Another Summer Session at the University of San Diego

Office of Public Information
FOR IMMEDIATE RELEASE

ANOTHER SUMMER SESSION AT THE UNIVERSITY OF SAN DIEGO

The third session of summer courses offered at the University of San Diego will begin August 6 and run through August 24. Among the courses offered during the three week session are:

"Fundamental Issues in Physical Science" (Science 11c), a course for students not majoring in science, emphasizing basic physical science concepts in the context of current social and political events;

"U.S. Civil War & Reconstruction" (History 174), a historical look at the United States from 1850 to 1877, emphasizing the political, economic, social and military aspects of the North-South conflict and its effects on the U.S. in later years;

"Liberal Arts Mathematics" (Math 5), a general education course in college mathematics designed to give a cultural mathematical background to students of the humanities.

Other courses offered during the August 6-24 session are:

"Exhibition Design" (Art 141), Philosophy of God" (Philosophy 125), "The World of New Testament" (Religious Studies 18), and "Marriage and the Family" (Sociology 153).

For registration information call 293-4524.
