ADDITIONAL ARTICLES

The Editorial Board of the *San Diego Law Review* prepares and edits, with the advice of the Faculty, the student section of each issue of the *Review*. The articles are received from student writers who have been invited to write for the *Review* on the basis of high academic achievement or success in the annual writing competition.

Unfortunately, due to budgetary restrictions, not all of the student material can be published in the *San Diego Law Review*. Consequently, a number of student articles not published in the *Review* are submitted to specialized journals for consideration.

Accordingly, the *San Diego Law Review* will publish in the fifth issue of each volume a list of those materials which have been prepared and determined to be of high quality, but have not been printed. Copies of these articles may be obtained from the San Diego Law Review Association. A nominal duplication and mailing cost will be charged for each article ordered. Address orders to:
