**We'd like
to be
your partner!**

No, we're not attorneys. And we don't pretend to be; we don't do an attorney's job.

But there's still a good chance we can become one of your valued partners.

You see, our trust services complement those of our good friends, the attorneys.

Whether it's assisting you in establishing a trust for one of your clients . . . making a short-term investment on behalf of an estate . . . or developing a profit-sharing plan . . .

San Diego Trust & Savings Bank's fully staffed department of trust specialists is ready to be your partner.
