FOR IMMEDIATE RELEASE

"CONTRAST IN EXCELLENCE," WINE SEMINAR AT USD

"Contrast in Excellence," a wine seminar that compares selections of the finest wines, will be held at the University of San Diego on four consecutive Tuesday evenings from 6:30 to 9:00 p.m. beginning February 1.

Sponsored by USD's division of Continuing Education, "Contrast in Excellence" will be led by Dan Berger, wine columnist for six publications including the San Diego Union and San Diego Home/Garden Magazine. For information and registration call 293-4585.

Registration is \$20 for individual sessions; \$60 for the four seminar series. A Valentine special is available at \$100 per couple for the full series.

On February 1, Berger presents an assessment of California's best chardonnays and selections of France's greatest white wines.

Pinot noir versus French red burgundy is the topic on Feb. 8, while California sauvignon blancs are compared with the great white wines on February 15.

The final session of the wine series on February 22 compares California cabernets with French Bordeaux followed by a blind tasting of new releases and barrel samples.
