CHANNEL 15 AIRS CONVERSATION WITH WOMEN

IMMEDIATE RELEASE

San Diego, California

Channel 15 will broadcast Gloria Penner's "Conversation With Women" on February 20 at 7 p.m., and again on February 23 at 4 p.m.

The format for the program was conceived as a result of the University of San Diego's Women's Week which will focus on the contemporary woman's many roles. The campus events are planned from February 25 through March 1.

Gloria Penner, Director of TV Program Development, has as her guests in the hour program Anita V. Figueredo, M.D., wife of pediatrician Dr. William J. Doyle and mother of nine; Sr. Sally Furay, Vice-President and Provost of the University of San Diego who also as an attorney teaches in the USD School of Law; and Beverly Beyette, Assistant Managing Editor of the San Diego Union. These four women bring to the conversation their personal experiences which lead to their professional status. Topics discussed range from attitudes about women, social pressures versus socialization, role playing and children, education for women and the problems of women over forty who want to reenter the working world.
