inter-disciplinary or offered within the same college, school or department. The departments will be reimbursed for the faculty who participate, and stipends will be available for joint January preparation. Faculty members interested in offering such courses should send brief proposals to the Provost's Office before September 19, 1986. The Social Issues Committee (or a sub-committee thereof) will review the

proposals and choose the courses. Proposals should develop as fully as feasible both the general concept and the way it will be implemented. Please indicate in the proposal whether the course is under an existing rubric or whether it needs Curriculum Committee action.
